# VISION

To be a leading educational institution recognized for excellence in engineering education & research producing globally competent and socially responsible technocrats.

# MISSION

- To provide state of the art infrastructural facilities that support achieving academic excellence.
- To provide a work environment that is conducive for professional growth of faculty & staff
- To collaborate with industry for achieving excellence in research, consultancy and entrepreneurship development.

# WELCOME to GCET

Galgotias Educational Institutions (GEI) comprising of Galgotias College of Engineering & Technology (GCET) were founded by Smt. Shakuntla Educational and Welfare Society. Shri Suneel Galgotia, a resolute visionary, committed to provide world class technical and management education. As the founder of Galgotias College of Engineering & Technology and Managing Director of Galgotia Publications Pvt. Ltd., New Delhi, he exemplifies a profound dedication to excellence in education.

The Galgotias College of Engineering & Technology is approved by AICTE, Ministry of HRD, Government of India and affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow formerly Uttar Pradesh Technical University. Galgotias College of Engineering & Technology, established in 2000, synergizes theoretical knowledge and practical skills to promote all round professional competence. Its unrivalled status in UP, the NCR region and the country stem from its remarkable achievement in nurturing professionals of national and international repute and has been recognized as one of the top ranking institutions imparting high quality education.

Nestled across 19 sprawling acres, the campus enjoys a prime location on an 8-lane expressway connecting Greater Noida with Noida and New Delhi. The heaven of self-sufficiency, it boasts splendidly designed academic buildings, secure and comfortable hostels for both boys and girls, state-of-the-art seminar and conference halls and well-equipped indoor and outdoor sports facilities. To compliment the enriching experience, a multi-cuisine cafeteria caters to the culinary delights of the students.

FROM THE OFFICE OF  
**THE CHAIRMAN**

Constantly ranked as one of the top engineering institutions in Uttar Pradesh & one among the top fifty colleges in India (by Data Quest survey), Galgotias College of Engineering and Technology is now on its twenty third year with great success as a premier technical institution. It has emerged as one of the most preferred institutes of Engineering & Management. Twelve batches have already graduated from our institution and today we are among the best education providers in the AKTU system. Our results are exemplary good from the merit point of view as well as from the placement perspective. Our students have been placed in the best organizations of the country. Some of them went to abroad for higher studies and for jobs in multinational companies. All in all, the last fifteen years have been a challenging and rewarding experience for us.

With an aim to remain quality conscious, efficient and responsive to today's rapidly changing economic and technological developments, Galgotias Educational Institutions has taken up the challenge for not only to provide technical and corporate training to the students, but also delivers the effort to make them self-confident, better human beings with leadership qualities.

Galgotias Educational Institutions (GEI) comprising of Galgotias Institute of Management & Technology (GIMT) & Galgotias College of Engineering & Technology (GCET), Galgotias College of Pharmacy and Galgotias University were founded by Smt. Shakuntla Educational & Welfare Society. GEI has evolved as a symbol of quality education dedicated to nurture the talent and aspiration of the dynamic, vibrant & bright youth of our country. Globalization has brought in its wake an emphasis on consumer concerns, such as quality (quality assurance is the need of the hour for continuous up gradation), infrastructure and teaching-learning processes. Economic restructuring of any country heavily depends on the institutional's performance and technology driven teaching practices. The faculty at GEI is inspired by our vision to be known as one of world's premier educational institutions for multidisciplinary education and research. Galgotias Educational Institutions has introduced such practices to develop young students as engineers and managers to meet the demands of society.

In the wake of the crisis in the industry, it is important to be a step ahead, a step faster and surer. The students are trained to equip themselves to take on the world and carve out a niche's in tomorrow's world, so that they are assured of not only promising career opportunities but are well equipped to face the challenges of life as well. It goes without saying that science, technology and engineering though different entities are related and interact with one another in complex ways. The engineer's main task is to apply his scientific knowledge to the solution of technical problems, then to optimize solution within the given material, technological, economic, social and environmental constraints for the utility, comfort and advancement of mankind while management peoples should have the sound skill of planning, organizing, staffing and directing, they must have good leading nature for controlling an organization (a group of one or more people or entities) or to accomplishing a desired goals and objectives using available resources efficiently and effectively. Our aim is to provide high class engineering and management education and we are committed to do it. In short, science is preoccupied with the understanding and explaining, engineering is concerned with doing, realizing and implementing while management is the art and science of decision making and leadership. Thus, the aim of future engineering and management education should be the integration of knowledge, skills, understanding and experience for providing creative and very professional youth who can serve our nation very well.

**SUNEEL GALGOTIA**

*“ The whole purpose of education at  
Galgotias College of Engineering & Technology  
is to develop and Nurture Brilliant Brains  
Who'll shape the future of the nation ”*

FROM THE OFFICE OF  
**THE CEO**

Success in the current digital era lies at the convergence of technology, skilling and education. Artificial Intelligence, automation, machine learning – each of these underscores the need for rapid and flexible responses from academia. We at Galgotias College of Engineering & Technology are constantly revamping and upskilling to stay ahead of the learning curve and keep up with the fast changing and tech-savvy world.

I am committed to preparing technically sound graduates for not only the current jobs but equip them with life long learning skills for futuristic corporate world requirements and entrepreneurship also.

We at the Galgotias College of Engineering & Technology work closely with business leaders, regulators, local bodies and other statutory bodies to ensure that the education imparted is relevant and contemporary.

I am deeply conscious of the fact that scientific and technological advancements, though critical, are by themselves not sufficient for the welfare of mankind. The main purpose of education is to enrich the character and hence we also focus on development of moral values and intellectual integrity in our students.

Ability to think critically, make informed decisions, being confident in social situations and leadership are some of the qualities that we develop in the young persons who chose Galgotias College of Engineering & Technology. I am confident that with this transformative education our students will be ready to take their rightful place as high contributing citizens of our great nation.

The Campus is teeming with activities such as student clubs, sports, cultural performances, hackathons etc. which create a rich and vibrant culture. I welcome all the students and encourage you to take advantage of the opportunities that the university has to offer.

I wish you all the very best as you set out on this incredible journey at the institute which will shape your destiny.

**DR. DHURV GALGOTIA**

FROM THE OFFICE OF  
**DIRECTOR GENERAL**

The past few decades have witnessed remarkable and innovative developments in the realm of Science and Technology. The progress is steadily advancing at a rapid pace, surpassing even the most imaginative expectations from just a few years ago. It is important for the youth of our nation to actively participate and stay ahead in order to position India as a prominent player on the global stage. The important task of equipping our youth with the necessary knowledge, motivation and confidence to excel on the global stage rests primarily with educational institutions.

As the Director General, my utmost priority is to support the development of students not only in terms of professional excellence but also in instilling in them moral and ethical values. I strongly believe in nurturing individuals to make positive contributions as compassionate and productive global citizens, ultimately benefiting society as a whole. I understand that in order to achieve this goal, educational institutes need to establish collaborations with industry, regulatory and research bodies. At Galgotias College of Engineering and Technology great emphasis is given to establish such collaborations. This would provide students with ample opportunities to apply and demonstrate the knowledge and values they have acquired.

At Galgotias College of Engineering and Technology we strive to equip our students with skills to think critically, make ethical decisions, excel in various social settings and embrace the concept of global engineering excellence. Our goal is to cultivate individuals who make positive contributions to society regardless of the career path they choose.

As one embarks upon our dynamic campus, he/she would immerse oneself in a realm brimming with opportunities for personal development, creativity and discovery. Our diverse range of student clubs, cultural showcases and innovative hackathons contribute to a dynamic environment that supports both academic growth and personal development.

#### **To The Students**

To the exceptional students beginning this incredible journey, I would like to extend a heartfelt and enthusiastic welcome. It is important to keep in mind that while certificates are valuable, the true measure of success lies in the person you become. Strive to embody moral values, intellectual strength and a global mindset as these qualities will have a lasting impact on your journey as an engineer and as a wholesome productive global citizen.

**Gp Capt. (R) Dr. P. K. CHOPRA, VSM**

FROM THE OFFICE OF  
**DIRECTOR**

Greetings!

Welcome to an inclusive, student centric quality education and lifelong opportunities at Galgotias College of Engineering and Technology (GCET). The institute is recognized as one of the premier engineering colleges in the country and is committed towards providing an amiable environment to foster innovation, creativity and excellence. Over the last decade, GCET has become one of India's premier institute in the private sector for advanced scientific and technological education. In keeping with its guiding principle of making globally competent and socially responsible technocrats the institute endeavours to create a synergy between the pursuit of technological knowledge and its application for industrial and social welfare.

It prides in standing amongst in band of 151-200 in NIRF 2023 ranking due to committed pool of intellectual capital by way of its faculty members and their dedicated pioneering research. All eligible Undergraduate programs in Engineering have been conferred the NBA accreditation. Faculty members are involved in organizing global expert lectures, seminars, workshops, conferences and management development programs for up-gradation of knowledge and skills of working professionals.

The institute possess finest infrastructure amenities and state-of-the-art equipments that contribute towards delightful and enthusiastic learning to produce globally successful technophiles. The campus provides an eco-friendly green canvas to enable the students think towards creating an environment friendly technology. A distinct emphasis is also laid in building students' overall wellbeing and in inculcating spirit of entrepreneurial leadership in them. It is one of the distinguished colleges, in terms of, having a close collaboration with the corporate world for mutual benefits such as summer internship to students and introduction of value added courses, apart from the curricula. The campus also has adequate sports infrastructure for recreational activities

In today's rapidly evolving society it has become more imperative than ever, for the institute to adapt, evolve and be the keystone of creating knowledge. We have moved collectively as a team and stay committed towards the belief that excellence is the result of sincere effort and intelligent execution that is won by training and habituation.

I wish you a scholastically rewarding student life at the institute.

**PROF. (DR.) MOHD. ASIM QADRI**

# LEARNING & CAREERS

## TRAINING AND PLACEMENT: AN OVERVIEW OF THE CAREER PLANNING & DEVELOPMENT DIVISION (CPDD)

Galgotias College of Engineering & Technology has a well established system of ensuring a smooth transition from the classroom to the workplace. The Galgotias College of Engineering & Technology system aims to fulfill students' aspirations across various sectors of industry. Students can confidently hope to enter the corporate world in sectors and positions commensurate with their capabilities. This environment of opportunities for the students is a result of a well-structured interface with corporates. Students can take on the best of all the opportunities Galgotias College of Engineering & Technology provides. For this they have to go through rigorous corporate-readiness programs which run concurrently with their academic programs. These comprise industry visits, mentorship activity, field research work, corporate interface and faculty-monitored corporate internship programs.

Leading organizations across various disciplines participate in campus placements at Galgotias College of Engineering & Technology. Nearly all students are placed almost a year before they complete their academic studies.

CPDD constantly interacts with the corporate world and helps prepare students for their careers. Corporates such as Infosys and Accenture absorb the largest numbers of students.

## COGNIZANT TECHNOLOGY SOLUTIONS

Dear Prof. Manisha Chaudhry

Cognizant would like to thank all the students of the 2015 batch of Galgotia's College of Engineering and Technology, faculty and college placement team, for a great recruiting season! We saw high caliber of education and discipline in the team that represented your college and we are happy to continue this association with you.

Regards,

**Ashok Ranjith R**

Human Resources- Talent Acquisition | Cognizant Technology Solutions

## ERICSSON INDIA PVT. LTD.

Dear Manisha Mam

The campus process was conducted with a good infrastructural support and strong administration. This helped us run the entire process efficiently and effectively.

