EVENT DETAILS

01

The seminar on "Best Career Option and Value of Aptitude," presented by Ms. Sweta Sahu, aimed to guide students in aligning their strengths with suitable career paths. Attended by 110 students, the session emphasized the importance of understanding one's aptitude and how it can enhance career success.

"Best Career Option and Value of Aptitude"

02

The workshop held on October 21, 2024, in Room C-108 was designed for both beginners and advanced participants, offering a blend of theory and practical learning. It aimed to equip attendees with valuable skills applicable to their academic and professional careers, foster collaboration and networking, and prepare them for roles in top tech companies.

"Workshop on skill applicable to their academic and professional careers"

03

The "College to Corporate" seminar, held on October 16, 2024, in Block C-209, aimed to bridge the gap between academic learning and the corporate world. It equipped students with essential knowledge, skills, and strategies for a successful professional transition. Topics covered included workplace dynamics, communication, corporate culture, and continuous skill enhancement.

"College to Corporate"

GLIMPSES

Message from HOD Prof.(Dr.) Sanjeev Kr. Singh

" As the great physicist Albert Einstein once said, Education is not the learning of facts, but the training of the mind to think.' The IT department not only nurtures knowledge, but also your creativity, technical prowess, and passion for innovation; apart from shaping your future, they are also contributing to the evolution of the IT industry itself. I extend my sincere gratitude to our faculty and staff for their constant support and guidance. Your efforts in nurturing and mentoring our students are truly commendable. Together, we create an environment that fosters growth and innovation.

I am privileged to serve the Galgotias community. I am devoted to helping students achieve success through excellent teaching. Best wishes to all IT students – an exciting future lies ahead "

Message from DEPUTY HOD Dr. Veena Mittal

" I extend my profound appreciation for all of your contributions in the events. Your ingenuity, commitment, and collaborative spirit have elevated these occasions into remarkable celebrations that truly showcased the essence of the community.

The vibrancy and enthusiasm displayed were nothing short of captivating, creating an atmosphere rich with joy and camaraderie. Witnessing such dedication is inspiring, and it sets the stage for continued innovation and excellence in our future endeavors.

Furthermore, believe in your potential, stay resilient, and support one another along the way. I have no doubt that you will achieve great things. Wishing you all the best of luck for a bright and successful future "

DHRUV JHA
(GENERAL SECRETARY)

I am delighted to introduce myself as the General Secretary for Fusion Society. It is an honor to serve in this role and to collaborate with such talented individuals as we embark on a journey of innovation and excellence. The purpose of our department is to provide a platform for aspiring individuals to combine diverse ideas, skills, and disciplines, creating groundbreaking initiatives that leave a lasting impact. Joining Fusion Society offers skill development, networking with peers and professionals, and hands-on experience through projects and workshops. Showcase your talents and gain recognition while benefiting from mentorship, resources, and guidance. It's a platform to enhance technical, leadership, and interpersonal skills, empowering you to achieve your goals. Together, we can create an inspiring and inclusive environment that drives success and innovation. Feel free to share ideas, suggestions, or questions. Let's make this journey extraordinary!

MARISHA SHUKLA
(GENERAL SECRETARY)

Welcome to the Fusion Society, where innovation meets creativity. As the General Secretary, I am honored to introduce this dynamic community designed to bring together diverse talents, ideas, and perspectives. Our aim is simple yet impactful: to foster collaboration and provide a platform for individuals to explore their passions, enhance their skills, and create meaningful connections. Fusion Society is a melting pot of creativity, innovation, and teamwork, and we strive to make every member feel valued and inspired. We host a variety of clubs and events, including cultural festivals, workshops, competitions, and interactive sessions. By joining, you gain access to invaluable networking opportunities, skill-building sessions, and a supportive community that celebrates your achievements. We believe in encouraging every individual to dream big and support them whether you're a seasoned expert or a curious beginner, there's a place for you here.

Vice-President Ms. Raunak Sulekh

" As the Vice President of the Fusion Society, I feel truly honored to be part of a community that thrives on passion, innovation, and collaboration. Our club serves as a platform for students in the IT department to connect, learn, and grow together. We aim to not only keep up with the fast-paced world of technology but to also shape the future by organizing workshops, hackathons, and seminars that encourage hands-on learning and creative problem-solving. I want to take a moment to appreciate the dedication, hard work, and creativity that each of you brings to our society. Your enthusiasm is what drives us forward, and I'm honored to be working alongside such a talented and motivated team. Together, let's make the most of every opportunity, push boundaries, and contribute to making our college a hub for innovation "

Associate Vice-President Mr. Akshay Tiwari

" It is both an honor and a privilege to serve as the Associate Vice President of Fusion Society. Our club stands at the intersection of passion and technology. As Associate Vice President, I've had the privilege of working closely with our team and witnessing firsthand the passion, creativity, and dedication that drives us. We are a team of thinkers, doers, and dreamers who believe in the power of collaboration and exploration. Whether it's through our events, workshops, or projects, we aim to challenge the status quo and push the boundaries of what is possible. Together, we create an environment where every idea is valued, every voice is heard, and every member has the opportunity to grow. Our true strength lies in each of you—the members—who bring diverse perspectives, talents, and enthusiasm to the table. I encourage you all to get involved, contribute your ideas, and, most importantly, have fun while doing so "

✿ WORKSHOP

01 The Technical Workshop, held on September 18, 2024, in C-207, provided an immersive experience in advanced technology and Gen AI. It aimed to enhance participants' technical skills through hands-on practice, collaboration, and in-depth discussions on cutting-edge tools and techniques. The workshop emphasized real-world applications and the importance of continuous learning and adaptability. It successfully equipped attendees with both theoretical knowledge and practical experience, fostering personal and professional growth.

✿ WORKSHOP

02 The Creative Workshop, held on September 19, 2024, in Room C-209, provided an immersive experience in innovation and creative problem-solving. The workshop aimed to inspire participants by exploring advanced ideation techniques and encouraging out-of-the-box thinking. Led by passionate 3rd-year student facilitators, the event offered a combination of theoretical insights and hands-on activities, fostering collaboration and networking.
