

BCE151/ BCE251: ENGINEERING GRAPHICS & DESIGN LAB

LIST OF SHEETS

Sheet-1 & 2: Introduction to Engineering Drawing and Orthographic Projections

Sheet-3 & 4: Projection of Planes and Solids

Sheet-5 & 6: Sections of Regular Solids and development of Surfaces

Sheet-7: Isometric Projection

List of Equipment / Machines

Following is the list of drawing instruments that required for making engineering drawings on paper with perfection.

1. Computers
2. AutoCAD Software
