DAKSH 2K18

Extreme Team of CSE Department of Galgotia's College of Engineering and Technology, Greater Noida organised its annual techno-cultural fest Daksh on 9-10th march 2018.

"Daksh" *as the name itself signifies the pinnacle of achievement. We believe in celebrating excellence. Daksh is being organised for the past 4 years with a myriad of events that highlight the various fields on interest.*

This year 'Daksh' is gone back in time for "Reviving the 90s". With a retro outlook we took up an array of events.

To bring sanctity and spirituality, in the campus, a "Hawan" was organised at "DAKSH 2018" with chants of mantras and ambient religiousness. The event was witnessed by many faculties and students of Galgotia's Educational Institutions. With the notable presence of Dr. V. K Dwivedi, Director GCET, Dr. Vishnu Sharma (President Extreme Team), HOD CSE & IT, Dr. Praveen Kumar Maduri (HOD IC), Mr. Vinod Sharma (Registrar) and HODs of other departments were also present during the ceremony. Mr. Lucknesh Kumar (Vice- President Extreme Team) was the main faculty co-ordinator of all activities and events. Ms. Apoorvi Dwivedi (General Secretary-Extreme), Mr. Pulkit Singh (Secretary-Extreme) & Mr. Arpit Jain (Secretary-Extreme) were the student co-ordinators.

Ms. Jasmine Bedi Khurana (Vice-President Fusion Club IT) has also contributed with valuable suggestions and presence to various events.

Daksh this year created new standards for fun and educational activities, with great effort from the team members and support of faculties. It was truly a pinnacle of success.

A one Stop celebration for technical, cultural, literary and sports events. The day witnessed an auspicious opening with the ***"Hawan Pujan"*** *ceremony followed by various events listed below:*

LITERARY EVENTS:

Literature is the most agreeable way to ignore life. The purpose of literature is to turn blood into ink.   We can destroy what we have written but we cannot unwrite it. Daksh would have been incomplete without   its literary events and these events provided the hub of literati freaks the required platform to express their thoughts and creations.

Debate

Debate is a form of art in hurry. For good ideas and true innovation, we need human   interaction, conflict, argument and debate. This literary event organized by Daksh enabled the intellectuals to exchange and critique thoughts, opinions and ideas on the topic