The students exhibited discipline and were receptive in the entire process. We enjoyed interacting with them!

Regards

High performance. Delivered.

## ACCENTURE INDIA

"We wish to congratulate all the selected students, faculty and management for their focus on imparting quality education which led to selection of good students during the campus recruitment process conducted for 2012 batch pass outs."

**Shoaib Mehraj**

North Zone Hiring Lead  
India Campus Recruitment  
Accenture Services Pvt Ltd

Dear Manisha

Wipro has been a regular recruiter at Galgotia's for many years now and we have been

experiencing a set of very professional and well-groomed candidates for its recruitment. The institution has a good talent pool of fresh minds who have been trained to become industry ready in state of the art infrastructure with a very high focus on technical capability as well as soft skills of students.

We have been getting excellent support from the management as well as career development cell in all our engagements with the college and we would like to make this association to bloom further in times to come, adding to our talented global workforce pool enabling our organization and society to reach greater heights.

Wishing the institution all success to become a destination of choice in Engineering education.

**Viswanathan**

Head-Engineering Hiring  
Wipro Ltd.

## INFOSYS TECHNOLOGIES LTD.

Greetings!

Please accept my Congratulations on the way your students have performed at our selection process this year. I am glad to share with you that a total of 232 of your students have made it through our selection process and the credit for this definitely goes to the right training imparted by the College and the commitment at all levels displayed by management and placement cell.

The number of students who have cleared our selection process has always been moving Northwards and I wish your students good luck to perform like this and even better for years to come. I must share that your students have been great when it comes to discipline and are extremely articulate. They come across as assertive and very high on learnability.

I look forward to a very long and fruitful relationship with Galgotias.

Thanks again.

Thanks & Regards,

**Sudhir Mishra**

# OVER 650+ PROMINENT COMPANIES VISIT GALGOTIAS FOR RECRUITMENT

AND MANY MORE.....

# COMPLETE INDUSTRY INTEGRATION

The process of maximum industry-integration across a student's entire education span is followed at Galgotias College, so as to enable the student to work towards becoming market-ready from day one. Given that our students are headed to serve industry and society, the college ensures industry-led syllabi and continual industry interface through the entire duration of their education. When industry has been involved with the gestation and development of student talent that is completely in-sync with industry-needs, then placement of students usually is a foregone conclusion even before the end of a student body's academic education.

In our quest to involve corporates to the maximum, Galgotias College has in place many models of college-industry partnership ranging across accreditations, MoU arrangements and academic alliances. These integration initiatives help architect the education experience and deepen and enrich it.

## MOU WITH INFOSYS TECHNOLOGIES LTD. FOR CAMPUS CONNECT PROGRAM

Campus Connect by Infosys is a unique academia-industry initiative to "architect the education experience". Under this initiative, Infosys gives input to design curriculum, keeping industry requirements in view. Various seminars and training sessions for the faculty are also organized to give them an industry perspective, enabling them to train their students accordingly. Students are also benefitted through focused courseware and projects of industrial relevance.

## MOU WITH CELEBAL TECHNOLOGIES

- Enhancing the students by upskilling and training them through introducing elective course in curriculum
- Placement of the Students

## ACCREDITATION WITH TATA CONSULTANCY SERVICES LTD.

Accreditation with TCS is a testimony to the excellent infrastructure, quality teaching, learning process and other related parameters required in order to be recognized as a premier technical institution. Under the aegis of this accreditation, the institute and TCS co-create and co-implement various Faculty Development Programs (FDP) and students' training programs.

## WIPRO TECHNOLOGIES LTD.

This initiative supplements the faculty's existing facilitation skills and enables them to nurture the spirit of innovation and a higher level of understanding of the subjects being taught, while developing key technical and behavioral skills in parallel. The program helps to unleash the faculty's full potential and gives insight into interactive teaching methodology and teaching aids.

## MOU WITH CAPGEMINI

Galgotias University has signed an MoU with Capgemini, which is impacting positively on recruitments.

## MOU WITH TECH MAHINDRA

The accreditation facilitates students and faculty training, industrial visits and campus placements.

## MOU WITH INGENUITY GAMING

- Establishment of Gaming Lab at campus
- Training and Placements of the students

# TEACHING, LEARNING AND ASSESSMENT

At GCET, Outcome Based Education (OBE) is followed that equips the students with the knowledge, skills, and competencies needed to excel in the chosen field. Real-world application, fostering critical thinking, problem-solving, and collaboration skills are prioritised that prepares students for the challenges of future.

Our immersive learning environment provides hands-on experiences, industry partnerships, and cutting-edge technology integration. We believe that learning is not confined to classrooms but extends to internships, research projects, and community engagement, ensuring the development of holistic understanding of the subject amongst the students. Evaluation methods at GCET are both conventional and innovative. Pre-declared written tests ensure rigor, while interactive methods like discussions, seminars, presentations, and quizzes enhance engagement and comprehension.

## Instructional Methods and Innovative Practices

At GCET, instructional methods and innovative practices are key drivers of effective teaching and learning and includes:

- Interactive lectures and group discussions
- Case studies
- Simulations
- Video lecture demonstration approach
- Hands-on experiments & Use of real life projects
- Peer-Peer learning

## Skill Enhancement

Students are assigned a variety of activities, seminars, power-point presentations, writing assignments, model making, chart making, group discussions, and surprise quizzes to cultivate comprehensive communication skills, interpersonal skills, creativity, and knowledge exchange. Practical exams and projects in the final year allow students to showcase their skills, assessed by external examiners.

## Assessment & Evaluation

The evaluation system maps individual capabilities, tracks progression, and focuses on improving students' written and oral expression. The college follows the norms prescribed by AKTU, Lucknow, that includes both internal and external evaluations. Attendance and assignments are also considered for internal assessment.

The evaluation of subjects that carry internal marks of 30, is as under:

- a) Sessional exam of 40 marks with time duration of 1.30 hours and of 100 marks with time duration of 3 hours is conducted during the semester.
- b) Sessional marks out of 20, carry 40% weightage for CAE-I and 60% for CAE-II.
- c) The assignment carries 05 marks
- d) The attendance carries 05 marks

The evaluation of subjects that carry internal marks of 50, is as under:

- a) For written test marks the same method is followed as stated above (out of 30 marks).
- b) Attendance carries 10 marks
- c) Assignment carries 10 marks

Tests are conducted methodologically which include question papers as per the University pattern,

## Mentoring / Counselling System

Each student of Galgotias College of Engineering and Technology has been considered for mentoring / counseling. A faculty member pertaining to his specialization / branch has been allotted to him / her as Mentor / Counsellor, within a week of joining the institute. For each student, the deputed mentor / counsellor remain same till the attainment of degree so as to have proper understanding / guardianship between mentor and mentee. Mentor / Counsellor may be treated as Local Guardian of the student, at institute level. Any student having any problem (related to academics and personal), may approach to respective counsellor for its sharing / solution. At least two counseling sessions for each student are required to be maintained by each counsellor. Academic performance may also be monitored by mentor / counsellor. Mentor / counsellor remain in touch with parents of students concerned. Academic performance may also be monitored by mentor / counsellor. Mentor / counsellor remain in touch with parents of students concerned.

A webinar on "Medical Applications of Additive Manufacturing" by Dr. Yashwant Kumar Modi, Jaypee University of Engineering and Technology Guna, India

Shubhankar Mishra, News Anchor @Aajtak at Galgotias Campus

The invited talk focused on "Evolution of Measurement System and SI units" by Dr. Sanjay Yadav, Sr. Principal Scientist, CSIR-National Physical Laboratory

The invited talk focused on "Green Building Construction" by Prof. Mohammed Arif, Head, School of Architecture, Professor of sustainability and construction future, University of Wolverhampton, United Kingdom

## GALGOTIAS EDUCATIONAL INSTITUTIONS LONDON CHAPTER

# ALUMNI MEET 2023

The London Chapter of the Galgotias Educational Institutions held its annual meeting on the 10th June 2023. A large number of alumni and their families attended the meet which was held on a cruise on river Thames.

Nostalgic memories were revived, friends reconnected and shared reminiscences of their time on campus at the fun filled reunion.

The senior management team expressed a sense of pride at the accomplishments and success stories of the alumni and encouraged the alumni to maintain a lifelong connection with their alma mater.

# GALGOTIAS COLLEGE UNIFEST

"Galgotias organized the biggest cultural festival in the Northern region of India after a hiatus of two years due to COVID-19, with the official theme" "Lights. Camera Unifest!" Spanning over two days, Galgotias Collge Unifest saw enthusiastic participation from various colleges in over 20 events hosted by the college's societies and clubs, followed by the performances of renowned artists. From debates to open mic sessions, solo singing, band performances, dance competitions, Shark Tank, and quizzes, Unifest had it all packed into its schedule. The first day of the festival was filled with an electrifying performance by Kabeer, an independent singer from Delhi, who is known for his ability to make the audience sway their hands in the air with delight. The crowd danced and swayed away to Kabeer's invigorating voice, leaving them wanting more. The second day of the festival saw the continuation of various entertaining events, including stalls set up on campus for refreshments. However, everyone was eagerly waiting for the celebrity performance, which was headlined by the highly acclaimed singer Harrdy Sandhu. After a long wait, the crowd roared in unison as the artist made his entrance. Harrdy Sandhu's performance was a massive hit, with the audience dancing to his hit song "*Bijlee Bijlee.*" The event drew to a close following Sandhu's exit, with Unifest being hailed as the biggest success of the student council for the academic year.

# DO WHAT YOU LOVE

Events and activities are a very important part of students' life in a College. Galgotias College of Engineering and Technology provides amazing opportunities to students for trying things they never had the chance to do. They get complete support in order to ensure that each event is of a high standard and all objectives are met. Activities include anything from extracurricular, academic activities to talent shows and techno-cultural fests.

# RULES RELATED TO STUDENTS

## 1. GENERAL RULES

Students of Galgotias College of Engineering & Technology are required to follow the general rules sincerely which are not limited to the following :

1. Classes start from 9.30 a.m. and may continue up to 5.00 p.m. on all the five days of a week (Mon-Fri). Students are advised to come to the Institute by 9:25 a.m. to attend classes. As per AKTU rules 75% attendance is mandatory to appear in sessional and end semester examinations, as well.
2. Use of mobile phone during class hours/sessions, library, labs, workshop and all academic areas etc. is strictly prohibited.
3. Every student must carry his/her Identity Card while entering the campus and identify him/herself with help of the Identity Card whenever asked for.
4. No guests/visitors shall be allowed with the students in the class/lab/ library.
5. Students must help to keep the institute neat and clean and also preserve and maintain the greeneries. Eatables/beverages are not allowed inside the study areas including labs, library, workshops. Students can have their tiffin inside the canteen or class room.
6. Smoking and/or chewing of pan masala / tobacco etc. and/or consumption of alcoholic drinks/drugs etc. are prohibited in the premises of the institute.
7. Students must conserve electricity and water. They must switch off lights & fans when they leave the class room, laboratories.
8. Students are advised to keep themselves updated on norms notices etc and follow them accordingly.
9. All the labs follow certain safety and academic norms for their smooth functioning. Students are required to follow these by keeping themselves updated.
10. Any removable data storage device or hardware attachments for software operations cannot be taken in or out without written approval of the department in charge. A violation of this will be considered as an intention for piracy/theft.
11. While studying at the Institute, students will have to operate machines and tools carefully

and observe all safety regulations and see that no damage is caused to self, others or to the Institute's property, machinery and equipment. In case it is found that they have caused any damage to the Institute's property, they shall be required to reimburse or repair the damage caused. Any decision regarding the extent of their liability on such account shall be at the discretion of the Institute, which shall be final.

