## Mandatory Aadhaar Based Biometric attendance by OBC category students for UP Govt. Post Matric Scholarship, Session 2024-25

### *(Only for OBC Category students who are applying for RENEWAL of UP Govt Scholarship)*

The OBC category students who are applying for renewal of the UP Govt. post-matric scholarship are hereby informed that, as per the notification of the Other Backward Class Welfare Department Uttar Pradesh, aadhaar-based online biometric attendance of students is mandatory from session 2024-25, and scholarships will be sanctioned to the students who maintained a minimum 75% attendance. For this purpose, the OBC welfare department developed an app called **"aebas,"** which captures the attendance of students by a facial recognition system on the college premises. In the first phase, it is implemented for renewal applicants; later, it will be implemented for fresh applicants also.

Therefore, OBC category students who are applying for renewal of their UP Govt scholarship must install this app on their mobile and start punching attendance immediately.

**Note:**

- In first step, students are required to install the **aebas** app on their mobile.
- Visit the Registrar Office (Room no. E-114 / 115) for authentication.
- Thereafter students will mark their attendance (Incoming & Outgoing) on daily basis in the college campus only.
- The students are advised to mark their Incoming attendance before 10:00 am in the morning and Outgoing attendance after 02:00 pm.
- At least 04 hours gap is mandatory between In & Out punch otherwise their attendance of that day will not be considered completed.

For convenience of the student the procedure for attendance marking on the **aebas** App is attached.
