**ClubDetail:**

The action begins with a desire. Naturally, heartfelt compassion leads to action. The vulnerable and disadvantaged around us need more than pity—they need to see love operate selflessly and sacrificially.

'Rotaract club of Galgotias Educational Institution' - takes the pride of providing the platform for all those young bloods and innovative minds to help them give there a bit to mother nature and all those

vulnerable and underprivileged in all possible regards. It's a case of "glass half full" vs. "glass half empty." Studying and observing the problem rather than working toward a solution is a fruitless endeavor. Our team of Rotarians conduct research, create strategies to solve issues and play our role as part of the solution. The mentioned club includes all the activities from plantation drive and cloth donation to blood donation camps and from cancer and polio events to teaching the underprivileged which eventually end up in leading us to the most-awaited and most grand club event of the year - GENESIS If you wish to serve your bit to the society and nature, if u are searching for a platform which willexpose you to a world of motivating Rotarians in order to build many of your professional skills then ' Rotaract Clubof

GEI ' is where you are supposed to land up. This is the only club that will provide you with all the possible facilities and platforms to contribute your bit for the better and provide much bigger platforms to learn.

### **Club Achievements :**

Our club has young blood with which we are thriving for innovative solutions towards the problem these days. Our club has organized and led events like tree plantation 'Reversing deforestation is complicated; planting a tree is simple'. In tree plantation, we collected waste plastic bottles and used them to plant small plants all around our college campus. Some of our other events in college were BDC (Blood Donation Camp) which was organized in college itself and was a success as many students and faculty members came forward to help and donated their blood to those in need. We also held a fundraiser on the college campus to collect funds for the Kerala flood victims by organizing small games and successfully collected a fund of 11k. Then our main event is Genesis. In genesis, all our members go to an orphan school and take up their responsibility for a day. We try our best to give them their best day and in return what all they teach us in a day is amazing. This is a staple event in our club. All the rotaractors of our club indulge with full devotion and allegiance in all the events that are conducted under our leadership. Outside college, our club also participates in other events organized by Rotaract district 'End polio', 'Walk for a cause', 'Ryla', 'Plastic Banega fantastic' in which rotaracts try their best to do their part in the world's betterment.

## **INDUCTION PROGRAMME**

Galgotia's student Council organised the induction program for the students in their freshman year to give them insights about what Student Council is all about and which clubs and societies we have.

Several sessions for various clubs were organized in which the club heads enlightened & addressed the students and told them about the role each individual club play in the Student Council and in any event or activity taking place in and around the college.

The orientation was an interactive session in which the club heads as well as the Council members interacted with the students and address the common issues and questions in their mind. They told the students the benefits they will get if they join the societies and how it will impact their extra-curricular profile.

## **FRESHERS**

Freshers party was organised by Galgotias Student Council with the collaboration of all the clubs. The Fiesta included a cultural gala in which all the freshers gave their performances that showcased their talents. Moreover we have invited DJ perisha to set the evening and we had a DJ night after the announcement of the winners of of Fresher's 2K18 and everything right from photography to management to marketing and promotions to public relations were coordinated single-handedly by the Student Council. Overall the event was a huge success and it gave an insight to the freshmen of how interesting life's gonna be at Galgotias.

The Fresher's Party started with some light-hearted and cheerful interaction of the anchors with the crowd. Then started the most awaited Mr. & Ms. Fresher's Competition. There were a large array of performances right from dance, singing to instrumentals like guitar and flute. The competition was neck-to-neck but the judges decided the winners and prizes were then distributed to the winners.

The event concluded with an exhilarating DJ bash by DJ Perisha and it was a night every Fresher would remember his life-time.

## FAREWELL

"What we call the beginning is often the end. And to make an end is to make a beginning. The end is where we start from."

During the academic years at Galgotias, we believe that all the students must have had numerous moments of happiness, tears, joy, achievements and success. Every year when students leave after completion of their degree, we bid them adieu and wish them good luck for the coming opportunities. Our students will always be our dear ones and will always be the proud of Galgotias.

This journey won't be complete without a proper Goodbye, or rather saying Thank you for making us proud and for being a part of this family. Galgotias Student Council takes great pleasure in organising the Farewell Party for the students. This is to bid adieu to one of our own and to wish them luck for their future endeavours.

So, come and join the gala with all your friends and cherish the years you've spent at Galgotias. The event was independently managed and coordinated by the entire Student Council GCET.