12. The nature of learning in any program may require the students to purchase tools, stationary items from time to time. Specific instructions in this regard will be given by the concerned department/faculty at the beginning of various courses.

13. In case of medical emergency in the laboratory, the student must inform the faculty member/ technical assistant without any hesitation.

## 2. INDISCIPLINE

All the students of Galgotias College of Engineering & Technology are required to maintain high degree of decorum and standard of discipline and follow all the rules strictly, laid down by the college authorities. The Proctorial Board/Discipline Committee will deal all the matters of act of indiscipline of students. If any student is found indulging in any act of indiscipline, he/she is liable to be punished as per the decision of the Proctorial Board subsequently approved by the Director. Followings are deemed to be acts of indiscipline:

1. Disregard of Institute Rules/Hostel Rules/Library Rules, orders and notices etc.
2. Disregard of Orders and Instructions of Staff Members
3. Disruption of, or improper interference with the academic, administrative, sporting, social or other activities of the institute, whether on institute premises or elsewhere
4. Using abusive language and creating nuisance in the premises of this institute, disturbing the peace and independent rights of fellow students and faculty members
5. Ragging of Junior students and indulging in unsocial activities towards juniors
6. Irregular attendance and unauthorized absence from class or hostel individually or in mass

7. Violent, indecent, disorderly, threatening or offensive behavior or language and action likely to cause injury or impair safety on this premises
8. Use of unfair means in tests and examinations
9. Students found in possession of stolen property
10. Failure to report indiscipline cases to the authority
11. Noisy, boisterous, disorderly and quarrelsome behaviour and attitude
12. Use of any kind of weapon for any purpose
13. Use of mobiles having camera is prohibited. Mobiles without camera may be used in the campus only in free time (but not in class room, corridors, labs, tutorial room, seminar room, administrative area etc). Mobiles with camera will be confiscated. Mobiles (if in possession) must be in silent mode inside the campus
14. Fraud, deceit, deception, dishonesty or theft in relation to the institute or its staff, or a person holding any office in GCET or in relation to being a student of this institute
15. Severe action shall be carried out in case of sexual or racial harassment of any student, member of staff or other employee of this institute or any authorized visitor of this institute
16. Damage to, or defacement of GCET property intentionally or recklessly, or misappropriation of such property which includes: damaging library books, resources and furniture like cupboards/ lockers/file cabinets/walls/doors/windows/ white-board/tables/equipment/chairs etc., by way of writing names/painting/scribbling etc.
17. Misuse or unauthorized use of the institute premises or items of property, including computer misuse
18. Being instrumental directly or indirectly for mass absenteeism or boycott of classes resulting in violating the atmosphere of the Institute,

threatening, physically preventing or using any other means from preventing the students from attending classes

19. Consuming drugs, alcohol or any other activity in campus/hostel is construed as a societal offence at large

Other than these, all the students are required to observe all the safety measures and take precautions as indicated. Institute will not be responsible for accidents of any nature in the institute, hostel, workshop, laboratories and play-ground or in the campus etc. Students found to have committed any act of indiscipline inside or outside the premises are liable to punishment as per the decision of Proctorial Board. Also, no one can form any society, association, club, etc., without prior written permission of Director.

### 3. MEASURES AGAINST INDISCIPLINE

The tools that are used for controlling the students and keeping them disciplined are as follows:

1. Monetary fine
2. Suspension
3. Rustication
4. Deduction of marks.
5. Award of red marks.
6. Withdrawal of internet facility.
7. Withdrawal of library facility.
8. Withdrawal of counsellor facility.
9. Not allowing the students to participate in the field he/she desires or can excel.
10. Calling the parents to the college and talking to them.
11. Extra assignments.
12. Debarred from T&P for any placement assistance.

# HOSTEL RULES

## CODE OF CONDUCT FOR STUDENTS

1. No student shall indulge in any form of ragging of the fresher students, causing mental or physical agony or inflict monetary loss to them, harass them or indulge in any kind of obscenity, vulgarity or violence with them. Students found involved in any form of ragging are liable to severe disciplinary action, and shall be punishable under the provisions of the Indian Penal Code 1860.
2. Hostel inmates who are out of the campus shall report to college main gates by 6.30 PM and are permitted to remain in the college park up-to 8.30 PM only.
3. The Director reserves the right to permit or deny the admission in hostel to the students. The students can be asked to vacate the room at any time under unavoidable circumstances without giving any reason.
4. A new student, on arrival, will report to the warden who will permit/her to take a room/seat in one of the hostels after the student has paid his dues and got himself/herself registered. He/she must then report to the warden. All students will be required to vacate their rooms as and when required by the Institute/hostel section or before they proceed on vacations.
5. When occupying a room a student should check the room, fixtures, fittings, electrical fittings, the furniture and any other articles issued to him/her. He/She will be required to sign a receipt for these and will be responsible for their proper upkeep during his/her stay. He/She will be required to compensate the shortage found when he/she hands over the charge of the room. He/ She will also be charged for any damage caused to the fittings and the articles issued to him/her.
6. The hostel inmates will refer their difficulties to Warden and invariably report all offences connected with discipline to concern HOD's. Offences of a major nature in hostel will be referred by him/her to the Wardens /Proctorial Board who will take suitable action in the matter.
7. The Warden or a member of institute staff nominated by the Director can inspect the room of any student at any time.
8. Students are requested to avoid singing aloud, shouting or making any types of noises which are likely to distract the attention of those who may be studying in their rooms or hostel libraries.

Boys Hostel

9. Any furniture should not be removed from the rooms and used elsewhere either inside or outside the hostel without the permission of the Warden of concerning hostel block.
10. Except for Computer, AC & cooler (in summer only), electrical appliances like heaters, TV, DVD Player, etc. are not allowed in hostel rooms. Interference with the electric connections and fittings and unauthorized use of electrical appliances will be severely dealt with.
11. Air conditioners, Lights, fans, etc. should be switched on only when needed and must be switched off when not required or when going out of the room. Similarly water taps must be closed promptly after use.
12. Students are cautioned to be very careful about the safety of their belongings. They should close their rooms securely when they leave the room even for short periods or when they are sleeping. Any theft either of a student's personal property or of the Institute property should be reported promptly to the Supervisor/Warden.
13. Students should not keep large sums of money or valuable articles with them or in their rooms. They are advised to open a Savings Bank Account in a Bank/Post Office.
14. Students are not permitted to consume or take alcoholic drinks and harmful drugs like Lysergic acid diethylamide (LSD), Ganja, Charas etc. within the Hostels/college premises. Any infringement of this order or visiting any place declared out

of bounds to students will result in disciplinary action against the students concerned.

15. Powered vehicles are not allowed to be used by the students within the institute campus.
16. Students should not indulge in such acts which may disturb others at study or work in the hostels like loud playing of musical instruments or radios or loud singing or dancing etc. Students are not permitted to keep fire-arms or any lethal weapon with them even if they possess a license for it. Students are advised to keep their mobile phones very carefully and safely. Institute shall not entertain any complaint of loss/theft of mobile phones or any personal belongings of the inmates.
17. Parents, guardians, near-relatives and friends may occasionally visit the students in their hostels. The only ladies permitted in a Boys' hostel are the mother of the student concerned.
18. Students are prohibited from giving shelter to any other student/outsider in their rooms. In case of any unauthorized shelter, the student will be liable to disciplinary action.
19. For the proper management of hostel life, a hostel Committee will be constituted for various hostels with the Warden as the Chairman and members to assist him. The main activities of the hostel Council will be to look after hostel upkeep, the welfare of inmates, recreational, cultural and disciplinary activities shall be entrusted to it.
20. Allotment in the hostel depends on current year behaviour of the student. Students, unless specially permitted, will be allowed to occupy

the rooms allotted to them in their hostel only 03 days prior to commencement of their academic session. Likewise they must vacate their rooms within 05 days of the closure of their academic session.

21. Before proceeding on summer/winter vacation, students must handover the charge of their rooms, furniture and fittings etc. to the hostel Supervisor/ Caretaker / warden and get a receipt from him. If any student fails to do so, the Warden is authorized to break/open a locked room and make an inventory of the articles found therein. The student concerned will be fully responsible for any shortage found in the hostel property handed over to him. No responsibility will be accepted by the Institute for the private belongings of the students found in such rooms.
22. Students are prohibited from screening/ keeping obscene literature/video films in their possession. Any violation in this regard will result in disciplinary action.
23. Students are prohibited from doing any obscene acts in the hostel/departments/institute campus. Any violation in this regard will result in disciplinary action.
24. Students should not fix posters, notices, pictures, or anything that might damage the surface of the walls of the hostel. They should not attempt to make duplicate keys of the hostel rooms or any Hostel property therein.
25. Residents found breaking any Rules & Regulations, Terms & Conditions at any hostel(s) under the purview of this institute are liable for expulsion from the hostel/disciplinary action.

#### In – Campus Girls Hostel (Per Annum)

Occupancy	(AC)	(Non AC)
3 Seater	1,55,000/-	1, 26,000/-

#### In – Campus Boys Hostel (Per Annum)

Occupancy	(AC)	(Non AC)
2 Seater	1,55,000/-	1, 26,000/-
3 Seater	1, 30,000/-	1, 00,000/-
4 Seater	1, 20,000/-	90,000/-

## HEALTHCARE

Galgotias College Engineering & Technology (GCET) works with nearby located premier nursing homes which offer medical advice and consultation on health matters, illness and accidents round-the-clock at subsidized charges.

## ON-CAMPUS CAFETERIAS

Galgotias College Engineering & Technology (GCET) has a well ventilated, spacious, centrally-located dining hall and cafeteria that provide wholesome fare to all students. The dining hall is managed by professional staff who provide hygienic and fresh vegetarian food. The cafeteria offers a good menu of multi-cuisine delights, amidst a lively, jolly atmosphere. An exclusive coffee corner sponsored by Nestle dispenses hot Nescafe and Nestea alongside a Café Coffee Day outlet.

There are water coolers with Zero-B for safe drinking water on all the floors of every building.

## 24x7 SECURITY

Galgotia College Engineering & Technology has a unique security system to ensure the safety and security of its students, faculty members and the campus. The university employs trained and well-supervised security officers to assure the safety and security of the campus. Each academic and hostel block has its individual security system to meet its unique needs. Identity Cards are always to be shown while entering the campus. In addition, key areas are monitored by a CCTV & alarm system. The university has also taken measures for immediate emergency eviction whenever the fire alarm system is activated. Various measures for campus security promote a safe and welcoming environment.

## LIBRARY

At GCET Central library, we are committed to deliver high-quality information services. The library services are provided to students, faculty and staff members for updating their knowledge and supporting the research and teaching / learning activities. Our Library is the center of intellectual life for all users at GCET. We provide all relevant resources and favorable study environment needed for our students and faculty as well. We endeavor to support students in all aspects during their studies. The library has a very rich collection of relevant books, journals, magazines, Newspapers Clippings including digital facilities such as e-books, e-Journals for GCET fraternity.

It gives me great pleasure to welcome you to step into our Library and explore the intellectual resources and give us an opportunity to serve you for academic excellence. Library would like to support you in your studies, and in making good use of your knowledge; we will help you to locate, select and acquire the information you need. The Library continually works to further the development of its services and we aim to provide you with the best possible service.

