Equbal**

With enormous pleasure, I would love to present a denotation that EE Dept. is going to unveil its I issue of the Newsletter, Synergy. Since past few years it has been a continuous and massive process to lionize the ponderous efforts, where we can make every one learn and grow with us in the department. Being the HOD, it's an at its pinnacle and hopefully synergy will be its epitome. I bestow my heartfelt gratitude to every student and faculty member who made this possible. I wish to get more sharp minds to get connected with us. All the bestfor future.
