POLITICAL DIGNITARIES

Hon'ble Shri Narendra Modi Ji, conferring the DQ ICT Award to Shri Suneel Galgotia, Chancellor, & Dr. Dhruv Galgotia, CEO, GEI for TOP Ranking University in Academics.

Chancellor Shri Suneel Galgotia welcoming Hon'ble Chief Minister of Uttar Pradesh Shri Yogi Adityanath ji

Dr. Dhruv Galgotia, CEO and Shri Suneel Galgotia, Chancellor, GEI felicitating Shri Nitin Jairam Gadkari, Minister of Road Transport and Highways of India at Galgotias University Convocation 2023

Hon'ble Smt. Anandiben Patel, Governor of Uttar Pradesh addressing students at the inaugural ceremony of the International Conference on "Embracing the Change: Innovations in Technology & Management"

Dr. Dhruv Galgotia, CEO, GEI with Hon'ble Shri Rajnath Singh, Union Defence Minister of India at the Bhartiya Shikhsan Mandal Event

Dr. Dhruv Galgotia, CEO, GEI with Hon'ble Smt. Smriti Zubin Irani, Union Cabinet Minister

POLITICAL DIGNITARIES

Dr. Dhruv Galgotia, CEO, GEI with Shri Brajesh Pathak, Deputy Chief Minister of Uttar Pradesh

Colonel Rajyavardhan Singh Rathore former cabinet minister Industry & Commerce, Youth Affairs

Dr. Dhruv Galgotia, CEO, GEI with Hon'ble Lieutenant Governor of Delhi Shri Vinai Kumar Saxena inaugurating the AIU-VC Meet

Shri Suneel Galgotia, Chancellor, GEI with Dr. Subhash Sarkar, Hon'ble Minister of State for Education, Govt. of India

Shri Suneel Galgotia, Chancellor and Smt. Padmini Galgotia, Pro-Chancellor GEI with Ms. Hillary Diane Rodham Clinton, first lady of the U.S. and 67th United States secretary of state. Ms. Clinton said that technical education in India is amongst best in the world.

Former Chief Minister of MP, Shri Shivraj Singh Chauhan addressing the audience at National Expo of "Sarhthak Eduvision 2021" and appreciating the road map of Galgotias University's acceptance of NEP 2021 and it's best educational practices

POLITICAL DIGNITARIES

Dr. Dhruv Galgotia, CEO, GEI, with Hon'ble Shri Dharmendra Pradhan Ji at India Today Mind Rocks Summit

Shri M. Venkaiah Naidu, Former Vice President of India at the Convocation

Shri Alok Kumar ji, Akhil Bharatiya Sah-Prachar Pramukh of RSS speaking on "The Role of Community engagement"

Shri Mukul Kanitkar, the National Organising Secretary of Bharatiya Shikshan Mandal discussed Viksit Bharat and World Development at National Research Conclave

TOP EDUCATIONIST & BUREAUCRAT

Dr. Dhruv Galgotia, CEO, GEI with Shri Anil Sahasrabudhe, Former Chairman AICTE

Hon'ble Chancellor Shri Suneel Galgotia felicitating Shri G C Murmu, (IAS) the former Comptroller and Auditor General of India

CORPORATE LEADERSHIP

Shri NR Narayana Murthy Chairman Emeritus, INFOSYS Awards Galgotias University The DQ ICT Award for Excellence in Academics & Placement

Dr. Dhruv Galgotia, CEO, GEI receiving Award from Shri S. Ramadorai, former Advisor to the Prime Minister of India in the National Council for Skill Development, Govt. of India.

Padmeshri Mr. Sanjeev Bhikchandani- founder Infoedge gave a talk on investments, startups, building unicorns etc.

Mr. Sudhir Mishra - Senior Geo lead, Talent acquisition at Infosys conducted an exceptional interaction session for the students "Current trends in the industry".

Mr. Gagan Sahni, Director, Silverline Laboratories Pvt Ltd, speaking at a Workshop on Ortho K Lens

Mr. Lal Chand Bisu, founder of Kuku FM speaking at the "Entrepreneurship Awareness Drive"

CORPORATE LEADERSHIP

Mr. Sandeep Jain, Founder of Geeks for Geeks speaking at the "Entrepreneurship Awareness Drive"

Mr. Aayush Jaiswal, Co-founder of Pesto Tech speaking at the "Entrepreneurship Awareness Drive"

Mr. Puneet Gupta, Co-founder of Astro Talk speaking at the "Entrepreneurship Awareness Drive"

Mr. Deep Bajaj, Founder and CEO of Sirona Hygiene speaking at the "Entrepreneurship Awareness Drive"

CEO, Dr. Dhruv Galgotia felicitating Mr. Vijay Shekhar Sharma, Founder and CEO of PAYTM

Chief Guest Mr. Atanu Chakraborty, Chairman, HDFC Bank Ltd. at the 8th Convocation Ceremony

VISION

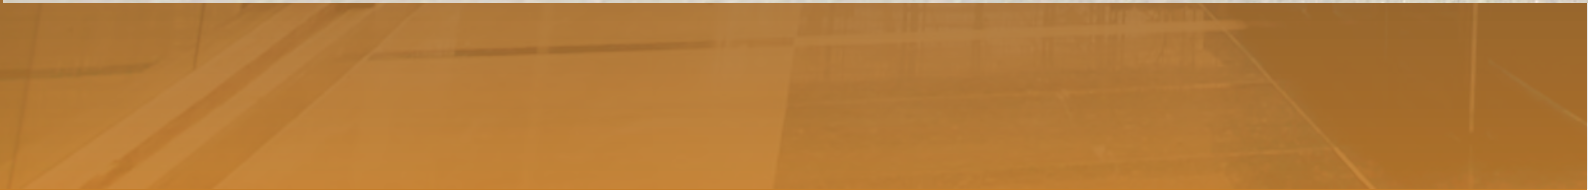

To be a leading educational institution recognized for excellence in engineering education & research producing globally competent and socially responsible technocrats.

