Department of Computer
Science & Engineering

presents

Qarwan

Volume- II

Jan '15 - April '15

- Seminar on Search Engine Optimization on C by Apex TG India Pvt.Ltd on 7th February 2015
- Lecture on Writing quality research paper by M A Warsi, Prof AMU, ALIGARH on 19th March 2015
- Expert Talk on Nature driven heuristics for hardware and software codesign by DR S. Chakraverty, Prof, NSIT, DELHI on 20th March 2015.
- Workshop on Java Programming by Ajeet Bharti, Asstt Prof, GCET, Gr Noida on 20th April 2015
- Workshop on MATLAB by Rajiv Kumar Nath, Associate Prof, GCET, Gr Noida on 24th April 2015

The newsletter editorial team consists of the following members: Prof. Dr. Bhawna Mallick, Mr. Lucknesh Kumar Mr. Manish Kumar, Pankhuri Agarwal, Khushboo Sharma

FROM THE DESK

Under the Spotlight

Department of CSE Student Placement 2015 On-Campus

GCET offers one of the best computer science programs in India. It not only imparts the technical knowledge, but also believes in the overall development of its students. Overall development of the individual is the goal of education and we all have to ensure that there is no stone left unturned to equip the students of today for the challenges of life. As the Head of the Department, I feel privileged to be leading a talented group of dedicated staff, inspiring teachers, and renowned researchers. The ways we teach and the ways our students learn are unique and creative. Our Department maintains strong ties with industry, research organizations, and the community at large.

Prof. Dr. Bhawna Mallick
President, Extreme Club

VISION

To be center of excellence in providing contemporary education and research in the field of computer science and engineering.

MISSION

M1

To prepare students for successful careers and lifelong learning in computer science and engineering with strong professional ethics and behaviour.

M2

To ensure effective teaching and learning process and quality research.

M3

To encourage innovations, product design and new technologies.

The extreme Club Society organized various events in order to increase the co-curricular activities and encourage the students to participate in other activities to ensure the overall development of the student.

The list of activities includes a workshop on **Concept of CPP Language (Learning CPP Language by a CPP Project) made in C++** organized by Siffi Singh, 2nd year Student on 11th April 2015.

Events such as **Quizzophrenia**, a technical quiz where organized by the Literary Team of Extreme Club on 5th March 2015, the quiz was won by **Swati Gupta**.

Coding competition **Code Ninja** which got a participation of 20+ students was organized by the Technical Team of Extreme club, the competition was won by **Srijan**.

Each team of the Extreme Club actively took part in organizing various events. Such as **Well versed** organized by Literary Team and **Brain-X** organized by the Technical Team.
