**Welcome to the Pharma Innovate Summit 2024**

## **“Shaping the Future of Medicine by Innovations in Drug Discovery and Delivery for Better Healthcare”**

Welcome to the PharmaInnovate Summit 2024! Galgotias College of Pharmacy is honored to host this esteemed event.

### **About Galgotias College of Pharmacy, Greater Noida, Uttar Pradesh**

Galgotias College of Pharmacy located in the vibrant city of Greater Noida, is a premier institution dedicated to excellence in Pharmaceutical Education and Research. Established with a vision to foster academic and research excellence, the College offers state-of-the-art facilities, cutting-edge research opportunities, and a highly qualified faculty. Our mission is to cultivate future leaders in the Pharmaceutical Industry who will contribute to advancing Global Healthcare.

The courses of Galgotias College of Pharmacy are approved by Pharmacy Council of India (A statutory body working under the Ministry of Health Family Welfare, Government of India, New Delhi) and affiliated with Dr. A.P.J. Abdul Kalam Technical University, Lucknow, Uttar Pradesh, India.

The sister organizations are Galgotias Institute of Management & Technology, Galgotias College of Engineering & Technology and Galgotias University. It stands as a leading Indian Private Institute and university, offering a comprehensive range of undergraduate, postgraduate, and doctoral programs across various disciplines.

### **About the conference**

The conference, Shaping the Future of Medicine through Innovations in Drug Discovery and Delivery for Better Healthcare, is a pivotal gathering of leading experts, researchers, and industry professionals dedicated to advancing the frontiers of Pharmaceutical sciences. This event serves as a platform for exploring groundbreaking innovations in drug discovery and delivery systems, with the ultimate goal of improving patient outcomes and addressing unmet medical needs.

With a spotlight on groundbreaking research, the summit will showcase presentations on a diverse array of topics, including artificial intelligence, biopharmaceuticals, biotechnology, pharmacology, toxicology, clinical trials, regulatory affairs, pharmaceutical education, and career development. Moreover, the event will underscore the significance of pharmacovigilance and drug safety, ensuring that new medications are both efficacious and secure.

### **Expected Outcomes**

The conference aims to foster collaboration among academia, industry, and regulatory bodies to accelerate the translation of scientific discoveries into life-saving therapies. By bringing together a diverse group of stakeholders, the event will facilitate knowledge sharing, identify emerging trends, and stimulate innovation in the field of drug development. Ultimately, the conference seeks to contribute to the development of novel and effective treatments for a wide range of diseases, improving the quality of life for patients worldwide.

**GUIDELINES FOR ABSTRACT SUBMISSION FOR POSTER AND ORAL PRESENTATION:** The delegates are requested to submit their abstracts via email to [conference.gcop@galgotiacollege.edu](mailto:conference.gcop@galgotiacollege.edu) on or before 05 November 2024. Abstracts from both research and review articles will be accepted, with a maximum word limit of 250 words. The document should be formatted in Times New Roman font. The title must be in bold with a font size of 14, followed by the full names of the authors and their affiliations in normal font (size 12). The presenting author's name should be in bold, marked with an asterisk (\*), and accompanied by their email address. It is mandatory for the presenting author to be registered for the conference.

**Guidelines for poster presentation (hybrid mode):** The poster should be clear, concise, and well-organized into the following sections: Introduction, Materials and Methods, Results, Discussion, Conclusion, and References. The poster size must not exceed 80×120 cm. Ensure that the text is legible from a distance, and visuals (charts, images) are used to complement the content. For online viewers, provide high-resolution images and clear navigation points.

**Guidelines for oral presentation (only offline mode):** Ensure your presentation is concise, engaging, and well-structured, lasting 20 minutes, including a 5-minute Q&A session. Use visuals like slides, charts, or models to enhance understanding, and maintain eye contact with the audience for better engagement. Practice beforehand for smooth delivery and confident body language.

**Abstract and Paper Publication:** All submitted abstract and manuscripts will undergo a rigorous review process to ensure high quality of International standard. Conference abstract and full manuscripts will be published in the **Revista Electronica de Veterinaria (Scopus Indexed Journal)**. Article Processing Charges (APC) will be applicable.

**Travel & Accommodation:** PharmaInnovate Summit 2024 will be held at Galgotias College of Pharmacy, conveniently located with easy access to major transport hubs. Attendees are encouraged to make travel arrangements early to ensure a smooth trip. For accommodation, we have partnered with several nearby hotels offering special rates for conference participants. To assist with booking accommodations, please reach out to Sanjay Mishra at [sanjay.mishra@galgotiacollege.edu](mailto:sanjay.mishra@galgotiacollege.edu).

## REGISTRATION

**Conference Registration Guidelines:** To ensure that your abstract is included in the conference proceedings and to receive a paper presenter certificate, at least one author of the submitted abstract must complete the registration process by the specified deadline. Registration is crucial for publication in the conference proceedings, and failure to register by the deadline will result in the abstract being excluded. The registration process involves completing the online form available on the conference website, selecting the appropriate registration category, and paying the registration fee. Upon successful registration, a confirmation email will be sent, which should be retained as proof of registration. If you do not receive this confirmation, contact the conference support team promptly. The paper presenter certificate will be awarded only to the presenter who has registered, though co-authors wishing to receive a paper presenter certificate must also register individually.