MISSION

- To provide state of the art infrastructural facilities that support achieving academic excellence.
- To provide a work environment that is conducive for professional growth of faculty & staff
- To collaborate with industry for achieving excellence in research, consultancy and entrepreneurship development.

WELCOME to GCET

Galgotias Educational Institutions (GEI) comprising of Galgotias College of Engineering & Technology (GCET) were founded by Smt. Shakuntla Educational and Welfare Society. Shri Suneel Galgotia, a resolute visionary, committed to provide world class technical and management education. As the founder of Galgotias College of Engineering & Technology and Managing Director of Galgotia Publications Pvt. Ltd., New Delhi, he exemplifies a profound dedication to excellence in education.

The Galgotias College of Engineering & Technology is approved by AICTE, Ministry of HRD, Government of India and affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow formerly Uttar Pradesh Technical University. Galgotias College of Engineering & Technology, established in 2000, synergizes theoretical knowledge and practical skills to promote all round professional competence. Its unrivalled status in UP, the NCR region and the country stem from its remarkable achievement in nurturing professionals of national and international repute and has been recognized as one of the top ranking institutions imparting high quality education.

Nestled across 19 sprawling acres, the campus enjoys a prime location on an 8-lane expressway connecting Greater Noida with Noida and New Delhi. The heaven of self-sufficiency, it boasts splendidly designed academic buildings, secure and comfortable hostels for both boys and girls, state-of-the-art seminar and conference halls and well-equipped indoor and outdoor sports facilities. To compliment the enriching experience, a multi-cuisine cafeteria caters to the culinary delights of the students.

FROM THE OFFICE OF
THE CHANCELLOR

“*The whole purpose of education at
GEI is to develop and
nurture Brilliant Brains who will shape
the future of the nation*”

Constantly ranked as one of the top engineering institutions in Uttar Pradesh & one among the top fifty colleges in India (by Data Quest survey), Galgotias College of Engineering and Technology is now on its twenty third year with great success as a premier technical institution. It has emerged as one of the most preferred institutes of Engineering & Management. Twelve batches have already graduated from our institution and today we are among the best education providers in the AKTU system. Our results are exemplary good from the merit point of view as well as from the placement perspective. Our students have been placed in the best organizations of the country. Some of them went to abroad for higher studies and for jobs in multinational companies. All in all, the last fifteen years have been a challenging and rewarding experience for us.

With an aim to remain quality conscious, efficient and responsive to today's rapidly changing economic and technological developments, Galgotias Educational Institutions has taken up the challenge for not only to provide technical and corporate training to the students, but also delivers the effort to make them self-confident, better human beings with leadership qualities.

Galgotias Educational Institutions (GEI) comprising of Galgotias Institute of Management & Technology (GIMT) & Galgotias College of Engineering & Technology (GCET), Galgotias College of Pharmacy and Galgotias University were founded by Smt. Shakuntla Educational & Welfare Society. GEI has evolved as a symbol of quality education dedicated to nurture the talent and aspiration of the dynamic, vibrant & bright youth of our country. Globalization has brought in its wake an emphasis on consumer concerns, such as quality (quality assurance is the need of the hour for continuous up gradation), infrastructure and teaching-learning processes. Economic restructuring of any country heavily depends on the institutional's performance and technology driven teaching practices. The faculty at GEI is inspired by our vision to be known as one of world's premier educational institutions for multidisciplinary education and research. Galgotias Educational Institutions has introduced such practices to develop young students as engineers and managers to meet the demands of society.

In the wake of the crisis in the industry, it is important to be a step ahead, a step faster and surer. The students are trained to equip themselves to take on the world and carve out a niche's in tomorrow's world, so that they are assured of not only promising career opportunities but are well equipped to face the challenges of life as well. It goes without saying that science, technology and engineering though different entities are related and interact with one another in complex ways. The engineer's main task is to apply his scientific knowledge to the solution of technical problems, then to optimize solution within the given material, technological, economic, social and environmental constraints for the utility, comfort and advancement of mankind while management peoples should have the sound skill of planning, organizing, staffing and directing, they must have good leading nature for controlling an organization (a group of one or more people or entities) or to accomplishing a desired goals and objectives using available resources efficiently and effectively. Our aim is to provide high class engineering and management education and we are committed to do it. In short, science is preoccupied with the understanding and explaining, engineering is concerned with doing, realizing and implementing while management is the art and science of decision making and leadership. Thus, the aim of future engineering and management education should be the integration of knowledge, skills, understanding and experience for providing creative and very professional youth who can serve our nation very well.

