Department of Information Technology

Seminar on Competitive coding in association with CODING BLOCKS

Date – 6th March 2018| Time – 10.00 pm – 5.00 pm| Venue – E-105, Block E

Department of Information Technology and Fusion Club in association with CODING BLOCKS organized seminar on Competitive Coding on 6th March 2018.

The seminar covered a deep insight about 'What is competitive coding? Why is it necessary and why one should pursue it?' The pros and cons about competitive programming in various languages such as C, Java, Python etc were also discussed in the workshop. It Initiated curiosity among the attendees and instilled an urge to start coding and taking programming more seriously for a brighter future.

The seminar got a huge success with the participation of approximately 105 students from IT branch wherein the attendees got the e-certificate for attending the seminar.
