

# WORKSHOPS & SEMINARS

- A seminar on "EXPLORING THE SOLAR SYSTEM" by PROF. SNEH KESARI of ATLANTIS RESEARCH PVT. LTD (on 04/03/2017)
- Workshop/Meet-up over Python and Open Source (on 04/03/2017)
- Workshop on "Cloud Computing by Mr Ankit Kumar, Ritusha Consultants Pvt Ltd., Noida (on 21/04/2017)
- Workshop on Android by Abhinav, Jatin, Abhimanyu Sharma and Ankur Dhankar (on 19/11/2017)
- Workshop on 'Flask- Python Micro Web Framework' by Mr. ANUVRAT PARASHAR (on 10/09/2016)

The newsletter editorial team consists of following members: Prof. Dr. Bhawna Mallick , Mr. Lucknesh Kumar, Mr. Aatif Jamshed, HariShankar Aggrawal, Nipun, Mohd. Habibullah Ansari, Apoorvi Dwivedi, Nandeesh Srivastava

## INTER-COLLEGE PARTICIPATION

Students have represented the college in various Inter- college activities. By participating in events such as HACKATHON, TCS- Campus Commune and contest Roadshow, TCS\_ Campus Commune and Flagship Contest, Cognizant Interaction.

Siffi Singh, a student of GCET CSE department, brought laurels by bagging the extremely prestigious Internship at National Chiao Tung University, Taiwan.

We believe that compassion is the virtue of a successful person. And keeping the collective good in mind, Pranjali Rajput, Prashant Sharma and Urvashi Hasani indulged their time in voluntarily participating in social services such as Distributing clothes, and visiting primary School of the underprivileged

COMPUTER SCIENCE ENGINEERING  
DEPARTMENT  
*presents*

# Pranjal

VOLUME VI

*Jan '17 - April '17*

# FROM THE DESK

GCET offers one of the best computer science programs in India. As the Head of the Department, I feel privileged to be leading a talented group of dedicated staff, inspiring teachers, and renowned researchers. Our researchers make fundamental contributions to knowledge across theoretical and applied areas of computer science. Our Department maintains strong ties with industry, research organizations, and the community at large.

Prof. Dr. Bhawna Mallick  
President E-xtreme.

## Vision

To be center of excellence in providing contemporary education and research in the field of computer science and engineering.

## Mission

- >To prepare students for successful careers and lifelong learning in computer science and engineering with strong professional ethics and behaviour.
- >To ensure effective teaching and learning process and quality research.
- >To encourage innovations, product design and new technologies.

## Program Educational Objectives

- >The students will have preeminent technical competence and essential skills to excel in computer science and engineering.
- >The students will have problem solving skills and impulse for research to give contemporary solution with an instinct for lifelong learning.
- >The students will have good communication and inter-personal skills to effectively work in multidisciplinary and diverse professional environment.
- >The students will possess leadership qualities and team spirit to efficiently work with associates in their professional career.
- >The students will understand their responsibilities with respect to societal and ethical needs.

## Program Specific Outcome

- >Apply theoretical computer science in the design of computer-based systems in a way that demonstrates comprehension of the trade-offs involved in design choices.
- >Apply design and development principles in the construction of software systems of varying complexity.

**“The extreme Club society GCET believes in overall holistic development, of the students. It takes up the task of introducing various curricular & co-curricular activities.”**

## PLACEMENT RECORD