SUNEEL GALGOTIA

FROM THE OFFICE OF
THE CEO

Success in the current digital era lies at the convergence of technology, skill and education. Artificial Intelligence, automation, machine learning - each of these underscores the need for rapid and flexible responses from academia. We at Galgotias College of Engineering & Technology are constantly revamping and upskilling to stay ahead of the learning curve and keep up with the fast-changing and tech-savvy world.

I am committed to preparing technically sound graduates for not only the current jobs but equip them with life long learning skills for futuristic corporate world requirements and entrepreneurship also.

We at the Galgotias College of Engineering & Technology work closely with business leaders, regulators, local bodies and other statutory bodies to ensure that the education imparted is relevant and contemporary.

I am deeply conscious of the fact that scientific and technological advancements, though critical, are by themselves not sufficient for the welfare of mankind. The main purpose of education is to enrich the character and hence we also focus on development of moral values and intellectual integrity in our students.

Ability to think critically, make informed decisions, being confident in social situations and leadership are some of the qualities that we develop in the young persons who chose Galgotias College of Engineering & Technology. I am confident that with this transformative education our students will be ready to take their rightful place as high contributing citizens of our great nation.

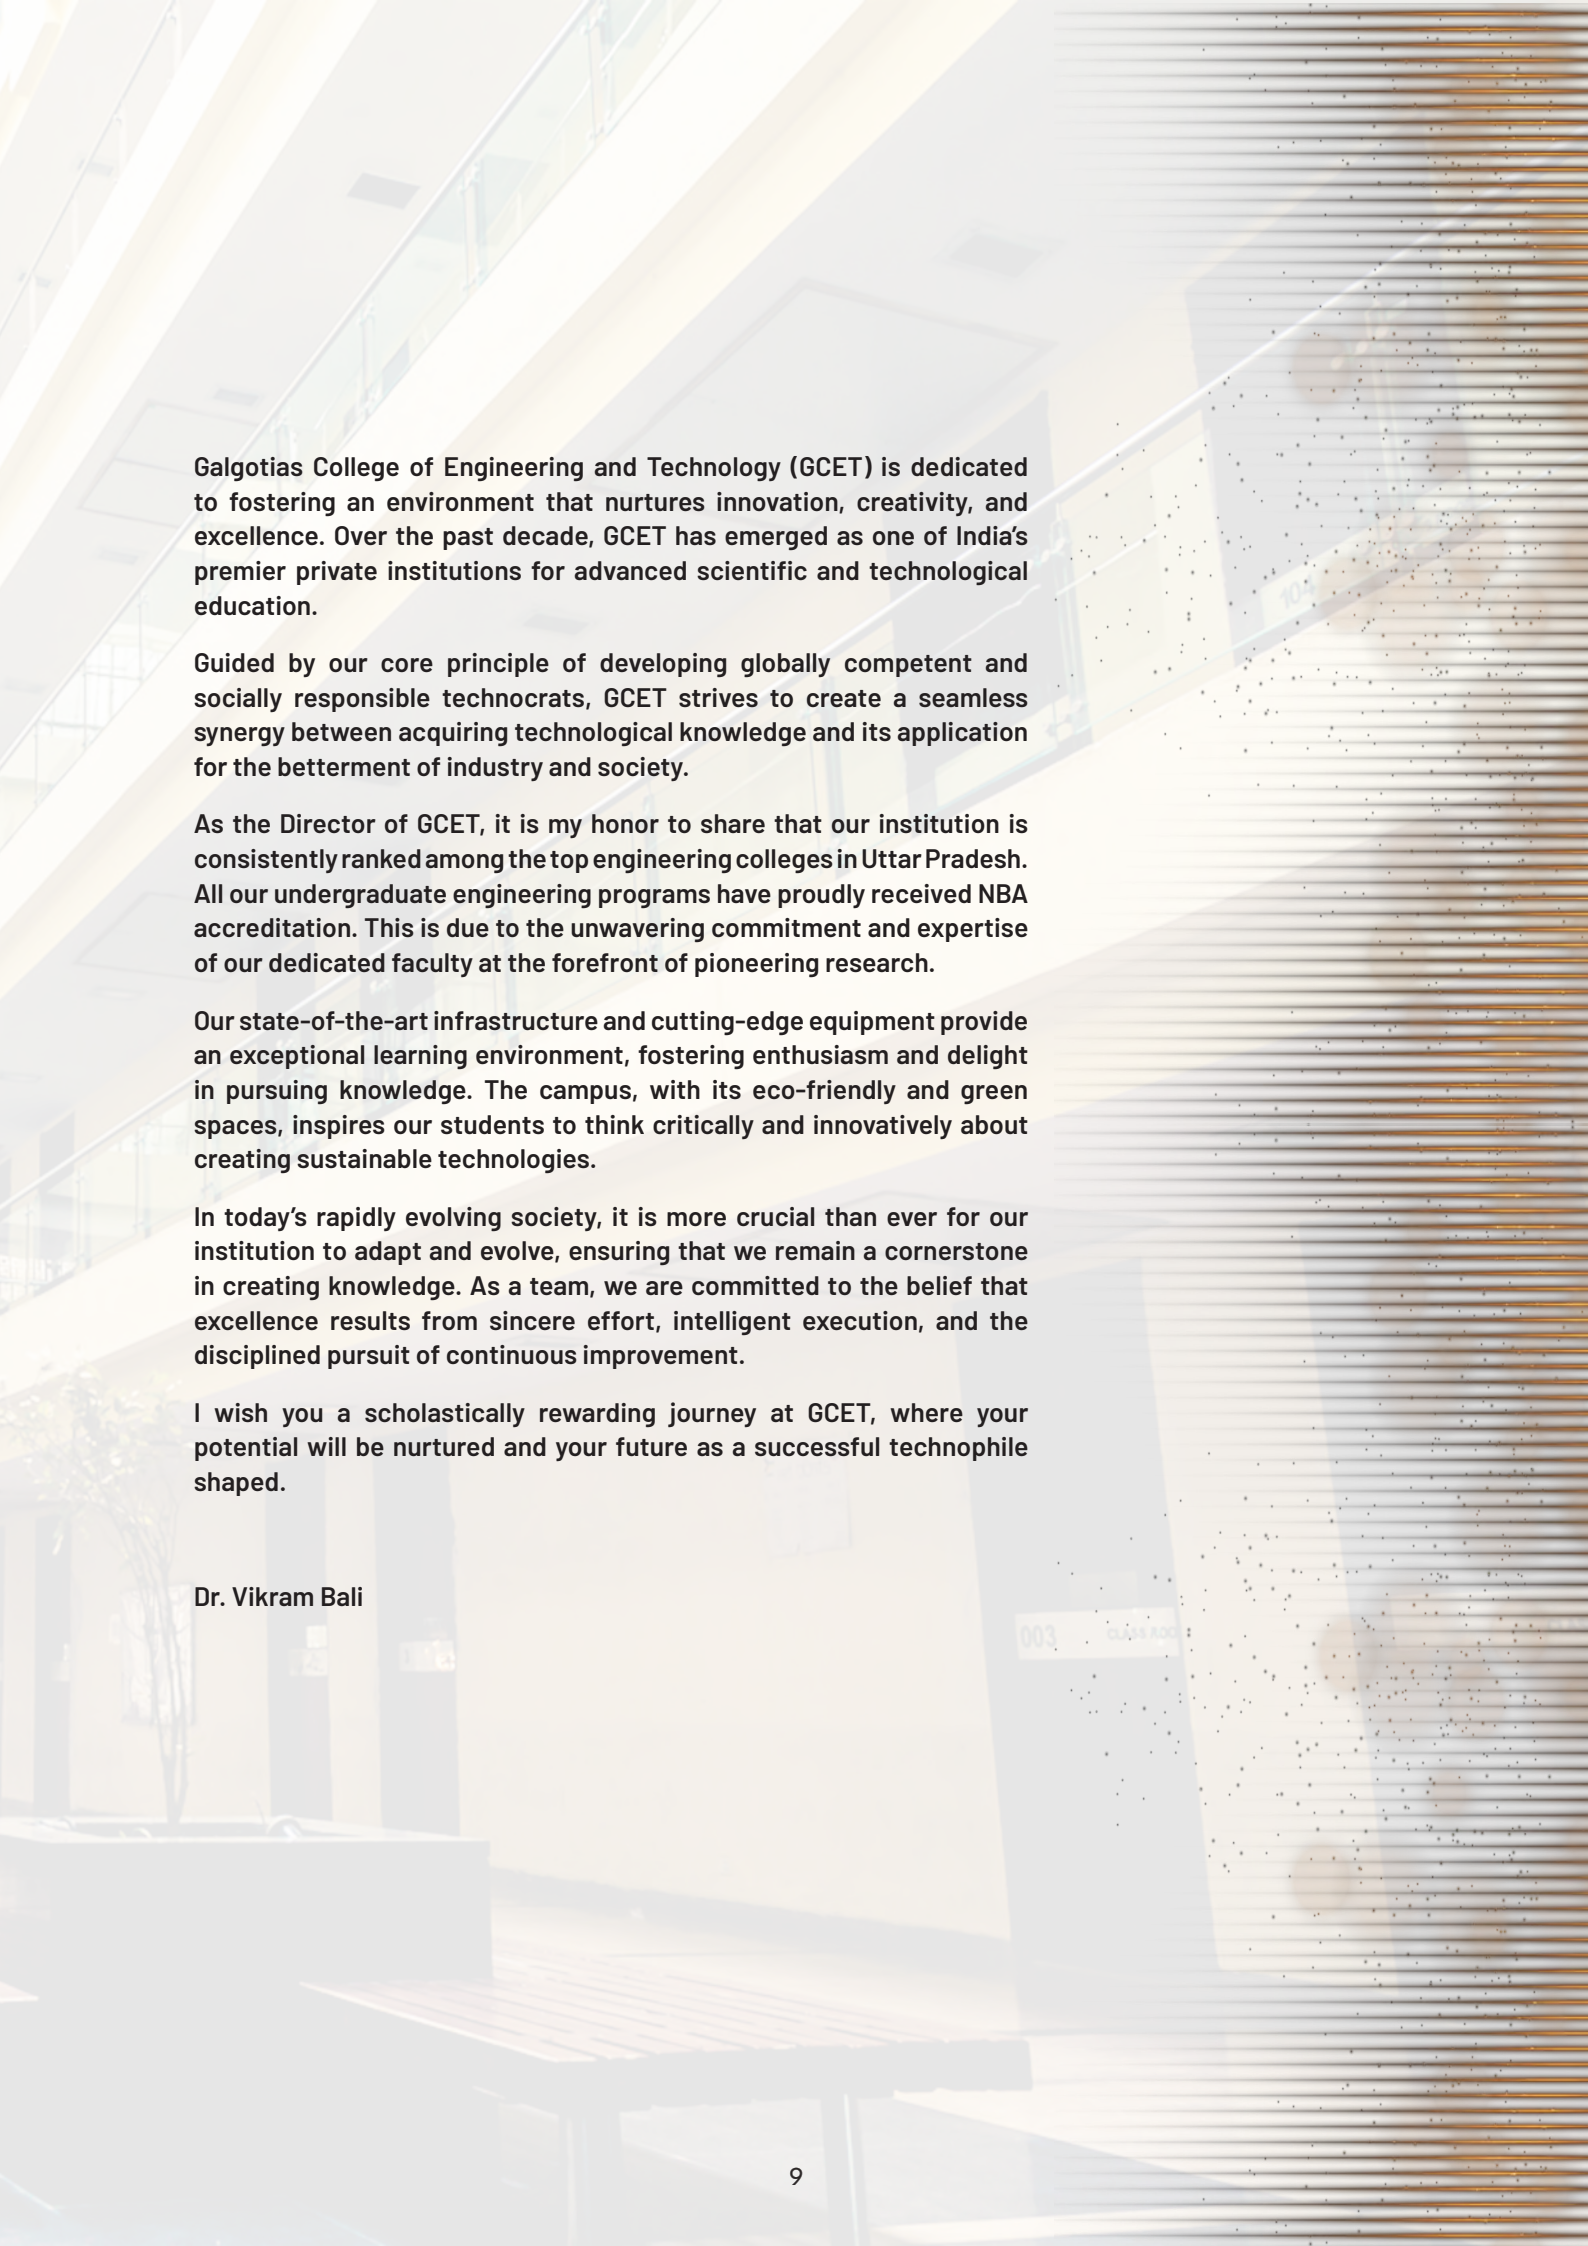

The Campus is teeming with activities such as student clubs, sports, cultural performances, hackathons etc. which create a rich and vibrant culture. I welcome all the students and encourage you to take advantage of the opportunities that the GEI has to offer.

I wish you all the very best as you set out on this incredible journey at the institute which will shape your destiny.

Dhruv Galgotia

FROM THE OFFICE OF
THE DIRECTOR

