ClubDetail:

The action begins with a desire. Naturally, heartfelt compassion leads to action. The vulnerable and disadvantaged around us need more than pity—they need to see love operate selflessly and sacrificially.

'Rotaract club of Galgotias Educational Institution' - takes the pride of providing the platform for all those young bloods and innovative minds to help them give there a bit to mother nature and all those vulnerable and underprivileged in all possible regards. It's a case of "glass half full" vs. "glass half empty." Studying and observing the problem rather than working toward a solution is a fruitless endeavor. Our team of Rotarians conduct research, create strategies to solve issues and play our role as part of the solution. The mentioned club includes all the activities from plantation drive and cloth donation to blood donation camps and from cancer and polio events to teaching the underprivileged which eventually end up in leading us to the most-awaited and most grand club event of the year - **GENESIS** If you wish to serve your bit to the society and nature

FRESHERS

Freshers party was organized by Galgotias Student Council with the collaboration of all the clubs. The Fiesta included a cultural gala in which all the freshers gave their performances that showcased their talents. Moreover we have invited MJ 5 to set the evening and we had aDJ night after the announcement of the winners of of Fresher's 2K17 and everything right from photography to management to marketing and promotions to public relations were coordinated single-handedly by the Student Council. Overall the event was a huge success and it gave an insight to the freshmen of how interesting life's gonna be at Galgotias.

The Fresher's Party started with some light-hearted and cheerful interaction of the anchors with the crowd. Then started the most awaited Mr. & Ms. Fresher's Competition. There were a large array of performances right from dance, singing to instrumentals like guitar and flute. The competition was neck-to-neck but the judges decided the winners and prizes were then distributed to the winners.

The event concluded with an exhilarating dance performance by MJ5 and it was a night every Fresher would remember his life-time.

FAREWELL

"What we call the beginning is often the end. And to make an end is to make a beginning. The end is where we start from."

During the academic years at Galgotias, we believe that all the students must have had numerous moments of happiness, tears, joy, achievements and success. Every year when students leave after completion of their degree, we bid them adieu and wish them good luck for the coming opportunities. Our students will always be our dear ones and will always be the proud of Galgotias.

This journey won't be complete without a proper Goodbye, or rather saying Thank you for making us proud and for being a part of this family. Galgotias Student Council takes great pleasure in organising the Farewell Party for the students. This is to bid adieu to one of our own and to wish them luck for their future endeavours.

So, come and join the gala with all your friends and cherish the years you've spent at Galgotias. The event was independently managed and coordinated by the entire Student Council GCET.
