DAKSH 2k19 Report

Daksh is techno-cultural fest held every year by the department of Computer Science and technology. It is the amalgamation of the hard work put up by the seniors as well as the juniors with the complete supports of the faculties. Various contest in various fields are held so as to engage the crowd in every sense, be it cultural gaming or technical. Daksh 2k19 broke all the bounds of grandeur with the events being better and bigger.

The fiesta started with the auspicious hawan which marked the goodwill that followed the fest. All the people, be it the students or teachers participated equally in the pooja.

The Hawan was followed by the Inauguration Ceremony. This ceremony included the Lighting of the Lamp, Memento receiving and power packed performances to kick start the grand day.

Here is a short account of the complete goings on of the fest this year.