Galgotias College of Engineering and Technology (GCET) is dedicated to fostering an environment that nurtures innovation, creativity, and excellence. Over the past decade, GCET has emerged as one of India's premier private institutions for advanced scientific and technological education.

Guided by our core principle of developing globally competent and socially responsible technocrats, GCET strives to create a seamless synergy between acquiring technological knowledge and its application for the betterment of industry and society.

As the Director of GCET, it is my honor to share that our institution is consistently ranked among the top engineering colleges in Uttar Pradesh. All our undergraduate engineering programs have proudly received NBA accreditation. This is due to the unwavering commitment and expertise of our dedicated faculty at the forefront of pioneering research.

Our state-of-the-art infrastructure and cutting-edge equipment provide an exceptional learning environment, fostering enthusiasm and delight in pursuing knowledge. The campus, with its eco-friendly and green spaces, inspires our students to think critically and innovatively about creating sustainable technologies.

In today's rapidly evolving society, it is more crucial than ever for our institution to adapt and evolve, ensuring that we remain a cornerstone in creating knowledge. As a team, we are committed to the belief that excellence results from sincere effort, intelligent execution, and the disciplined pursuit of continuous improvement.

I wish you a scholastically rewarding journey at GCET, where your potential will be nurtured and your future as a successful technophile shaped.

COMPLETE INDUSTRY INTEGRATION

The process of maximum industry-integration across a student's entire education span is followed at Galgotias College, so as to enable the student to work towards becoming market-ready from day one. Given that our students are headed to serve industry and society, the college ensures industry-led syllabi and continual industry interface through the entire duration of their education. When industry has been involved with the gestation and development of student talent that is completely in-sync with industry-needs, then placement of students usually is a foregone conclusion even before the end of a student body's academic education.

