2021-22	2020-21	2019-20	
0	0	0	

Online Education

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.		All the programs in Galgotias College of Engineering and Technology are affiliated with Dr. A. P. J. Abdul Kalam Technical University, Lucknow and hence, all departments are required to implement the syllabus prescribed by Dr. A. P. J. Abdul Kalam Technical University, Lucknow. The departments strive for effective curriculum delivery through a combination of time-tested and innovative methods: beginning with an entry-point assessment of the student's aptitude and expectations relating to the course, and proceeding according to a set of teaching plans based on an academic calendar detailed enough to cover the available timeframe, yet flexible enough to permit changes. The teaching plans consist of detailed apportionment of the syllabus among all the faculties of a particular department. The apportioning is done democratically through discussion and deliberations among faculties in departmental meetings. Faculty members take utmost care to complete the syllabus on time. Internal Examinations, Quizzes, Assignments, and Projects comprise the formal evaluative processes, but students are encouraged to meet faculty beyond classroom hours for doubt-clearing and curricular discussions. Extra hours are devoted to taking remedial classes for weak learners to bolster students' preparedness before university examinations. Periodic meetings of IQAC take stock of the progress of teaching-learning, among other things and meetings of the Department with the Director are other forums where the progress of the delivery of the curriculum is regularly monitored and necessary course corrections are initiated. Since the institution specializes in Engineering, much attention is paid to experiential learning like visits to the various industries. The college is well equipped with smart classrooms, virtual classrooms, audio-visual, and other ICT facilities which are extensively used by teachers in day-to-day teaching to make the delivery of the curriculum attractive to students. Interactive teaching is promoted through students' participation in group discussions, quizzes, and seminars. Special lectures delivered by eminent scholars on topics related to the curriculum further intensify students' learning experience.	
3. The period of delay in completion of syllabus (in months).		0	
4. The period of delay in conducting exams (in months).		0
