- Extreme Team

To be a centre of excellence by providing contemporary education & research in the field of Computer Science & Engineering.

FROM THE DESK

Dr. Vishnu Sharma
President Extreme
HOD CSE, GCET

"I feel immensely proud that our institution is committed to impart education & provide an environment for a holistic development. I feel privileged to be leading a talented group of students & faculty. With this new issue of the NEWSLETTER. We bring you a glimpse of myriad of streams of activities being pursued."

Dr. Inderpreet Kaur
Vice-President Extreme
CSE, GCET

"CSE department has always been supreme in it's approach to education. The way we teach & the way our students learn is unique and creative. It has made its mark in academic, sports & fields. Overall development of the individual is the goal of education & we all have to ensure that there is no stone left unturned to equip the students of today for the Challenges of life."

DARPAN

THE NEWSLETTER

1 -To create conducive learning environment through effective teaching & learning process quality Education & Research.

EXTRACURRICULAR ACTIVITIES

NUKKAD NATAK

To reach out to the common masses, to spread social issues in public and to create awareness. To create awareness among potential beneficiaries of the Depression. The evil of depression and how it destroys the person and family.

POSTER COMPETITION

To provide an opportunity for the students to demonstrate their independence, originality and ethics. To cultivate research interests among students. To prepare the students to a real competitive environment. To train the students to showcase their talent, skills and ideas through their projects. To motivate the students to participate in external competitions, win awards and raise the good name of GCET.

MUSICAL SIESTA

Promote the highest levels of human aspiration and artistic integrity through the composition, documentation, and performance of music. Afford students opportunities for cultural and aesthetic experiences through active participation in music. Promote diversity among our faculty and students.

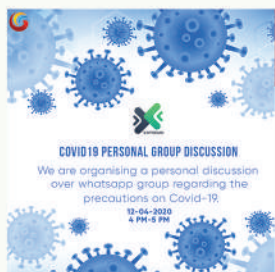

CANCER AWARENESS

To create awareness of the disease. To help people recognize the early signs and symptoms of cancer. To educate people about the key risk factors of cancer since more than 30% of cancer cases could be prevented by modifying lifestyle or avoiding the key risk factors. To inform people about the importance of cancer check-ups at an early stage.

COVID AWARENESS

Students were made aware about COVID-19. They realized about the seriousness and how is this virus so disastrous to the society. Students had a will and a feeling of unity amongst them to fight against this virus. Several precautionary methods were discussed amongst the faculty as well as the students which will help us to stay safe.

Student's Achievements :

1st position in AKTU Zonal Cultural Fest 2019 (Battle of Bands)

Vishwasdeep(3rd year) Chitransh (4th yr)
Sarang (2nd yr)

Smart India Hackathon Finalists:

Parul Gupta Shashwat Paul Vaibhav Mishra
Robin Jainher Shivendra (2 year)

First in Music competition in AKTU ZONALS at ITS GBN

Varsha (3rd yr) Prakhar(4th yr) Sarang(2nd yr)

Participated at Startup summit conducted by IIT ROORKEE

Yashika Singh Parul Gupta

Conducted Hackathon and gadget review in Daksh 2019

Akshat Saini

ACADEMICS & CURRICULAR

Workshops, Training & Developments

WORKSHOPS

MACHINE LEARNING & AI WORKSHOP-30th Jan 2020

Students learned about the various fields where Machine Learning Technology can be applied. The training tool aided to visualize the concept and use of the Machine Learning. Many were motivated to pursue their career in the field of Machine Learning.

EVOLUTIONARY COMPUTATION -27th February 2020

Students learned about Evolutionary Computation and its Applications in Neural and Fuzzy systems. Students learned about Genetic Algorithms, Encoding/ Decoding, selection and Sampling Mechanism. Students were Motivated to pursue their career in this field.

IEEE MEMBERSHIP DRIVE - 13 November 2019

To spread awareness amongst the students and to promote IEEE. To let students know global reach of IEEE. To give students technical knowledge and support in their career with joining IEEE. To make students understand benefits of joining IEEE.
