STANDARD OPERATING PROCEDURE (SOP)

How to Fill Student Feedback on Teaching & Learning

This SOP provides step-by-step instructions for students to submit Feedback on Teaching and Learning through the iCloudEMSV2 mobile app.

Before You Start

- Install/open the iCloudEMSV2 App and log in using your student credentials.
- Ensure that the required feedback is visible under the Feedback module.
- Complete feedback for all assigned theory and laboratory subjects, as applicable.
- Read each question carefully and select the response that reflects your experience.

Step 1: Open the Feedback Module

- Log in to the iCloudEMSV2 App.
- From the dashboard, tap the Feedback option/icon.
- The Feedback screen will open.

Step 2: Select Academic Year, Class and Turn

- Select Academic Year: 2026-27.
- Select your relevant class/semester.
- Select Turn 1.
- Tap Submit to proceed.

Step 3: Select Faculty/Subject

- The list of assigned faculty/subjects will be displayed.
- Open the faculty/subject for which you want to provide feedback.
- Proceed to the feedback questionnaire.

Step 4: Rate the Faculty and Submit

- Read each feedback question carefully.
- Select the appropriate rating/response for every question.
- Use Next/Submit as provided in the app to complete the feedback.
- Repeat the process for all remaining subjects/faculty members.
- Make sure the final submission is completed successfully.

Important Instructions

- Feedback is to be submitted by the student through the student iCloudEMSV2 account.
- Please provide feedback question-wise for every assigned faculty/subject.
- Do not leave any required question unanswered.
- After submission, verify that the feedback has been successfully submitted before closing the app.
- If the Feedback option or a required subject/faculty is not visible, contact the concerned ERP/department office.
