Subject: Reliance Foundation Scholarships 2026-27 for Undergraduate and Postgraduate Students

Dear Madam/Sir,

Greetings from Innovation Hub UP Foundation, AKTU.

This is for your kind information that the Reliance Foundation Scholarships 2026-27 have been announced for eligible Undergraduate and Postgraduate students. The scholarships aim to provide financial support to meritorious students along with opportunities for holistic development, industry exposure, and engagement with the Reliance Foundation alumni network.

Under the **Reliance Foundation Undergraduate Scholarships 2026-27**, 5,000 scholarships are available for eligible first-year undergraduate students across recognised institutions and streams. Selected students may receive financial support of up to **₹2 lakh over the duration of their degree programme**. The selection will be based on merit-cum-means criteria.

Similarly, under the **Reliance Foundation Postgraduate Scholarships 2026-27**, 100 scholarships are available for eligible first-year postgraduate students pursuing select future-ready programmes in Engineering, Technology, Energy and Life Sciences. Selected students may receive financial support of up to **₹6 lakh over the duration of their degree programme**, with selection through a competitive merit-based process.

The last date for submission of applications for both UG and PG scholarships is **05 October 2026**.

An orientation session is also proposed to help interested students understand the scholarship opportunities, eligibility criteria, application process and selection procedure. Students interested in attending the orientation session may register their interest through the Google Form <https://bit.ly/46shAob>

In this regard, all affiliated institutes are requested to kindly circulate the scholarship information and related resources among eligible students, faculty members, departmental coordinators and other concerned stakeholders of the institute. Institutes are also encouraged to facilitate maximum participation of eligible students and support them in completing their applications within the stipulated timeline.

For any clarification or further information regarding the scholarship and orientation session, please contact **Ms. Vandini Tiwari, Invest UP CSR Facilitation Cell**, at 8756605539 or write at csr@investup.org.in.

Your support in disseminating this opportunity among eligible students will be highly appreciated.

Regards,

For circulation
among students + faculty members.

Focus on local needs, community ownership and sustainability.

Focus areas: Rural Transformation, Health, Education, Sports for Development, Disaster Management, Women Empowerment, Arts, Culture & Heritage and Urban Renewal.

Touched over **10 CR+ lives so far** across **India.**
(as on June 30, 2026).

Reliance Foundation Scholarships

Focus Areas

- To empower youth to pursue their dreams and aspirations
- Build talent pool to support India's inclusive growth

Competitive

Competitive selection process to select the best and brightest

Impact

Robust financial assistance, and engagement opportunities to nurture the scholars to empower them to achieve new heights

Represent another step furthering Chairman **Shri Mukesh Ambani's** and Chairperson **Smt. Nita Ambani's** commitment to empowering India's youth

Support talented Indian youth through their **higher education**

Build a community of new scholars who will become global leaders of tomorrow

Identify and support meritorious undergraduate and postgraduate scholars

To empower youth in India across the next decade to pursue their dreams and aspirations, developing future leaders of tomorrow

On the 90th birth anniversary of **Reliance's Founder-Chairman Shri Dhirubhai Ambani** in December 2022, Mrs Nita Ambani, Reliance Foundation Founder and Chairperson, announced that 50,000 scholarships would be awarded over 10 years

Reliance Foundation Scholars' Values

Excellence

Scholars who are committed to excellence, in spirit and action, in everything they pursue, both academic and non-academic. Students who have a mindset of giving their best, seeking new and better ways to approach challenges and continually work to improve themselves.

Leadership Potential

Scholars who have the potential and ambition to become India's and the world's leaders of tomorrow.

Integrity

Scholars who strive to be honest and forthright. They take accountability and responsibility for their actions, decisions, and behaviours.

Reliance Foundation Scholars' Values (Cont'd)

Community Commitment

Scholars who show a moral force of character and instinct to lead in their communities for the advancement of society.

Scholars who have a commitment to work for social good and give back to society.

Growth Mindset

In Reliance's spirit that "Growth is Life" we are looking for scholars that dream big and have a ever-evolving spirit. They posses a love of learning and continually striving to develop and improve themselves and support others to do the same.

Courage

Scholars who strive to be honest and forthright. They take accountability and responsibility for their actions, decisions, and behaviours.

