

Aptitude & Cognitive Training

BootCamp for Accenture Placement Drive

The Five-Day Bootcamp for Accenture Placement Drive was a resounding success, preparing participants comprehensively for the challenges of Accenture's recruitment process. The combination of aptitude, verbal ability and soft skill training ensured holistic development, equipping students to excel in their career aspirations.

Key Achievements

- a) Skill Enhancement: Participants demonstrated marked improvement in aptitude skills, verbal ability & soft skills.
- b) Confidence Building: Practical exercises and mock interviews boosted participants' confidence in facing real-world challenges.
- c) Placement Readiness: The holistic training ensured candidates were well-prepared for Accenture's placement process.
- d) Feedback-Driven Improvement: Regular feedback enabled targeted improvements.
