FROM THE DESK

I feel immensely proud that our institution is committed to impart education and provide an environment for a holistic development. I feel privilledged to be leading a talented group of students and faculty. With this new issue of the newsletter, we bring to you a glimpse of myraid of streams of activities being pursued.

DR. S.K. SINGH
(PRESIDENT EXTREME)
(HOD CSE)

Computer Science and Engineering department has stood above the rest in its approach to education and in its pedagogies. The ways we teach and the ways our students learn is unique and creative. It has made its mark in academic, sports and cultural fields. Overall development of the individual is the goal of education and we all have to ensure that there is no stone left unturned to equip the students of today for the challenges of life.

Mr. Lucknesh Kumar
(Vice President E-xtreme)

Vision

To be center of excellence in providing contemporary education and research in the field of computer science and engineering.

Mission

->To prepare students for successful careers and lifelong learning in computer science and engineering with strong professional ethics and behaviour.
->To ensure effective teaching and learning process and quality research.
->To encourage innovations, product design and new technologies.
