WORLD WATER DAY

On 22nd March 2022, Computer science and Engineering Department, GCET organized a Group Discussion keeping in view the observance of 'World Water Day'.

World Water Day is an annual United Nations observance day held on 22 March that highlights the importance of fresh water. The day is used to advocate for the sustainable management of freshwater resources.

Students of 2nd year as well as 3rd year participated in the Group Discussion and conversed over the subject of preserving water and different ways to encourage saving water in the remote areas of our country.