### Resources

**Books:** The Library has a total collection of about 9211 Titles and 70830 Volumes of Book including

Reference and Text books. Text and reference books are arranged on open access shelves for easy search and retrieval purpose.

**Reference Collection:** Library has also put together an impressive collection of Subject Books, Literature, Fictions, Encyclopedias, Dictionaries, Year Book, Handbook, Directory, Competition books, Personality Development and General books for improving the reading habit of the students.

**Print Journals and Magazines:** Library has subscription of 137 print journals and 16 Magazines.

**E- Journals:** Library has subscribe IESTC e-journals through DELNET

**News Paper Collection:** Library subscribes 9 news papers both in English and Hindi languages. Six month old news paper collection is available in library.

### Services

- Library provides printing, scanning and photocopying services to all the faculty and students.
- Provides network resource sharing facilities through DELNET and Inter Library Loan Services from neighboring Institution libraries.
- NPTEL (IITs and IISc. online Lectures) and member of National Digital Library.

## Anti Ragging Committee

To prevent ragging inside the college premises, an anti-ragging committee has been formed as per the details mentioned hereunder. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Gp. Capt. (R) Dr. P K Chopra, VSM	Director General
Mr. Manish Kr Verma (DM, G.B. Nagar)	DM
Mr. Vinod Kr Singh (SHO, Knowledge Park)	SHO
Mr. Sidhartha Negi (SM, Brio Interactive Technologies Pvt Ltd.)	External Member
Prof. R.L. Yadava (ECE)	Chief Proctor
Prof. Kakoli Dey (AS&H)	Member/ Proctor (Girls)
Prof. Rajendra Prasad (AS&H)	Member/ Dy. Proctor
Prof. Akhil Agnihotri (MBA)	Member/ Dy. Proctor
Prof. Anil Kumar Sethi (ME)	Member/ Dean Hostel
Ms. Ranjana Kumari (ECE)	Member/
Dy. Dean (Girls Hostel)	Student Member
Dr. Avinash Kumar Yadav (AS&H)	Member
Mr. Neeraj Kaushik (MCA)	Member
Dr. Shahid Eqbal (ECE)	Member
Ms. Preeti Dhiman (EE)	Member
Mr. Ashish Narayan Mishra (Admin Officer)	Member
Mr. Suresh Kumar (Boys-Hostel Warden)	Member
Ms. Kalpana Sharma (Girls-Hostel Warden)	Member
Ms. Namrata Singh (Girls-Hostel Warden)	Member
Ms. Arushi (Student Representative ECE-II Yr)	Member
Mr. Ansh Chaurasia (Student Representative CSDS-II Yr)	Member
Mr. Abhinav Mishra (Student Representative ECE-II Yr)	Member
Mr. Abhay Singh Rajput (Student Representative ME-II Yr)	Member
Mr. Wakil Ahmad (Parent Representative)	Member
Mr. Amit Manglik (GIMT)	Member
Mr. Neeraj Kumar (GCOP)	Member

## Proctorial Board

To maintain discipline amongst students of the college, a proctorial board comprising of the following faculty members is hereby constituted. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. R.L. Yadava (ECE)	Chief Proctor
Dr. Kakoli Dey (AS&H)	Proctor (Girls)
Dr. Rajendra Prasad (AS&H)	Dy. Proctor
Dr. Akhil Agnihotri (MBA)	Dy. Proctor
Mr. Mohd Shahajad (MCA)	Member
Dr. Md Sulaiman (ECE)	Member
Dr. Shahid Eqbal (ECE)	Member
Mr. Sandeep Kr Tripathi (EEE)	Member
Mr. Amit Manglik (GIMT)	Member
Ms. Niranjana Sahoo (CE)	Member
Dr. Smriti Tripathi (AS&H)	Member
Dr. Ramveer Singh (CSE)	Member
Mr. Neeraj Kumar (GCOP)	Member

## Institute Quality Assurance Cell (IQAC)

An Institute Quality Assurance Cell (IQAC) is constituted for the year 2022-23 to develop a mechanism for systematic reviews of study programs, and to ensure that quality teaching-learning, research, knowledge generation and support services standards are acceptable.

Name of the Member	Membership
Prof. Dr. Rishav Garg	Prof & HoD-CE, Dean Quality Assurance
Prof. Dr. Yash Veer Singh	Dy. Dean Quality Assurance
Mr. Amanpreet Singh Saini	Assistant Professor
Ms. Preeti Dhiman	Assistant Professor
Dr. Manohar Singh	Associate Professor
Dr. Kanhaiya Kumar	Assistant Professor
Dr. Neha Jain	Associate Professor
Dr. Niranjana Sahoo	Assistant Professor
Dr. Deepak Kumar	Professor
Ms. Monika Mahlawat	Assistant Professor
Ms. Nayla Sherwani	Assistant Professor
Ms. Avinash Kaushal	Assistant Professor
Ms. Neha Verma	Assistant Professor
Mr. Rajiv Kumar Nath	Assistant Professor

## Grievance Redressal Committee

To maintain the discipline by ensuring strife free atmosphere, a Grievance Redressal Committee has been constituted, as per below mentioned details. All members are requested to extend their full cooperation.

Name of the Member	Membership
Gp. Capt. (R) Dr. P K Chopra, VSM	Chairperson
Dr. Bipin Kumar Srivastava	Convener
Prof. Jaspreet Kour (ECE)	Member
Prof. Anoop Kumar (CE)	Member
Prof. Sanjaya Tripathi (MCA)	Member
Mr. Raunak Gupta (III-Yr, CSE)	Special Invitee
Mr. Raunak Gupta (II-Yr, CSD)	Special Invitee

## Mess Committee

To maintain smooth functioning of Mess, a committee has been formed. The details are mentioned hereunder. All members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. Rishav Garg	Professor & HoD CE
Mr. Suresh Yadav	Warden Boys Hostel
Ms. Namrata Singh	Warden Girls Hostel
Dr. Abhishek Saxena	Asst. Prof., GMT
Mr. Ashish N. Mishra	Asst. Admin Officer
Ms. Sakshi Kumar	Asst. Prof., GCOP

## Internal Complaint Committee/ Women Cell

As per All India Council for Technical Education notification F. No. AICTE/WH/2016/01 dated 10-06-2016 and F. No. 37-3/Legal/2012 dated 25-05-2012, GCET is committed to upholding a healthy environment that enables employees and students to study and work without fear of prejudice, gender bias and sexual harassment. A cell of following members will resolve the grievances of students, parents & others and will take all necessary and reasonable steps to assist the affected person in terms of support and preventive action. All members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. A. Ambikapathy	HoD EEE

Prof. Priya Srivastava	Professor, ASH
Mr. Vinod Kumar	Registrar
Ms. Dolly Thomas	Receptionist
Ms. Shatakshi Holker	Student 2nd Year, EEE
Ms. Nandini Mittal	Student 2nd Year, CSE
Ms. Vartika Singh	Student 2nd Year, ECE
Ms. Rohini Gaur	Student 4th Year, CSE
Mr. Shubham Srivastava	Student 4th Year, CSE
Dr. Mala Bhandari	Founder SADRAG
Mr. Albel Bhati	Advocate

## SC/ST Cell

As per the Scheduled Castes and the Scheduled Tribes (Prevention of Atrocities) Act 1989, No. 33 of 1989, dated 11-09-1989, the SC/ST Cell has been formed to monitor and endeavor to resolve issues/grievances relating to SC/ST students at institute level. The committee comprises of members as mentioned below. All members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. Mohd. Asim Qadri (Director)	Chairman
Mr. Ajeet Kumar Bhartee (CSE)	Convener
Mr. Anoop Kumar (CE)	Member
Mr. Annirudh Kumar (CSE)	Member
Mr. Vinod Kumar (Registrar)	Member
Mr. Albel Bhati (Advocate)	Member (External)

## Student Welfare Committee

To ensure the well-being of students and to help the students overcome all personal, social, and academic hindrances, a committee has been constituted. The committee comprises of following members as per below mentioned details. All members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. Bipin Kumar Srivastava	Assoc. Prof., ASH
Mr. Rajiv Kumar Nath	Asst. Prof., CS
Ms. Tanya Biswas	Asst. Prof., GCOP
Ms. Raunak Sulekh	Asst. Prof., IT
Mr. Gavendra Singh Jadaun	Asst. Prof., ECE
Ms. Diptimayee Dash	Asst. Prof., EEE
Mr. Anoop Kumar	Asst. Prof., CE

Ms. Rashmi R. Maheshwari	Asst. Prof., ME
Ms. Aarushi Singh	Asst. Prof., GIMT
Ms. Nayla Shirwani	Asst. Prof., MCA
Dr. Avinash Chopra	Asst. Prof., MBA

## Alumni Committee

To coordinate, organize alumni meet and to take feedback from passing out students regarding facilities on campus, a committee of following members has been formed. The details are mentioned hereunder. All members are requested to extend their full cooperation.

Name of the Member	Membership
Name of Member	Designation & Department
Dr.A. Ambikapathy	HoD- EEE
Dr. Meenu Kalra	Associate Professor, CE
Dr. Ramveer Singh	Professor, CSE
Mr. Vivek Agrawal	Assistant professor, IT
Dr. Akhileshwar Nirala	Assistant Professor, ME
Mr. Neeraj Kaushik	Assistant Professor, MCA
Dr. Amit Kumar Sharma	Associate Professor, EE

## Value Education Cell

With a view to facilitate students to have the understanding, commitment, competence and the practice of living with acceptable Human conduct and to participate in the development of a humane society, Value Education Cell, has been formed as per the details mentioned hereunder. All members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. Priya Srivastava (VE Cell)	Convener
Mr. Rajiv Kumar Nath -CSE	Member
Mr. Ajeet Kumar Bhartee -CSE	Member
Mr. Deepender Sinha -EC	Member
Dr. Vinay Gautam -AS&H	Member
Dr. Padam Singh Tomar -AS&H	Member
Dr. Dushyant Kumar-AS&H	Member
Dr. Pratap Kumar-AS&H	Member
Ms. Raunak Sulekh- IT	Member
Ms. Priyanka Chauhan-MBA	Member
Ms. Lipika Dutta-EE	Member

## Library Committee

A Library committee has been constituted which consists the members as per the details mentioned below. The function of the committee is to help the operations of the library so that it can facilitate the library development plans. The purpose of the library committee is to act as guidance for the holistic development of library and to establish a bridge between the library and the academic fraternity. All members are requested to extend their full cooperation

Name of the Member	Membership
Mr. Anuj Kumar Dwivedi,	Dean
Ms. Mamta Rajput (Library Section)	Librarian
Ms. Ranjana Kumari (ECE)	Member
Ms. Shikha Singh (CSE)	Member
Mr. Rahul Singh (IT)	Member
Mr. Dinesh Prasad (EE)	Member
Mr. Nagesh Kumar Srivastava (ME)	Member
Dr. Ram Naresh Mahto (Humanities)	Member
Ms. Diptimayee Dash (EEE)	Member
Mr. Sanjaya Tripathi (MCA)	Member
Dr. Mohd. Kashif (AS)	Member
Mr. Satyendra Pratap Singh (Library Section)	Member
Mr. Paras Tamar (Library Section)	Member
Mr. Onkar Nath Rajan (Library Section)	Member