In our quest to involve corporates to the maximum, Galgotias College has in place many models of college-industry partnership ranging across accreditations, MoU arrangements and academic alliances. These integration initiatives help architect the education experience and deepen and enrich it.

MOU WITH INFOSYS TECHNOLOGIES LTD. FOR CAMPUS CONNECT PROGRAM

Campus Connect by Infosys is a unique academia-industry initiative to "architect the education experience". Under this initiative, Infosys gives input to design curriculum, keeping industry requirements in view. Various seminars and training sessions for the faculty are also organized to give them an industry perspective, enabling them to train their students accordingly. Students are also benefitted through focused courseware and projects of industrial relevance.

MOU WITH CELEBAL TECHNOLOGIES

- Enhancing the students by upskilling and training them through introducing elective course in curriculum
- Placement of the Students

ACCREDITATION WITH TATA CONSULTANCY SERVICES LTD.

Accreditation with TCS is a testimony to the excellent infrastructure, quality teaching, learning process and other related parameters required in order to be recognized as a premier technical institution. Under the aegis of this accreditation, the institute and TCS co-create and co-implement various Faculty Development Programs (FDP) and students' training programs.

WIPRO TECHNOLOGIES LTD.

This initiative supplements the faculty's existing facilitation skills and enables them to nurture the spirit of innovation and a higher level of understanding of the subjects being taught, while developing key technical and behavioral skills in parallel. The program helps to unleash the faculty's full potential and gives insight into interactive teaching methodology and teaching aids.

