Visit Overview

Date & Time

November 12, 2025
11:00 AM - 1:30 PM

Venue

DUCAT Institution
Greater Noida, Uttar Pradesh

Participants

50 B.Tech Students
Data Science & AI Departments

Faculty Escorts

Ms. Shreya Sharma
Mr. Amit Kumar

Educational Objectives

01

Industry Exposure

Observe professional IT environments and understand organizational workflows in real-world settings.

03

Bridge Theory & Practice

Connect classroom learning with professional demands of the competitive tech job market.

02

Career Roadmap Guidance

Receive direct insights from industry experts on essential skills for top product-based companies.

04

Placement Preparation

Equip final and pre-final year students with practical knowledge for upcoming placements.

GALGOTIAS COLLEGE OF ENGINEERING &
TECHNOLOGY
DEPARTMENT OF DATA SCIENCE

Date: 07th November, 2025

To,
The Director,
GCET, Greater Noida

Subject: Request for Permission to Organize Industrial Visit to DUCAT for B.Tech Students on November 12, 2025.

I am writing to seek your formal permission to organize an **Industrial Visit** for a select group of B.Tech Data Science students at the DUCAT Institution in Greater Noida. This visit aligns directly with our goal of enhancing practical industry exposure and bridging the gap between theoretical learning and professional demands, specifically regarding the competitive tech job market. DUCAT has proposed a focused session on the **Tech Career Roadmap** and industry insights, which would be highly beneficial for our final and pre-final year students preparing for placements.

Proposed Visit Logistics:

- **Partner Organization:** DUCAT Institution (Focus: IT Training & Professional Development)
- **Date:** 12th November, 2025
- **Time:** 11:00 AM - 01:30 PM (Session Duration)
- **Venue:** DUCAT Institution, Plot no. 40 A, Greater Noida W Rd, near Ashoka Tower, Techzone 4, west, Amrapali Dream Valley, Greater Noida
- **Student Group:** 40 Students (Nominated based on academic performance/interest)
- **Faculty Escorts:** 2 (Ms. Shreya Sharma/ Mr. Amit Kumar)

Educational Justification & Key Benefits:

The proposed visit will serve as a crucial platform for students to:

1. **Gain Industry Exposure:** Observe a professional IT environment and understand organizational workflows.
2. **Receive Career Roadmap Guidance:** Acquire direct insights from industry experts on the essential skills (like DSA, Data Science, and AI) required to secure jobs in top product-based companies.

I kindly request your approval to proceed with the organization of this valuable educational activity. Please let me know if you require any further details or documentation.

Thank you for your time and consideration.

Ms. Shreya Sharma
Assistant Professor
Department of Data Science

Prof. (Dr.) Sanjay Kumar
Head of Department
Department of Data Science

Prof. (Dr.) Vikram Bali
Director, GCET

Formal Approval Process

Request Submitted

Ms. Shreya Sharma, Assistant Professor

HOD Approval

Prof. (Dr.) Sanjay Kumar

Director Approval

Prof. (Dr.) Vikram Bali

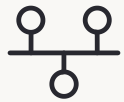

Formal permission request dated November 7, 2025, approved by department leadership to organize this valuable educational activity.

Key Takeaways

Industry Insights

Students gained firsthand knowledge of professional IT environments and current industry practices.

Career Clarity

Clear understanding of skills needed for success in top product-based technology companies.

Theory Meets Practice

Bridged the gap between classroom learning and real-world professional demands.

Placement Ready

Enhanced preparation for upcoming placements with practical knowledge and expert guidance.