## Exam Cell

To look after all the affairs/works related to conduct of internal, external and competitive examinations, a Cell has been formed. This Cell comprises of the following members. All members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. Jeetendra Kr. Yadav (ME)	COE
Mr. Atul Kumar (ECE)	Member
Dr. Manohar Singh (ME)	Member
Dr. Vinay Gautam (AS)	Member
Dr. Ravendra Singh (EEE)	Member
Dr. Amit Kumar Richhariya (ME)	Member
Mr. Manish Kumar Sharma (CSE)	Member

Mr. Rahul Singh (IT)	Member
Dr. Arun Kumar (CE)	Member
Dr. Brijesh Kumar Singh (MBA)	Member
Mr. Manoj Saini (EE)	Member
Mr. Neeraj Kaushik (MCA)	Member
Mr. Kuldeep Kulshrestha (Office In-charge)	Member

## Faculty Development Cell

To formulate schemes for faculty development including STC, Conference, Training etc, a cell of following members has been formed. All members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. Dr. Rishav Garg	Prof & HoD-CE,
Dean Quality Assurance	Member
Prof. Dr. Yash Veer Singh	Dy. Dean Quality Assurance
Mr. Amanpreet Singh Saini	Assistant Professor
Ms. Preeti Dhiman	Assistant Professor
Dr. Manohar Singh	Associate Professor
Dr. Neha Jain	Associate Professor
Dr. Niranjana Sahoo	Assistant Professor
Dr. Deepak Kumar	Professor
Ms. Monika Mahlawat	Assistant Professor
Ms. Nayla Sherwani	Assistant Professor
Ms. Avinash Kaushal	Assistant Professor
Ms. Neha Verma	Assistant Professor
Mr Rajiv Kumar Nath	Assistant Professor

## Community Development Committee

To plan, overview and monitor the social responsibility & community services including Blood Donation, camps in campus/nearby villages, a committee has been formed as per the details are mentioned hereunder. All members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. Kakoli Dey (HOD-Humanities)	Convener
Prof. Jaspreet Kour (ECE)	Member
Dr. Akhil Agnihotri (MBA)	Member
Dr. Dushyant Kumar (AS)	Member
Dr. Ravindra Kr Yadav (EEE)	Member

Dr. Pallavi Goel (CSE)	Member
Dr. Ashok Kumar Singh (ME)	Member
Ms. Archana Das (IT)	Member
Mr. Yogendra Sharma (CE)	Member
Mr. Dinesh Prasad (EE)	Member
Ms. Kanak Tripathi (MCA)	Member

## Counsellor / Counselling Cell

To sort out the problems of students, reach appropriate solutions, take responsible decisions, and enable students to become self-actualized individuals, a Cell has been formed. Following faculty shall be the student counsellor for the Session: 2019-20. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. Priya Srivastava (VE Cell)	Convener
Mr. Rajiv Kumar Nath -CSE	Member
Mr. Ajeet Kumar Bhartee -CSE	Member
Mr. Deepender Sinha -EC	Member
Dr. Vinay Gautam -AS&H	Member
Dr. Padam Singh Tomar -AS&H	Member
Dr. Dushyant Kumar-AS&H	Member
Dr. Pratap Kumar-AS&H	Member
Ms. Raunak Sulekh-IT	Member
Ms. Priyanka Chauhan-MBA	Member
Ms. Lipika Dutta-EE	Member

## Core Research Committee

With the motive of promoting research and related activities, a Core Research Committee has been constituted. The committee members are as per the details mentioned hereunder. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. Sachin Kumar	Professor, CSE
Dr. Sachin Kumar Gupta	Associate Prof., ECE
Dr. Kavita Sharma	Professor, CSE
Dr. Mohammad Amir Khan	Professor, CSE
Dr. R. L. Yadava	Professor, ECE
Dr. Bidyut Mahato	Assistant Prof., EEE
Dr. Pooja Dhiraj	Assistant Professor, IT
Dr. Ashok Kumar	Assistant Professor, ME
Dr. Rajeev Mishra	Associate Prof., ASH
Mr. Sandeep Kumar	Assistant Prof., MCA

Dr. Ravi Mittal	Associate Prof., GCOP
Dr. Mohammad Shahid	Professor, EE
Dr. Muskan Khan	Assistant Prof., MBA
Dr. Uzma Hasan	Assistant Prof., GIMT

## AKTU E-Resource Consortium Committee

A committee to look after all the works related to AKTU e-resource consortium has been constituted. The deputed members are mentioned hereunder. All the members are requested to extend their full cooperation and do all the needful in this respect with full efficiency.

Name of the Member	Membership
Prof. Navneet Kumar	Prof., CE
Mr. Amanpreet Singh Saini	Assoc. Prof., ECE
Dr. Mamta Rajput	Librarian

## MOOCs/ PARAKH Committee

To look after all the affairs/works related to Swayam, Online Courses, MOOCs, a committee has been constituted as per the details mentioned below. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. Kiran Srivastava (EEE)	Coordinator
Dr. Kuldeep Singh (ECE)	Member
Prof. Niranjan Sahoo (CE)	Member
Prof. Suresh Kumar (IT)	Member
Prof. Dinesh Prasad (EE)	Member
Prof. Shikha Singh (CS-AI)	Member
Prof. Ravindra Kumar (CS-DS)	Member
Prof. Rupali Khare (AI-ML)	Member
Prof. Chitrangda Chaubey (AI-DS)	Member
Prof. Muskan Khan (MBA)	Member
Prof. Mohd Shahajad (MCA)	Member
Prof. Sheela Singh (CSE)	Member

## IPR Cell

To work as an interface between faculty and the patent/copyright attorney, a Cell has been formed as per the details mentioned below. IPR cell shall guide and help the faculty and students of GCET in patentability assessment and to apply for patent/copyright applications. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. Sachin Kumar	Professor, CSE
Dr. Sachin Kumar Gupta	Associate Prof., ECE
Dr. Kavita Sharma	Professor, CSE
Dr. Mohammad Amir Khan	Professor, CSE
Dr. R. L. Yadava	Professor, ECE
Dr. Bidyut Mahato	Assistant Prof., EEE
Dr. Pooja Dehraj	Assistant Professor, IT
Dr. Ashok Kumar	Assistant Professor, ME
Dr. Rajeev Mishra	Associate Prof., ASH
Mr. Sandeep Kumar	Assistant Prof., MCA
Dr. Ravi Mittal	Associate Prof., GCOP
Dr. Mohammad Shahid	Professor, EE
Dr. Muskan Khan	Assistant Prof., MBA
Dr. Uzma Hasan	Assistant Prof., GIMT

## GCET - ERP (Academic) Coordinator

To look after all the affairs/works related to GCET- ERP, a committee has been constituted as per the details mentioned below. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Mr. Chandan Kumar	Dept. of EEE
Dr. Brijesh Kr. Singh	Dept. of MBA
Dr. Vinay Gautam	AS (for 1st Year)
Mr. Yogendra Sharma	Dept. of CE
Mr. Ajeet Kumar Bhartee	Dept. of CSE
Mr. Vivek Agarwal	Dept. of IT
Dr. Mohd. Sulaiman	Dept. of ECE
Mr. Sudhanshu Mittal	Dept. of EE
Ms. Kanak Tripathi	Dept. of MCA

## AKTU ERP & AMS

To look after all the affairs/works related to AKTU ERP and Attendance Monitoring System, a committee has been constituted as per the details mentioned below. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. Manohar Singh (ME)	Coordinator
Prof. Yogendra Sharma (CE)	Member
Prof. Ajeet Kumar Bhartee (CSE)	Member

Prof. Vivek Agrawal (IT)	Member
Dr. Mohd. Sulaiman (ECE)	Member
Prof Thakur Ankit Krishna Kr. (EE)	Member
Prof. Lipika Datta (EE)	Member
Prof. Chandan Kumar (EEE)	Member
Prof. Brijesh Kr. Singh (MBA)	Member
Prof. Sanjaya Tripathi (MCA)	Member
Prof. Vinay Gautam (ASH-for 1st Year)	Member

## National Service Scheme

An NSS Cell is being formed to develop competency required for group-living and sharing of responsibilities, gain skills in mobilizing community participation, acquired leadership qualities and democratic attitude, develop capacity to meet emergencies and natural disaster and practice national integration and social harmony.

Name of the Member	Membership
Dr. Bipin Kumar Srivastava	Convener
Mr. Rajiv Kumar Nath	Member
Ms. Tanya Biswas	Member
Ms. Raunak Sulekh	Member
Mr. Gavendra Singh Jadaun	Member
Ms. Diptimayee Dash	Member
Mr. Anoop Kumar	Member
Ms. Rashmi R. Maheshwari	Member
Ms. Aarushi Singh	Member
Ms. Nayla Shirwani	Member
Dr. Avinash Chopra	Member
Dr. Akash Malik	Member
Dr. Arun Kumar	Member
Mr. Atul Kumar	Member
Dr. Sanjay Mishra	Member
Mohd. Junaid Rizvi	Member
Mr. Yusuf Ahmed	Member
Mr. Bhupinder Lingwal	Member
Mr. Manu Anup	Member

## Institution-Industry Cell

To interact between institution and industry, bridge the gap between academia and Industry, enhance skills and to assist the students to get suitable placements at National and International level, a cell has been formed as per the details mentioned below:

Name of the Member	Membership
Dr. Narendra Kumar	Professor, CSE
Mr. Dhinakaran M	Assistant Professor, ECE
Dr. Youddha Beer Singh	Associate Professor, CSE
Mr. Kiran Kumar	Assistant Professor, IT
Dr. Ashok Kumar Singh	Associate Professor, ME
Mr. Raj Vikram Singh	Assistant Professor, CE
Dr. Brijesh Kumar Singh	Professor, MBA
Dr. Neeraj Pathak	Assistant Professor, MCA
Dr. Bidyut Mahato	Assistant Professor, EEE
Mr. Ravindra Kumar	Assistant Professor, CSE
Dr. Shilpee Patil	Assistant Professor, ECE

## Prohibition Cell

To sensitize the hazards of substance use and take measures to eradicate the use of such substance in campus and outside the college premise, a committee has been constituted as per the details mentioned below. This Cell shall also cater to E-waste, Plastic-Free Campus, Waste Management and disposal as well.

Name of the Member
Prof. Mohd. Asim Qadri (Director), President
Prof. Ansar Anjum (Dean-Student Welfare) Nodal Officer
Prof. A. Ambikapathy (HOD-EEE) Faculty Vicar

Waste Management and Disposal
Dr. Bipin Kumar Srivastava (Dean-Student Welfare)

No Plastic
Prof. Mohammad Shahid (EE) Faculty Vicar

E-waste
Prof. Rajiv Kumar Nath (CSE)
Prof. Mohd. Kashif (AS)

Drugs/Substance Use
Mr. Amitabh Yadav (District Prohibition Officer, Prohibition Cell, Govt. of UP)

## COURSES OFFERED

Course Name	Branch Name	Duration	Approved Intake
B.Tech	Artificial Intelligence and Data Science	4 Years	60
B.Tech	Artificial Intelligence and Machine Learning	4 Years	60
B.Tech	Civil Engineering	4 Years	60
B.Tech	Computer Science and Design	4 Years	60
B.Tech	Computer Science and Engineering	4 Years	180
B.Tech	Computer Science and Engineering (Hindi)	4 Years	60
B.Tech	Computer Science and Engineering (Artificial Intelligence)	4 Years	180
B.Tech	Computer Science and Engineering (Artificial Intelligence And Machine Learning)	4 Years	120
B.Tech	Computer Science and Engineering (Data Science)	4 Years	120
B.Tech	Electrical & Electronics Engineering	4 Years	60
B.Tech	Electrical Engineering	4 Years	60
B.Tech	Electronics and Communication Engineering	4 Years	180
B.Tech	Electronics and Communication(Advanced Communication Technology)	4 Years	60
B.Tech	Electronics Engineering (VLSI Design and Technology)	4 Years	60
B.Tech	Information Technology	4 Years	120
B.Tech	Mechanical Engineering	4 Years	60
M.Tech	Electronics and Communication (VLSI Design)	2 Years	18
MBA	MBA	2 Years	180
MBA	MBA (Logistics and Supply Chain Management)	2 Years	60
MCA	MCA	2 Years	180

# COMPUTER SCIENCE AND ENGINEERING

## **B.Tech** Computer Science and Engineering

**Program Overview :** The department of Computer Science and Engineering provides world-class research and education in modern computer science. The department has a cohesive team of well experienced faculty members having wide experience in recent technologies like Cloud computing, Grid Computing, High Performance Computing, Multimedia etc. It has different computer labs like Data Structure lab, Operating System lab, Multimedia lab, Web Technology lab, Research & Development lab. It also promotes active industry-institute collaboration by identifying areas of interest.

