Department of Computer Science
and Engineering

Volume-III

Jul'15-Nov'15

From The Desk

GCET offers one of the best computer science programs in India. As the Head of the Department, I feel privileged to be leading a talented group of dedicated staff, inspiring teachers, and renowned researchers. Our researchers make fundamental contributions to knowledge across theoretical and applied areas of computer science. Our Department maintains strong ties with industry, research organizations, and the community at large.

Prof. Dr. Bhawna Mallick
President E-xtreme.

Computer Science and Engineering department has stood above the rest in its approach to education and in its pedagogies. The ways we teach and the ways our students learn are unique and creative. It has made its mark in academic, sports and cultural fields. Overall development of the individual is the goal of education and we all have to ensure that there is no stone left unturned to equip the students of today for the challenges of life.

Lucknesh Kumar
Vice President E-xtreme