MOU WITH CAPGEMINI

Galgotias Educational Institution has signed an MoU with Capgemini, which is impacting positively on recruitments.

MOU WITH TECH MAHINDRA

The accreditation facilitates students and faculty training, industrial visits and campus placements.

MOU WITH INGENUITY GAMING

- Establishment of Gaming Lab at campus
- Training and Placements of the students

TEACHING, LEARNING AND ASSESSMENT

At GCET, Outcome Based Education (OBE) is followed that equips the students with the knowledge, skills, and competencies needed to excel in the chosen field. Real-world application, fostering critical thinking, problem-solving, and collaboration skills are prioritised that prepares students for the challenges of future.

Our immersive learning environment provides hands-on experiences, industry partnerships, and cutting-edge technology integration. We believe that learning is not confined to classrooms but extends to internships, research projects, and community engagement, ensuring the development of holistic understanding of the subject amongst the students. Evaluation methods at GCET are both conventional and innovative. Pre-declared written tests ensure rigor, while interactive methods like discussions, seminars, presentations, and quizzes enhance engagement and comprehension.

Instructional Methods and Innovative Practices

At GCET, instructional methods and innovative practices are key drivers of effective teaching and learning and includes:

- Interactive lectures and group discussions
- Case studies
- Simulations
- Video lecture demonstration approach
- Hands-on experiments & Use of real life projects
- Peer-Peer learning
- Collaborating Learning

Skill Enhancement

Students are assigned a variety of activities, including seminars, power-point presentations, writing assignments, model making, chart making, group discussions, and surprise quizzes all designated to cultivate comprehensive communication skills, interpersonal skills, creativity, and knowledge exchange. Practical exams and projects in the final year allow students to showcase their skills, assessed by external examiners.

Assessment & Evaluation

The evaluation system maps individual capabilities, tracks progression, and focuses on improving students' written and oral expression. The college

follows the norms prescribed by AKTU, Lucknow, that includes both internal and external evaluations. Attendance and assignments are also considered for internal assessment.

The evaluation of subjects that carry internal marks of 30, is as under:

- a) Two Continuous Assessment Examinations (CAE-I and CAE-II) of 40 marks with time duration of 90 min and one Pre University Test of 100 marks with time duration of 3 hours is conducted during the semester.
- b) To award sessional marks out of 30, CT (cumulative tests) component covers 20 marks and TA (teacher's assessment) covers 10 marks.
- c) The assignment carries 05 marks
- d) The attendance carries 05 marks

The evaluation of subjects that carry internal marks of 50, is as under:

- a) Two Continuous Assessment Examinations (CAE-I and CAE-II) of 40 marks with time duration of 90 min and one Pre University Test of 100 marks with time duration of 3 hours is conducted during the semester.
- b) To award sessional marks out of 50, CT (cumulative tests) component covers 30 marks and TA (teacher's assessment) covers 20 marks.
- c) Assignment carries 10 marks

Tests are conducted methodologically which include question papers as per the University pattern / CO-wise sections.

Mentoring / Counselling System

Each student of Galgotias College of Engineering and Technology has been considered for mentoring / counseling. A faculty member pertaining to his specialization / branch has been allotted to him / her as Mentor / Counsellor, within a week of joining the institute. For each student, the deputed mentor / counsellor remain same till the attainment of degree so as to have proper understanding / guardianship between mentor and mentee. Mentor / Counsellor may be treated as Local Guardian of the student, at institute level. Any student having any problem (related to academics and personal), may approach to respective counsellor for its sharing / solution. At least two counseling sessions per semester for each student are required to be maintained by each counsellor. Academic performance may also be monitored by mentor / counsellor. Mentor / counsellor remain in touch with parents of students concerned

LEARNING FROM THE CORPORATE LEADERS

Apart from the world of academia, Galgotias College of Engineering And Technology focuses on bringing to the students, a wealth of knowledge from the industry and research domains, and all the spheres of knowledge from the wider universe, in differing orders of relevance.

Domain experts are continually identified and invited as guest speakers to give the students the benefit of their knowledge and experience. The idea is to instill awareness of more than just trends and happenings, and to immerse the students in diverse thought processes and ideologies.

Mr Sudhir Mishra - Sr. GEO Lead, Talent Acquisition, Infosys had a conducive interaction session among the students of Galgotias Campus

Laxmi Narayan Triphati, International Transgender Activist at Galgotias Campus

Dr. Suneesh Buxy, IFS, DIG, Ministry of Environment, Forest and Climate Change, Government of India addressing the gathering during National Conference on Emerging Trends in Applied Sciences

Dr. Sarvesh Swaroop, former Deputy Director General of Ministry of Commerce and Industry, Govt. of India presented a lecture on Hoover Dam Project

Prof. Dr. Iryna Sekret, IATELS, Committee Chair, Turkey Session on Windows into Turkish Culture

Dr. Shakti Vinay Shukla, Principal Director at Fragrance & Flavour Development Centre, Kannauj, India

Mr. Shailendra Singh ,
Examiner of Patents &
Designs, Group A gazetted
officer, Indian Patent office,
Govt. of India, Delhi

Mr. Manoj Bali, Scientist
'G' is the director of the
Directorate of Low Intensity
Conflict at the Defence

CEO, Google interacting
with Galgotias students

A webinar on "Growth of Renewable Energy in India: Solar PV Technology" by Mr. Aashutosh Sharma, Project Head, Voltrans Energy, Ghaziabad.