Some of the major research areas which the faculty members and students working on are Computer Networks, Database Systems, Multimedia, Image Processing, Software Engineering, Computer Architecture, Information System – Security and Data Mining.

The department excels in varied focus areas ranging from curriculum as prescribed by AKTU to emerging courses. An extracurricular calendar of events and competitions give students ample opportunities to work together while gaining real-world experience that prepare them for their future careers. The department has extensive student engagement framework through regular interactions, annual educational tours, regular feedback mechanism, professional chapters and societies. The focus of the department is on state-of-the-art projects to be done by our B.Tech students, excellent teaching learning process, better alumni relations, good industry linked program and outcome based education.

Galgotias Computer Science graduates are recruited by industry-leading companies by providing InfyTQ certifications, HackwithInfy, Wipro Talent Next, Wipro Future Skills, and Digital Nurture Program from Cognizant. These MoUs help students by affording excellent placement opportunities with a scintillating salary package, where they work to develop the hard and soft technologies we use every day – the innovations that will make this world a better place for future generations.

This department focuses on developing and enhancing students' analytical, design, problem-solving, research, communication skills, and teamwork skills necessary for extended career growth. It also instill in the students broad perspectives, the right mindset, ethical values, and talents to help them achieve their goals and continue striving to become responsible citizens in the future.

Duration	Eligibility	Annual Fee
4 Years	B.Tech : 10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## **B.Tech** Computer Science and Engineering (Data Science)

**Program Overview :** B. Tech CSE in Data Science under the Department of Computer Science and Engineering in GCET offers a vital interdisciplinary combination mainly of computer science, mathematics, and business analytics that traces the major areas of the contemporary fields around the world. Every day, 2.5 quintillion bytes of data are generated due to the increase in usage of social media platform, demand for data science is growing drastically. This program integrates data science into core computer science. It aims to enable students to excel in specific areas of data science, equipping them with the engineering and scientific principles essential to finding solutions to life's problems in data science. It is intended to allow the use of mathematical models that have Students are introduced to the intuitive analysis of data and develop marketable skills that build on the solid foundation of data science. B.Tech CSE, specializing in data science, was launched in 2020. It includes major methods consisting of knowledge extraction to analyze the insights of huge sized data. It incorporates statistics, machine learning, business analytics, visualization, scientific computing, Big data, and data analytics. The B.Tech in Data Science has been started with the intention of delivering the top-class analytics education under the curriculum of AKTU. Some of the major research areas in which our faculty members are engaged include Machine Learning, Big Data, Data Mining, Business Intelligence and Analytics. It supports industry collaboration

through planned retreats. The focus of the program is to create industry ready data science professionals who can handle the complex real world problems effectively and efficiently. The faculty members encourage and facilitate students to do the real-world projects by providing excellent teaching and learning environment, best industry and academia interfaces, and outcome-based education for delivery of knowledge and information to the students. The B. Tech in Data Science under the Department of Computer Science and Engineering in GCET is equipped with well managed data science laboratory for conducting experiments and hands-on training in the field of data science.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## **B.Tech** Computer Science and Engineering (Artificial Intelligence)

**Program Overview :** The B.Tech CSE in Artificial Intelligence in GCET offers a world class academic environment for learning AI. The AI is a vital part of many stimulating consumer and business tools such as semantic search, speech recognition recommendation systems, 3D sensing in consumer gaming and machine translation. The B. Tech in AI brings all of these verticals together and offers a structure for industry to engaging students and faculty efficiently and effectively. The offered program signifies a new era of close involvement with major companies under the curriculum of AKTU. It supports industry collaboration through planned retreats. Some of the major research areas in which our faculty members are engaged include Machine Learning, Deep Learning, Natural Language Processing, Computer Vision, Robotics, Genomics and Healthcare, IoT and Autonomous Vehicles. The focus of the program is to encourage and facilitate students with the real-world projects to be done by them, to provide excellent teaching and learning environment, best industry and academia interfaces and outcome based education for delivery of knowledge and information to the students. The B. Tech in Artificial Intelligence under the Department of Computer Science and Engineering in GCET is equipped with well managed Artificial Intelligence laboratory for conducting experiments and hands-on training in the stream of Artificial Intelligence.

Duration	Eligibility	Annual Fee
4 Years	B.Tech : 10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## **B.Tech** Computer Science & Engg. (Artificial Intelligence and Machine Learning)

**Program Overview :** The B.Tech Computer Science and Engineering in Artificial Intelligence and Machine Learning under the Department of Computer Science and Engineering in GCET offers a world class academic and integrated environment for learning Artificial Intelligence and Machine learning. The AI is a vital part of many stimulating consumer and business tools such as semantic search, speech recognition recommendation systems, 3D sensing in consumer gaming and machine translation. Machine learning is the science of getting computers to act without being explicitly programmed. In the past decade, machine learning has given us self-driving cars, practical speech recognition, effective web search, and a vastly improved understanding of the human genome. Machine learning is so pervasive today that you probably use it dozens of times a day without knowing it. The B. Tech., CSE in AI & ML brings all of these verticals together and offers a structure for industry to engaging students and faculty efficiently and effectively. The offered program signifies a new era of close involvement with major companies under the curriculum of AKTU. It supports industry collaboration through planned retreats. Some of the major research areas in which our faculty members are engaged include Machine Learning, Deep Learning, Natural Language Processing, Computer Vision, Robotics, Genomics and Healthcare, IoT and Autonomous Vehicles. The focus of the program is to encourage and facilitate students with the real-world projects based on the AI and ML concepts to be implemented by them, by providing excellent teaching and learning environment,

best industry and academia interfaces and outcome based education for delivery of knowledge and information to the students. The B. Tech., CSE in Artificial Intelligence and Machine Learning in GCET is equipped with well managed Artificial Intelligence and Machine Learning laboratory for conducting experiments and hands-on training in the stream of Artificial Intelligence.

Duration	Eligibility	Annual Fee
4 Years	B.Tech : 10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## **B.Tech** Artificial Intelligence and Machine Learning (AI-ML)

**Program Overview :** The B. Tech in Artificial Intelligence and Machine Learning under the Department of Computer Science and Engineering in GCET offers a world class academic and integrated environment for learning Artificial Intelligence and Machine learning. The AI is a vital part of many stimulating consumer and business tools such as semantic search, speech recognition recommendation systems, 3D sensing in consumer gaming and machine translation. Machine learning is the science of getting computers to act without being explicitly programmed. In the past decade, machine learning has given us self-driving cars, practical speech recognition, effective web search, and a vastly improved understanding of the human genome. Machine learning is so pervasive today that you probably use it dozens of times a day without knowing it. The B. Tech. in AI & ML brings all of these verticals together and offers a structure for industry to engaging students and faculty efficiently and effectively. The offered program signifies a new era of close involvement with major companies under the curriculum of AKTU. It supports industry collaboration through planned retreats. Some of the major research areas in which our faculty members are engaged include Machine Learning, Deep Learning, Natural Language Processing, Computer Vision, Robotics, Genomics and Healthcare, IoT and Autonomous Vehicles. The focus of the program is to encourage and facilitate students with the real-world projects based on the AI and ML concepts to be implemented by them, by providing excellent teaching and learning environment, best industry and academia interfaces and outcome based education for delivery of knowledge and information to the students. The B. Tech. in Artificial Intelligence and Machine Learning in GCET is equipped with well managed Artificial Intelligence and Machine Learning laboratory for conducting experiments and hands-on training in the stream of Artificial Intelligence.

Duration	Eligibility	Annual Fee
4 Years	B.Tech : 10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## **B.Tech** Artificial Intelligence and Data Science

**Program Overview :** The B.Tech in Artificial Intelligence and Data Science under the Department of Computer Science and Engineering in GCET offers a world class academic environment for learning AI. Artificial intelligence and data science is a new field of research that addresses scientific methods, processes, and technologies in a variety of disciplines such as statistics, cognitive science, computer science, and information science, and extracts knowledge from structured and unstructured data. This knowledge is applied to make various intelligent decisions in business applications. Artificial intelligence and data science focus on data collection, classification, strategy, analysis, and interpretation. This is a specialized department dedicated to the development of data-driven solutions, data visualization tools, and big data analysis technologies. It also includes the concepts of machine learning and the construction of deep learning models to solve various computational and real-world problems. The B. Tech in AI & DS brings all of these verticals together and offers a structure for industry to engaging students and faculty efficiently and effectively. The offered program signifies a new era of close involvement with major companies under the curriculum of AKTU. It supports industry collaboration through planned retreats. This course helps to explore concepts such as AI, Data analytics, Data visualization, Machine

Learning, Deep Learning, semantic web and social network analytics, Block chain Technologies, and Data Security and Privacy. The focus of the program is to persuade and assist students to produce innovative solutions for real-world projects by providing excellent teaching and learning environment, best industry and academia interfaces and outcome based education for delivery of knowledge and information to the students. The B. Tech in Artificial Intelligence and Data Science under the Department of Computer Science and Engineering in GCET is quipped with well managed Artificial Intelligence and Machine Learning laboratory for conducting experiments and hands-on training in the stream of Artificial Intelligence.

