## Circular

### **(Work Related to Slow / Fast Learners or Weak / Bright Students)**

All the course teachers of B Tech – I Year : 2018-19 are requested to ensure the compliance of following so as to improve the academic performance of weak and bright students of courses / classes concerned :

#### **Criteria for Identification of Weak Students / Slow Learners**

Students of entire B Tech I Year, securing 40% or less marks in I-semesterials of Odd Sem : 2018-19, are to be considered as slow learners / weak students. Generally, these will be 20-30% of total students (based on lowest performance). Such list will be provided by First Year Coordinator. Further, concerned faculty may add any student in the list, based on his / her feedback / class performance. Once, the list is finalized by respective course teacher, it remains same for the course throughout the semester.

#### **Criteria for Identification of Bright Students / Fast Learners**

Students of entire B Tech I Year, securing 75% or more marks in I-semesterials of Odd Sem : 2018-19, are to be considered as bright students / fast learners. Generally, these will be 20-30% of total students (based on highest performance). Such list will be provided by First Year Coordinator. Further, concerned faculty may add any student in the list, based on his / her feedback / class performance. Once, the list is finalized by respective course teacher, it remains same for the course throughout the semester.

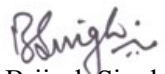

#### **Suggested Actions to be taken to improve the academic performance of Weak Students / Slow Learners**

- a. More written assignments, based on frequently asked questions (in AKTU End Sem Exams)
- b. Solving difficult questions of AKTU End Sem Question Papers
- c. Discussing basics and fundamentals of the subjects / courses concerned
- d. Revising the taught contents (important and related ones, in continuation, within 3-5 min either in starting or in the end of lecture)
- e. Conducting remedial / extra classes
- f. Conducting foundation course on English and providing vocabulary of technical words

#### **Suggested Actions to be taken to improve the academic performance of Bright Students / Fast Learners**

- a. Asking to solve entire question bank
- b. Asking to solve difficult questions of AKTU End Sem Question Papers
- c. Providing more practice questions
- d. Providing few questions of competitive examinations (e.g. GATE questions of courses concerned)

The respective course teachers may take some more actions, other than as prescribed above. All concerned are also requested to do all related record keeping.

  
(Dr. Brijesh Singh)  
First Year Coordinator
