Self-learning/ MOOCs/ NPTEL etc and PARAKH Committee

The AICTE-Student Learning Assessment (PARAKH) has been constituted to evaluate technical students in India and assess their overall qualitative and quantitative academic growth during the course of study, with the objective of enhancing employability and aligning outcomes with industry requirements. The PARAKH initiative further aims to establish benchmark standards and measure gains in academic proficiency and higher-order thinking skills of students and faculty members, while also analysing key factors influencing skill development in technical institutions across the country.

The details of major works to be taken care are as per following:

1. To evaluate academic, cognitive, and employability skills of students and faculty members and identify learning gaps, providing suitable feedback for academic improvement.
2. To design, develop, and implement standardized, research-based assessment frameworks and conduct portal-based evaluations under the PARAKH system.
3. To provide analytical inputs and data-driven insights to policymakers and institutions for strengthening technical education and aligning it with industry needs.
4. To coordinate and manage affairs related to MOOCs and online learning platforms such as NPTEL and SWAYAM for bridging curriculum gaps and improving academic performance of students.
5. To look after all matters related to the implementation and functioning of PARAKH.
6. To perform any other duties as may be assigned from time to time by the competent authority for the effective execution of the scheme.