Duration	Eligibility	Annual Fee
4 Years	B.Tech : 10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## **B.Tech** Computer Science and Design

**Program Overview :** The B. Tech in Computer Science and Design under the Department of Computer Science and Engineering in GCET offers a vital interdisciplinary combination to design and implement efficient software solutions using suitable algorithms, data structures, and other computing techniques of the contemporary fields around the world. The B.Tech. in Computer Science and Design aims to develop graduates that are not only well versed with computing approaches, tools, and technologies, but are also experienced with Design approaches and new Media technologies and uses. The program has a set of core courses in Computer Science and Design, and many electives which can be taken from CS as well as Design and Digital Media. This enables the students to build a program most suitable for them. The program will prepare students to work in the IT industry as well as digital media industry like gaming, animation, virtual/augmented reality, etc. The program also enables students seeking higher research to pursue higher research in computer science / computer science or design. This course provides a knowledge in the field of Computer graphics, Data visualization, Image processing, Spatial computing, Mobile computing, Information retrieval, Computer vision, Machine learning, GPU Computing, Multimedia technologies (including authoring tools), Software engineering etc. The offered program signifies a new era of close involvement with major companies under the curriculum of AKTU. It supports industry collaboration through planned retreats. The focus of the program is to create industry ready system design professionals who can handle the complex real world problems effectively and efficiently. The faculty members of the department encourage and facilitate students to do the real-world projects, provide excellent teaching and learning environment, best industry and academia interfaces, and outcome-based education for delivery of knowledge and information to the students. The B. Tech in Computer Science and Design under the Department of Computer Science and Engineering in GCET is equipped with well managed design and multimedia laboratory with all design oriented tools for conducting experiments and hands-on training in the field of Computer Science and Design.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## **ELECTRICAL & ELECTRONICS ENGINEERING**

### **B.Tech** Electrical & Electronics Engineering

**Program Overview :** The department of Electrical and Electronics engineering has well established laboratories with modern infrastructure containing different types of equipment's in excellent working condition. The department has well qualified and dedicated faculties from IIT's, and NIT's. The students of the department are regularly exposed to the latest trends in the field of electrical and electronics engineering through regular industrial

visits, guest lectures and workshops, seminar, conference etc. The department is headed by Dr. A. Ambikapathy who got B. E. Degree in Electrical Engineering from MMMEC, Gorakhpur, M. Tech. in Power Systems Engineering from IIT, Delhi and Ph.D. from JMI Central University. He has been involved in teaching of various subjects of Electrical Engineering since last 15 years in the prestigious institutions of UP. He has authored 2 book and more than 45 papers in the different National & International Journals and Conferences. He has delivered several expert lectures on power systems and technical education in different institutions of National & International repute. He has supervised more than 25 B. Tech. Projects, 2 M. Tech. projects and supervising 8 Ph.Ds. He recently successfully organized 1stUPCON-ICEEEE2015 and organising, ISSE2015. He has organized several national & international events sponsored by AICTE, DST, MNRE, IEEE and other funding agencies/sponsors. His major field of interest includes Re-structuring, Deregulation, Power System Pricing, Power System Stability and Smart Grid. He is senior member of IEEE and PES (Power and Energy Society), SGS (Smart Grid Society) and IEEE Education Society (ES), Life member ISTE and IE (India) and Secretary PES Chapter IEEE UP Section.

The department is strengthened by well experienced and highly qualified teaching faculty. The department is established with all resources to conduct laboratories (Electrical Machines, Power System, Network Analysis & Synthesis, Electrical Measurements, Control Systems, Power Electronics, etc.). During the past years of the students of EEE have performed well in their academics by securing good pass percentage and got the selection in PSU's and IES. The students are placed in Top MNCs like Wipro, IBM, TCS, Infosys, Microsoft, Oracle, HSBC, HCL, Syntel etc. The department encourages students and staff to present and publish the papers, research articles in reputed international / national conferences and journals. Apart from this the students of EEE are actively participating and achieving remarkable appreciations & prizes in co-curricular activities like paper presentations, project expos, national level symposiums, internship programs, sports and other cultural activities in various engineering colleges.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## **B.Tech** Electronics Engineering (VLSI Design and Technology)

**Program Overview :** Welcome to the program in Electronics Engineering with a specialization in VLSI (Very Large Scale Integration). The program offers a comprehensive curriculum that combines theoretical knowledge with practical skills in the field of VLSI design. The institute offers B.Tech as well as M.Tech programs in VLSI Design and Technology.

As technology continues to evolve, VLSI plays a crucial role in designing complex integrated

circuits and electronic systems. During the program students will gain a deep understanding of VLSI concepts, including digital and analog circuit design, semiconductor devices, computer-aided design (CAD) tools, and system-on-chip (SoC) integration.

Our experienced faculty members guide students through hands-on laboratory sessions and industry-oriented projects. The program also includes workshops, seminars, and industry interactions to provide students with real-world exposure and the latest industry trends.

Upon graduation, our students will be equipped to pursue diverse career opportunities in VLSI design, semiconductor manufacturing, research and development, and related fields. Our program fosters creativity, innovation, and problem-solving skills, enabling students to contribute to the advancement of VLSI technology.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## **M.Tech** Electronics Engineering (VLSI Design and Technology)

**Program Overview :** Welcome to the program in Electronics Engineering with a specialization in VLSI (Very Large Scale Integration). The program offers a comprehensive curriculum that combines theoretical knowledge with practical skills in the field of VLSI design. The institute offers B.Tech as well as M.Tech programs in VLSI Design and Technology.

As technology continues to evolve, VLSI plays a crucial role in designing complex integrated

circuits and electronic systems. During the program students will gain a deep understanding of VLSI concepts, including digital and analog circuit design, semiconductor devices, computer-aided design (CAD) tools, and system-on-chip (SoC) integration.

Our experienced faculty members guide students through hands-on laboratory sessions and industry-oriented projects. The program also includes workshops, seminars, and industry interactions to provide students with real-world exposure and the latest industry trends.

Upon graduation, our students will be equipped to pursue diverse career opportunities in VLSI design, semiconductor manufacturing, research and development, and related fields. Our program fosters creativity, innovation, and problem-solving skills, enabling students to contribute to the advancement of VLSI technology.

Duration	Eligibility	Annual Fee
2 Years	Passed B.E/B.Tech in the relevant field. Obtained at least 50% marks (45% marks for SC/ST) in the qualifying examination. Order of preference for admission: GATE Merit ( <a href="https://gate.iitk.ac.in/">https://gate.iitk.ac.in/</a> ) CUET (PG) Merit ( <a href="https://cuet.nta.nic.in/">https://cuet.nta.nic.in/</a> ) On the basis of Institute Exam/Merit in the qualifying Examination	Rs. 1,15,603/-

## **ELECTRICAL ENGINEERING**

### **B.Tech** Electrical Engineering (EE)

**Program Overview :** The Electrical Engineering (EE) is one of the core branches of Galgotias College of Engineering & Technology, which has an excellent infrastructure to promote congenial academic environment to impart quality education. The department of Electrical Engineering has well equipped laboratories and a team of well qualified and dedicated faculty members and technical staff. Currently, the department has an annual intake of 60 students in the B.Tech programmes in Electrical Engineering with 5% Lateral Entry Scheme.

The objective of Electrical Engineering department is to equip the students with technical skills in the field of Electrical Engineering which is concerned with Generation, Transmission, Distribution, Utilization and Control of Electrical Energy. The department is fully committed to provide theoretical and practical knowledge to the students of electrical engineering as per modern industries requirement. The department conducts workshops and guest lectures from reputed industries to enhance practical knowledge of the students. Also, every year the department organizes an industrial tour to give industrial exposure to the students of electrical engineering.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

# ELECTRONICS & COMMUNICATION ENGINEERING

## **B.Tech** Electronics and Communication Engineering

**Program Overview :** Electronics and Communication Engineering is headed by Dr. Lakshmanan. M and has 36 faculty members who have received their higher education from top-notch universities. The faculty members of this department are consistently doing well in teaching and research. The department offers B.Tech (Electronics and Communication Engineering) with 180 intake.

Presently, the B.Tech ECE program has been accredited by the National Board of Accreditation.

The B.Tech program attracts the brightest students in the state every year. The placement record of the department has always been impressive. Almost 100% of the students get jobs from the campus placement and many of them are getting it in core companies every year. We encourage the students to do design and research-based projects during their B.Tech degrees.

The department has state-of-the-art laboratories in almost all the areas of Electronics and Communication that has the latest simulation tools to cater to various specializations and are equipped with facilities for measurement, characterization, and synthesis of experimental as well as theoretical results. The department has organized several guest lectures, short-term training programmes, workshops, seminars, symposiums, and conferences in the field of Electronics and Communication. The department is actively involved in R&D activities and regularly publishes its research in reputed Journals and Conferences. The research areas include Wireless Communication and Networks, Microwave Engineering, Antenna design, VLSI Design, Signal and Image Processing, Communication Engineering, and Embedded Systems.

The Department consist of well-equipped labs including:

- Basic Electronics Lab
- Analog Electronics Lab
- Digital Electronics Lab
- Communication Lab
- Microprocessor and Microcontroller Lab
- Microwave and Optical Communication Lab
- Electronic Simulation Lab
- Signal Processing Lab
- Electronics Lab
- Project and Research Lab

The Department holds MoU's with distinguished Organizations and Industries, mentioning a few include Huawei - ICT Academy, 3ST Technologies Pvt. Ltd., Noida, Maven Silicon, Bengaluru, Department of Electronics - Pattern Recognition and Machine Intelligence Group, Shantou University, China. It prides in having students placed in reputed companies with smart package and also focuses on developing and escalating the skill of analysis, designing and problem solving, amongst students required to extend their career growth.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## **B.Tech** Electronics and Communication (Advanced Communication Technology)

**Program Overview :** The program in Electronics and Communication, specializing in Advanced Communication Technology is meticulously designed to provide students with a profound understanding of the technical intricacies and advancements in the field of communication engineering. The institute offers B.Tech as well as M.Tech programs in Advanced Communication Technology. Through a comprehensive curriculum, students will explore the advanced concepts in wireless communication systems, digital signal processing, data communication networks, optical communication, satellite communication and advanced modulation techniques. They can achieve hands-on experiences in designing and implementing cutting-edge communication systems through practical projects, extensive laboratory sessions, and industry-driven internships.

Our distinguished faculty members, renowned for their expertise in the field, provide expert guidance and mentorship to students. The program emphasizes research and innovation, encouraging students to explore emerging technologies such as 5G, Internet of Things (IoT), and advanced networking protocols.

To enhance industry exposure, we foster collaborations with leading companies and organize guest lectures, workshops, and industrial visits. This allows students to gain real-world insights and stay updated with the latest trends in Advanced Communication Technology. Upon graduation, our students are equipped with the skills and knowledge to excel in careers related to wireless communication, network engineering, telecommunications, and advanced signal processing. They become well-prepared to contribute to the development of innovative communication systems and pave the way for future advancements.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## **M.Tech** Electronics and Communication (Advanced Communication Technology)

**Program Overview :** The program in Electronics and Communication, specializing in Advanced Communication Technology is meticulously designed to provide students with a profound understanding of the technical intricacies and advancements in the field of communication engineering. The institute offers B.Tech as well as M.Tech programs in Advanced Communication Technology. Through a comprehensive curriculum, students will explore the advanced concepts in wireless communication systems, digital signal processing, data communication networks, optical communication, satellite communication and advanced modulation techniques. They can achieve hands-on experiences in designing and implementing cutting-edge communication systems through practical projects, extensive laboratory sessions, and industry-driven internships.

Our distinguished faculty members, renowned for their expertise in the field, provide expert guidance and mentorship to students. The program emphasizes research and innovation, encouraging students to explore emerging technologies such as 5G, Internet of Things (IoT), and advanced networking protocols.

To enhance industry exposure, we foster collaborations with leading companies and organize guest lectures, workshops, and industrial visits. This allows students to gain real-world insights and stay updated with the latest trends in Advanced Communication Technology. Upon graduation, our students are equipped with the skills and knowledge to excel in careers related to wireless communication, network engineering, telecommunications, and advanced signal processing. They become well-prepared to contribute to the development of innovative communication systems and pave the way for future advancements.

