

# Women's day

8 March, 2022

The Green Environment Club of the Department of Applied Sciences, G.C.E.T, Greater Noida organized and celebrated a program on the occasion of International women's day on 8th March, 2022. Faculty members from applied Sciences and other departments, students from the G.C.E.T showed their graceful presence in this program.

With the welcome speech, Dr Bipin Kumar Srivastava member of Green Environment Club, started the program. A brief introduction on the history of the women's revolution in Europe and later celebration of that day as Women's day was shared by him. The attraction of the program was the hilarious poem on women by HOD of Applied Sciences Dr Rajesh Tripathi. He also emphasized respect for all the women in society and working together as a team in the workplace.

Other faculty s also expressed the importance of women in their life. Through this program, the faculty shared many interesting experiences with enthusiasm.

The program was ended with a promise to organize such program by our department in future also.
