

WORKSHOPS & SEMINARS

C# CORNER LAUNCHES CENTER OF EXCELLENCE

VOLUME VIII

Daksh

To elevate the technical knowledge among students and to yield their nature cooperate friendly, various workshops were being conducted by the CS Department over the course of last year. These workshops also help the students to get regularly informed and aware of the ever changing technology.

- o Android workshop on python by CETPA was organised.
- o PHP Workshop by Guest Expert.
- o Expert lecture by T.I.M.E on benefits of CAT

A Center of Excellence is opened in the college campus – the Galgotia College of Engineering and Technology, Greater Noida, where the students of B-Tech and MCA will be provided trainings on various cutting edge technologies by industry experts and also a career guidance as well as placement assistance cell will also be established for helping the students in winning jobs after completion of their academic education. The Department of Computer Science and Engineering proudly hosts the excellence center.

FACULTY DEVELOPEMENT PROGRAM

On Embedded Systems was organised by the department from 26-30 March 2018. The lecture was delivered by CETPA Guest Lecturer.

Editorial Team of the Newsletter consists of Mr. Lucknesh Kumar

Apoorvi Dwivedi, Avikant Chahar, Vashisht Mattoo, Sukriti Srivastava

JAN'18 - APRIL'18

FROM THE DESK

I feel immensely proud that our institution is committed to impart education and provide an environment for a holistic development. I feel privileged to be leading a talented group of students and faculty. With this new issue of the newsletter, we bring to you a glimpse of myriad of streams of activities being pursued.

DR. S. K. SINGH
(PRESIDENT EXTREME)
(HOD CSE)

"Daksh" as the name itself signifies the pinnacle of achievement. We believe in celebrating excellence. Daksh is being organised for the past 4 years with a myriad of events that highlights the various fields on interest.

DAKSH

THE TECHNO-CULTURAL FEST

THIS YEAR
REVIVING THE 90S

This year „Daksh is gone back in time for “Reviving the 90s”. With a retro outlook we took up an array of events. To bring sanctity and spirituality, in the campus, a “Hawan” was organised at “DAKSH 2018” with chants of mantras and ambient religiousness.

Mr. Lucknesh Kumar
(Vice President E-xtreme)

Vision

To be center of excellence in providing contemporary education and research in the field of computer science and engineering.

Mission

- >To prepare students for successful careers and lifelong learning in computer science and engineering with strong professional ethics and behaviour.
- >To ensure effective teaching and learning process and quality research.
- >To encourage innovations, product design and new technologies.

The event was witnessed by many faculties and students of Galgotias Educational Institutions. With the notable presence of Dr. V. K Dwivedi, Director GCET, Dr. Vishnu Sharma (President Extreme Team), HOD CSE & IT, Dr. Praveen Kumar Maduri (HOD IC), Mr. Vinod Sharma (Registrar) and HODs of other departments were also present during the ceremony. Mr. Lucknesh Kumar (Vice- President Extreme Team) was the main faculty co-ordinator of all activities and events. Ms. Apoorvi Dwivedi (General Secretary-Extreme), Mr. Pulkit Singh (Secretary-Extreme) & Mr. Arpit Jain (Secretary-Extreme) were the student co-ordinators.