Postgraduate Scholarships: Eligibility Criteria

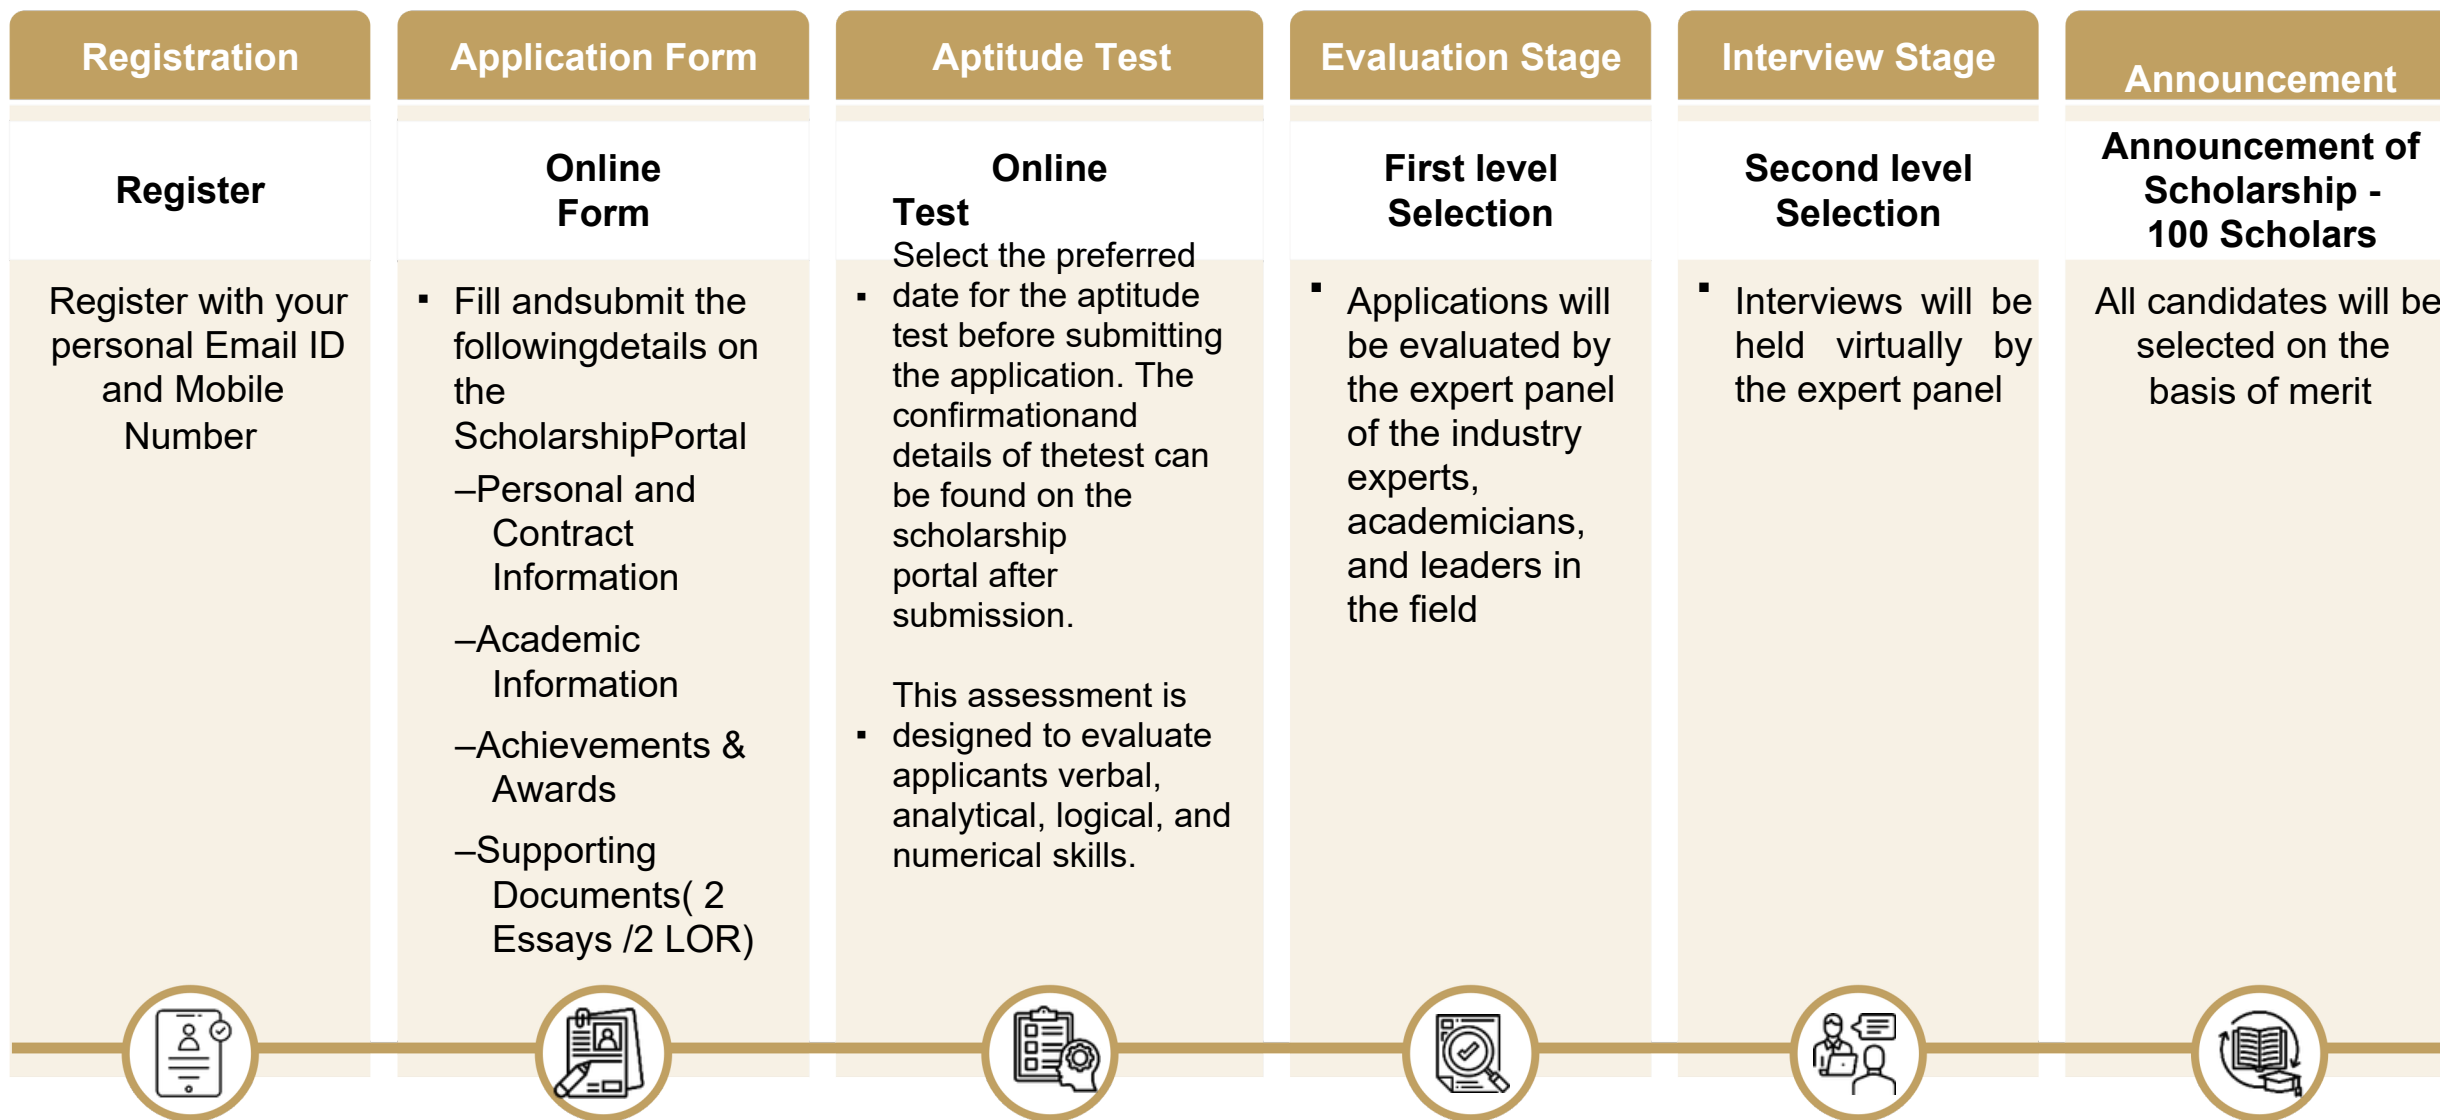

Basic Criteria

- Be a resident citizen of India
- Be currently enrolled in a regular, full-time, first year of a degree programme in select future-ready courses in Engineering, Technology, Energy and Life-Sciences

Academic Criteria

- First year PG Students who secured a score of 550 -1,000 in the GATE Examination
(Or)
- Students who have scored 7.5 or above in their Undergraduate CGPA (or % normalised to CGPA)

Postgraduate Scholarships: Application and Selection Process

*The whole process will be transparent and unbiased

Postgraduate Scholarships: Reference Letters

Each application will require 2 reference letters

1 Academic Reference: The academic reference should be from an academic who can comment in detail on your academic ability and how well they think you would do at the university you are applying to. They should have formally taught and graded you in your undergraduate (or, if relevant, postgraduate) studies.