Ms. Tanuja Vashishtha, CEO, Isenex Consulting Session on Peace Education Program, The Journey on Self Exploration, research and Innovation.

Dr. Suresh C Gupta, Retd Deputy Director General & Scientist, National Informatics Centre, MCIT, Gol.

Dr. Anshu Raina (HOD- Obstetrics& gynecology) Apollo Cradle & Children' Hospital And Apollo Spectra Hospital)

Lecture by Shri Dilip Robidas, Assistant director, Narcotics Control Bureau, New Delhi on Drugs abuse and Illicit trafficking on the occasion of International day against Drug abuse and Illicit trafficking

Visit by Shri Dilip Robidas, Assistant Director, Narcotics Control Bureau, New Delhi

Dr. Sunil K Jain, Former Senior Director, MCIT, Gol Session on Peace Education Program, The Journey on Self Exploration, research and Innovation.

A webinar on "Vehicle Accident Reconstruction and Injury Biomechanics" by Dr. Mike Winifred Jimbry Arun, PhD Forensic Engineer, Talas Engineering Hayward, CA

A webinar on "Medical Applications of Additive Manufacturing" by Dr. Yashwant Kumar Modi, Jaypee University of Engineering and Technology Guna, India

Mr. Shubhankar Mishra, News Anchor @Aajtak at Galgotias Campus

The invited talk focused on "Evolution of Measurement System and SI units" by Dr. Sanjay Yadav, Sr. Principal Scientist, CSIR- National Physical Laboratory

The invited talk focused on "Green Building Construction" by Prof. Mohammed Arif, Head, School of Architecture, Professor of sustainability and construction future, University of Wolverhampton, United Kingdom

TRAINING AND PLACEMENT

AN OVERVIEW OF THE CAREER PLANNING & DEVELOPMENT DIVISION (CPDD)

Galgotias Educational Institution has a well established system of ensuring a smooth transition from the classroom to the workplace. The Galgotias Educational Institution system aims to fulfill students' aspirations across various sectors of industry. Students can confidently hope to enter the corporate world in sectors and positions commensurate with their capabilities. This environment of opportunities for the students is a result of a well-structured interface with corporates. Students can take on the best of all the opportunities Galgotias Educational Institution provides. For this they have to go through rigorous corporate-readiness programs which run concurrently with their academic programs. These comprise industry visits, mentorship activity, field research work, corporate interface and faculty-monitored corporate internship programs.

Leading organizations across various disciplines participate in campus placements at Galgotias Educational Institution. Nearly all students are placed almost a year before they complete their academic studies.

CPDD constantly interacts with the corporate world and helps prepare students for their careers. Corporates such as Infosys and Accenture absorb the largest numbers of students.

INDUSTRY LEADERS on Galgotias Students

COGNIZANT TECHNOLOGY SOLUTIONS

Dear Prof. Manisha Chaudhry

Cognizant would like to thank all the students of the 2015 batch of Galgotia's College of Engineering and Technology, faculty and college placement team, for a great recruiting season! We saw high caliber of education and discipline in the team that represented your college and we are happy to continue this association with you.

Regards,

Ashok Ranjith R

Human Resources- Talent Acquisition | Cognizant Technology Solutions

ERICSSON INDIA PVT. LTD.

Dear Manisha Mam

The campus process was conducted with a good infrastructural support and strong administration. This helped us run the entire process efficiently and effectively.

The students exhibited discipline and were receptive in the entire process. We enjoyed interacting with them!

Regards

Saurabh Sharma

High performance. Delivered.

ACCENTURE INDIA

"We wish to congratulate all the selected students, faculty and management for their focus on imparting quality education which led to selection of good students during the campus recruitment process conducted for 2012 batch pass outs."

Shoaib Mehraj

North Zone Hiring Lead
India Campus Recruitment
Accenture Services Pvt. Ltd.

Dear Manisha

Wipro has been a regular recruiter at Galgotia's for many years now and we have been

experiencing a set of very professional and well-groomed candidates for its recruitment. The institution has a good talent pool of fresh minds who have been trained to become industry ready in state of the art infrastructure with a very high focus on technical capability as well as soft skills of students.

We have been getting excellent support from the management as well as career development cell in all our engagements with the college and we would like to make this association to bloom further in times to come, adding to our talented global workforce pool enabling our organization and society to reach greater heights.

Wishing the institution all success to become a destination of choice in Engineering education.

Viswanathan

Head-Engineering Hiring
Wipro Ltd.

INFOSYS TECHNOLOGIES LTD.

Greetings!

Please accept my Congratulations on the way your students have performed at our selection process this year. I am glad to share with you that a total of 232 of your students have made it through our selection process and the credit for this definitely goes to the right training imparted by the College and the commitment at all levels displayed by management and placement cell.

The number of students who have cleared our selection process has always been moving Northwards and I wish your students good luck to perform like this and even better for years to come. I must share that your students have been great when it comes to discipline and are extremely articulate. They come across as assertive and very high on learnability.

I look forward to a very long and fruitful relationship with Galgotias.

Thanks again.