Duration	Eligibility	Annual Fee
2 Years	Passed B.E/B.Tech in the relevant field. Obtained at least 50% marks (45% marks for SC/ST) in the qualifying examination. Order of preference for admission: GATE Merit ( <a href="https://gate.iitk.ac.in/">https://gate.iitk.ac.in/</a> ) CUET (PG) Merit ( <a href="https://cuet.nta.nic.in/">https://cuet.nta.nic.in/</a> ) On the basis of Institute Exam/Merit in the qualifying Examination	Rs. 1,15,603/-

## INFORMATION TECHNOLOGY

### **B.Tech** Information Technology

**Program Overview :** The department of Information Technology offers engineering programme at the undergraduate as well as at the post graduate levels. The course is designed to provide comprehensive knowledge of information technology with emphasis on applications together with a judicious blend of technical skills. The department emphasis the use of learning tools for the acquisition of knowledge and skills. Role-play, case study,

project work, practical exposure, assignments, quiz, seminars, industry visits are some of the methods used for teaching learning process. The curriculum provides not only technical knowledge but also the exposure to recent technologies. To impart good quality engineering education, the department focuses on development of practical and application oriented minds. It is our attempt to make students learn by doing rather than by simply learning of topics and subjects. Currently, the department has an annual intake of 120 students in the B.Tech programmes in Information Technology with 5% Lateral Entry Scheme.

The vibrant faculty members of the department possess demonstrated expertise in many areas of information technology and flair for teaching different courses. The department consists of a medley of faculty members with industrial and academic experience. The department has qualified and experienced faculty in the areas of Artificial Intelligence, Computer Networks, Data Mining, Database Systems, Neural Networks, Web Technology, Wireless and Sensor Networks, and Operating System. There are fully equipped laboratories in department such as: Computer Programming Lab, DBMS Lab, Software Engineering Lab, Networking Lab, Project Lab, R & D Lab. Research in the department focuses on creating and evaluating innovative learning that is inspired by technical progress. The key areas of research of the faculty members include semantic web, data mining, software reliability, wireless sensor networks, network security, big data analytics and cloud computing. The department has organized various national and international conferences.

Our graduates have distinguished themselves in higher studies at the top Universities. They also occupy positions of eminence in the computer industry. Our Alumni remain in constant touch with us and are contributing in the development of the department. Placements for our graduates are the best in the Institute.

The department with the passage of its evolution and growth has succeeded in creating its place of excellence within the Institute as well as among its counterparts in the country. It has been attracting bright students from all parts of the country for quality education in Information Technology. The department of Information Technology is committed to nurture professional manpower, competent and responsive to the challenges of a dynamic and vibrant society.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## MECHANICAL ENGINEERING

### B.Tech Mechanical Engineering

**Program Overview :** The Department of Mechanical Engineering, established in the year 2001, with a vision to carve a distinct niche for itself in the field of mechanical engineering education in India, offers a 4- year B.Tech. program in Mechanical Engineering. The department has, over the years, built and maintained a high level of intellectual capital. It has to its credit a strong team of 35 highly qualified and richly experienced faculty members, 20 out of whom are either PhDs or pursuing it from institutions of high repute. The seasoned faculty is deeply committed to train and develop students into future ready professionals competent enough to take on the challenges of the professional world as they embark on chosen careers paths. Currently, the department has an annual intake of 180 students in the B.Tech programmes in Mechanical Engineering with 5% Lateral Entry Scheme.

A number of students have achieved several milestones like securing All India Rank-1 in ESE – 2015 and 20 in ESE-2014, All India rank of 8, 36 and 55 in GATE-2015 and All India rank 16, 25, 51 in CSIR 2015 besides securing top ranks in university merit list. The alumni are leading successful professional lives working with top notch public and private companies like NTPC, IOCL, ONGC, SAIL, EIL, NALCO, BARC, Indian Railways, L&T, Mahindra & Mahindra, Samsung, LG, EBZ Ltd etc.

The department organizes a number of training/faculty development programs for the faculty, technical staff and students on periodical basis with a view help them refresh their skills. The various technical and cultural societies functional at the department level provide the students with the ample opportunities to explore and

demonstrate the hidden talent that might be lying in subconscious state. The student members have in the recent times participated and won prizes in technical events organized by professional societies like ASME and SAE at various levels.

All the laboratories in the department are well-equipped to make possible conduction of specifically designed experiments in addition to the ones prescribed in the university syllabus. Department has high-tech equipments like Pin-on-disc wear testing machine, Surface Profilometer, TIG and MIG welding machines, CNC milling and CNC lathe trainers, among others to cater to the needs of researchers & students.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## CIVIL ENGINEERING

### B.Tech Civil Engineering

**Program Overview :** Civil Engineering is one of the oldest fields of engineering that deals with the planning, construction, and maintenance of fixed structures, or public works, which are related to earth, water, or civilization and their processes of development. Majority of projects like power plants, bridges, roads, railways, structures, water supply, irrigation, the natural environment, sewer, flood control, transportation and traffic are dealt by Civil Engineering. Currently, the department has an annual intake of 120 students in the B.Tech programmes in Civil Engineering with 5% Lateral Entry Scheme.

Galgotias Civil Engineering Department is involved in education and research programs covering a spectrum of activities in Civil Engineering.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

## APPLIED SCIENCES

### Applied Sciences

The Department of Applied Sciences is a harbor between fundamental Science and Engineering that combines the knowledge of pure science with engineering practices. The department has been established to inculcate and promote an inquisitive thinking towards science and its applicability in various interdisciplinary subjects amongst young minds of today and tomorrow.

The devoted faculty members are core strength of the department providing value education to the students through improved method of teaching. Department imparts excellent quality education in the area of Mathematics, Physics and Chemistry. The department has well equipped laboratories with sufficient instruments to provide practical training to the students in the field of Physics and Chemistry. All academic programs emphasize the integration of theoretical knowledge with practical applications.

Most of the faculty members of the department are doctorate from reputed institutions. The department provides a lively and active research environment which has contributed large number of research articles in national and international journals.

## HUMANITIES

### Humanities

'Humanities' is a mirror to human experiences, their meanings and observations. It appreciates the complexities and the diversities of the world around us. As a discipline, it studies how people process and document the human experience and undergo constant cultural evaluation of human goals. It is impossible to make engineering work sustainable and over a long-term basis in the real world without an understanding of the social context and without involving the people for whom it is designed. Humanities and Social Science teach us to criticize and synthesize sciences and should be able to disseminate facts and refrain from assumption.

Ideas and knowledge are deeply ingrained in the society, thus the department of Humanities tries to investigate and provide a distinctive qualitative understanding of culture and human experiences. Faculty becomes a big support for the students and thus it acts as a facilitator in encouraging the students to develop high analytical skills, aptitude and reasoning skills. Students are trained in this department keeping abreast with the latest trend in technology with the objective of long term goals. Conducive environment of this department gives an edge to the students not only to become innovators in their respective field but also infuse in them to be an independent individual.

The department of Humanities offers subjects like Professional Communication, Industrial Sociology, Industrial Psychology, Human Values and Professional Ethics catering to all the branches of Engineering.

## MANAGEMENT STUDIES

### MBA Management Studies

**Program Overview :** The department is committed for the overall development of the students and achieving it through the experienced departmental family. We are bringing values among the students that make them good human being and having differentiation in terms of capabilities and knowledge to compete the competitive world. The department is equipped with highly qualified faculty having both industry and academic experience. Currently, the department has an annual intake of 60 students in the MBA Programme in Management Studies.

The department organizes various conferences/seminars/workshops and guest lecturers in different areas time to time. This activity providing the platform for the students and the industry professionals to express their views and share their experience. It becomes an interface which has the capacity to fascinate and inspire the student to move towards a particular path and acquire a specific knowledge. Students are being exposed to the professionals of different industries who have vast experience in specific field. Second year students of different specialization are getting the opportunity to know the new terminology and nuance of professional fields.

Management department organizes at least two industrial trips and one excursion program which will give the opportunity to our students to observe the production and process flow of a reputed company. With this program students will be able to relate the theories with the practical world of the industry. Providing modern-day education and training for meeting the challenges of the growing world scenario and varying environment in Business Administration with state of art infrastructure.

MBA is a two year program with specialization as major and minor, out of following:

- Finance
- Human Resource
- International Business
- Marketing
- Information Technology
- Operations

Duration	Eligibility	Annual Fee
2 Years	Bachelor's Degree from recognized university with minimum 50% marks or UPSEE / CAT / MAT qualified.	Rs. 1,15,603/-

# COMPUTER APPLICATIONS

## MCA Computer Applications

**Program Overview :** The department of Computer Applications was established in the year 2003. The department has highly qualified, committed and research oriented faculty members who share the mission and vision of the institution in imparting high quality education to the students. To enhance the technical skills and awareness, students are also motivated and inspired to participate in seminars and technical festivals etc. The Doctoral programme are centered on Software Engineering, Mobile Computing, Computer Networking and Tele-Communications. Currently, the department has an annual intake of 60 students in the MCA Programme in Computer Applications.

To keep itself abreast with latest developments in Computer Applications, the department makes extensive efforts to develop partnerships with industry. The department enjoys the privilege of having spacious and well-equipped laboratories that provide students, the industrial environment much needed for real life training. The department offers various seminars, workshops, symposia and entrepreneurship development programme for the students to enable them keep pace with the rapid changes in the field of Computer Applications

Apart from syllabus coverage department is committed to provide multiple activities to make the students versatile. To develop interactive learning process students are given ample opportunities to take part in seminars, workshops, conferences and debates etc.

Prof. Gagan Tiwari is currently serving as Head in the Dept. of Computer Applications; he has served in reputed technical institutes of U.P. Technical University, Lucknow since 2001.

The department organized good numbers of national conferences, workshops, guest lectures, students and faculty development program successfully in last ten years. Some of the renowned personalities who graced these occasion with their benign presence are Prof. S. K. Kak, Honorable V.C. – MTU, Noida, Prof., Prof. K. Subramanian, Former IT Adviser to CAG of India, and Founder Director & Professor, Advanced Center for Informatics & Innovative Learning, IGNOU, Dr. B Athiyaman, Scientist-F & Head ,Super Computers Sec., Computer & Networking Division, DST (GOI) alongwith other dignitaries and shared their valuable knowledge and experiences during these events.

Duration	Eligibility	Annual Fee
2 Years	Bachelor's Degree of minimum 3 years duration from a recognized university in any discipline with minimum 50% marks. (Mathematics at 10+2 School level or Graduation level is compulsory) or UPSEE qualified. The admissions under management seats/ direct admission for B.Tech., MBA & MCA will be based on directions given by UPSEE.	Rs. 1,15,603/-

## PROGRAMS & FEES

Course Name	Branch Name	Fee Amount*
B.Tech	Artificial Intelligence and Data Science	Rs. 1,15,603
B.Tech	Artificial Intelligence and Machine Learning	Rs. 1,15,603
B.Tech	Civil Engineering	Rs. 1,15,603
B.Tech	Computer Science and Design	Rs. 1,15,603
B.Tech	Computer Science and Engineering	Rs. 1,15,603
B.Tech	Computer Science and Engineering (Hindi)	Rs. 1,15,603
B.Tech	Computer Science and Engineering (Artificial Intelligence)	Rs. 1,15,603
B.Tech	Computer Science and Engineering (Artificial Intelligence And Machine Learning)	Rs. 1,15,603
B.Tech	Computer Science and Engineering (Data Science)	Rs. 1,15,603
B.Tech	Electrical & Electronics Engineering	Rs. 1,15,603
B.Tech	Electrical Engineering	Rs. 1,15,603
B.Tech	Electronics and Communication Engineering	Rs. 1,15,603
B.Tech	Electronics and Communication(Advanced Communication Technology)	Rs. 1,15,603
B.Tech	Electronics Engineering (VLSI Design and Technology)	Rs. 1,15,603
B.Tech	Information Technology	Rs. 1,15,603
B.Tech	Mechanical Engineering	Rs. 1,15,603