2 Character Reference:

The character reference should testify to your character and/or your involvement in extra-curricular/service or leadership activities. These referees should be persons who are able to speak in detail to your character and comment critically on whether your extra-curricular, non-academic requirements and leadership traits are aligned with the scholarship's criteria.

How will this process work?

- Applicants will **nominate 2 referees** in the application form, providing name, designation and email ID
- Referees will receive a **system generated email from RF directly** –to submit their references online through the portal
- Referees will have one week post the application deadline date to submit their references

Each applicant will be required to write two essays (4,000 characters max. each)

1 Personal Statement

- Gives the student the opportunity to provide a picture of themselves in their own voice. Highlights their personal history and background, influences on their intellectual development, their educational, professional, and cultural opportunities (or lack of them), and the ways in which these experiences affected them and their personal growth.

2 Statement of Purpose

- Why the student is pursuing the degree program of their choice and how the scholarship will enable them to achieve their goals. The proposal should explain how the selected course will nurture the student and enable them to achieve their full potential and aspirations for their future career.

Reliance Foundation Scholarships 2026-27

For the attention of all students of Dr. A.P.J. Abdul Kalam Technical University (AKTU) and its affiliated institutes

Reliance Foundation, established in 2010 under the Chairpersonship of Smt. Nita M. Ambani, has opened applications for its 2026-27 Postgraduate (PG) Scholarships. Eligible students of AKTU and its affiliated colleges are encouraged to apply. Key details for both programmes are summarised below.

1. Postgraduate (PG) Scholarship

Overview

- Selects and nurtures 100 students annually with the highest potential to become future leaders.
- Open to students pursuing select future-ready postgraduate courses in Engineering, Technology, Energy, and Life Sciences.
- Scholarship amount: up to ₹6,00,000 over the duration of the degree programme.
- Selection process: Aptitude Test, Evaluation, and Interview rounds guided by industry experts and academicians.
- No application fee or charges at any stage.
- Selected scholars receive holistic development support including networking opportunities, expert interactions, soft-skills training, industry exposure, internships, hackathons, and volunteering opportunities, along with access to a strong Alumni Network.
- The programme especially encourages applications from girls and specially-abled students.
- Stipend policy: Scholars must disclose any financial benefits received from other sources. The Foundation permits stipends from other sources of up to a maximum of ₹15,000 per month during the scholarship period.

Eligibility Criteria

- Must be a resident citizen of India.
- Must be currently enrolled full-time in the 1st year of a PG degree in an eligible future-ready course (Engineering, Technology, Energy, Life Sciences).
- **Academic criteria (either one):**
- GATE score between 550 – 1,000; OR
- Undergraduate CGPA of 7.5 or above (or equivalent % normalised to CGPA).

Documents Required

- Passport-size photograph, Address proof (Aadhar Card), Current Resume
- Class 10th and Class 12th Board marksheets, Undergraduate degree marksheet
- Bona fide Student Certificate of current enrolment
- 2 Essays (Personal Statement & Statement of Purpose, max. 4,000 characters each)
- 2 Reference Letters: 1 Academic + 1 Character reference
- If applicable: Experience certificate(s)/internship letters, Official Disability Certificate, GATE marksheet

Application & Selection Process

- Step 1 – Registration on the Scholarship Portal with email ID and mobile number.
- Step 2 – Application Form with personal, academic, achievement details and 2 essays + 2 referee details.
- Step 3 – Aptitude Test (online, verbal/analytical/logical/numerical).
- Step 4 – Evaluation Stage: First-level screening by expert panel.
- Step 5 – Interview Stage: Virtual interviews by the expert panel.
- Step 6 – Announcement of 100 selected scholars, purely on merit.

Important Dates (PG)

Milestone	Date
Applications Open	14th August 2026
Applications Close	5th October 2026
Reference Letter Deadline	12th October 2026
Aptitude Test	10th & 11th October 2026
Virtual Interviews	October – November 2026
Announcement of Selected Scholars	December 2026
