

Galgotias College of Engineering and Technology

Department of Information Technology

Python Workshop

Date- 1st September 2017 | Time- 5.00 pm onwards | Venue- E-003

“Tell me and I forget, teach me and I remember, involve me and I learn”

"Learning is an experience, everything else is just information." -Albert Einstein

Workshop was free and Open to all. Students of Information Technology Department Gaurav Kumar, Ayush Singhi, Abhishek Jaiswal organized a workshop on Introduction to Python. The fact which made this workshop a benchmark was the tremendous response and popularity it attained. 135 ignited minds registered to take up the Python skill in them and made this workshop a highly successful event. It helped them to enrich their programming skill with the knowledge of this simple yet powerful programming language.

Topics covered in Workshop.

1. Features of Python
2. Variables and Data types
3. Operators and Expressions
4. Conditional and Looping Statements
5. Data Structures
6. Strings
7. Functions