Thanks & Regards,

Sudhir Mishra

OVER 650+ PROMINENT COMPANIES VISIT GALGOTIAS FOR RECRUITMENT

AND MANY MORE.....

INDUSTRY COLLABORATION AND MOU'S

The process of maximum industry-integration across a student's entire education span is followed at Galgotias Educational Institution, so as to enable the student to work towards becoming market-ready from day one. Given that our students are headed to serve industry and society, the GEI ensures industry-led syllabi and continual industry interface through the entire duration of their education. When industry has been involved with the gestation and development of student talent that is completely in-sync with industry-needs, then placement of students usually is a foregone conclusion even before the end of a student body's academic education.

In our quest to involve corporates to the maximum, Galgotias Educational Institution has in place many models of university-industry partnership ranging across accreditations, MoU arrangements and academic alliances. These integration initiatives help architect the education experience and deepen and enrich it.

MOU WITH INFOSYS TECHNOLOGIES LTD. FOR CAMPUS CONNECT PROGRAM

Campus Connect by Infosys is a unique academia-industry initiative to "architect the education experience". Under this initiative, Infosys gives input to design curriculum, keeping industry requirements in view. Various seminars and training sessions for the faculty are also organized to give them an industry perspective, enabling them to train their students accordingly. Students are also benefitted through focused courseware and projects of industrial relevance.

MOU WITH CELEBAL TECHNOLOGIES

- Enhancing the students by upskilling and training them through introducing elective course in curriculum
- Placement of the Students

ACCREDITATION WITH TATA CONSULTANCY SERVICES LTD.

Accreditation with TCS is a testimony to the excellent infrastructure, quality teaching, learning process and other related parameters required in order to be recognized as a premier technical institution. Under the aegis of this accreditation, Galgotias Educational Institution and TCS co-create and co-implement various Faculty Development Programs (FDP) and students' training programs.

WIPRO TECHNOLOGIES LTD.

This initiative supplements the faculty's existing facilitation skills and enables them to nurture the spirit of innovation and a higher level of understanding of the subjects being taught, while developing key technical and behavioral skills in parallel. The program helps to unleash the faculty's full potential and gives insight into interactive teaching methodology and teaching aids.

MOU WITH CAPGEMINI

Galgotias Educational Institution has signed an MoU with Capgemini, which is impacting positively on recruitments.

MOU WITH TECH MAHINDRA

The accreditation facilitates students and faculty training, industrial visits and campus placements.

MOU WITH INGENUITY GAMING

- Establishment of Gaming Lab at campus
- Training and Placements of the students

LONDON CHAPTER

ALUMNI MEET 2023

On June 10, 2023, the Galgotias Educational Institutions' London Chapter convened its annual gathering. Alumni and their families attended the event, hosted aboard a cruise on the River Thames. Cherished memories were relived, old friendships rekindled, and tales of campus life exchanged.

Ashwin Fernandes, Regional Director - Middle East, Africa & South Asia @QSCorporate

SINGAPORE CHAPTER

The 2nd Alumni International meet of Galgotias Educational Institution's took place at Cafe Football, Genting Hotel Jurong, Singapore. Er. Nayan Omar, Cloud Security Head at Standard Chartered Bank, Singapore, resonated fellow alumni, when he expressed gratitude for the invitation and emphasized the importance of staying connected.

ALUMNI MEET 2024

The Galgotias Alumni Meet-2024 held on March 18, 2024, welcomed the alumni including their families. Cultural events organized by the Students Club rekindled memories, fostering connections among alumni, faculty, and students. Alumni shared cherished experiences, affirming the profound bond with their alma mater. The event, a testament to alumni devotion, left attendees eager for future reunions.

2 DAYS INTERNATIONAL HACKATHON 2.0 TECHNOTHON 2023

2.0 Technothon '23 is an annual hackathon organized by the Department of Computer Science and Engineering, GCET which is one of the biggest events of its kind. It aimed at offering a technical competence for creative minds to identify momentous challenges and provides solutions for real life scenarios. It encourages young minds to think innovative ways for prototype and product development as per the emerging trends.

The goal of Technothon '23 is to reach out to the student coterie in order to discover a solution for the everyday problems. Technothon '23 intends to cover the emerging technologies like Artificial Intelligence, Internet of Things, Block chain, Cyber security, Health care and biomedical devices, Automobile, Robotics and Drones, Agriculture, and Automation, Graphics and Gaming, Banking and FinTech etc.

3rd International Conference on Mechanical and Energy Technologies (ICMET-2023)

The Third International Conference on Mechanical and Energy Technology held on December 7th and 8th, 2023, organized by the Department of Mechanical Engineering at Galgotias College of Engineering and Technology, proved to be a significant gathering for professionals, researchers, and academics in the field. The conference aimed to foster collaboration, exchange knowledge, and explore advancements in mechanical and energy technology.

The two-day conference was comprised of three technical keynotes and six technical sessions. These sessions served as platforms for the presentation of cutting-edge research and developments in the field. A total of 150 articles were submitted for consideration, indicating a substantial interest in the conference. Following a rigorous peer-review process, 85 articles were selected for presentation at the conference. These chosen articles showcased diverse research endeavors and breakthroughs in mechanical and energy technology.

- **Day 1:** Two technical sessions were conducted, featuring presentations of 24 selected articles.
- **Day 2:** Four technical sessions were organized, with two conducted offline and two online. In the offline sessions, 26 articles were presented, while the online sessions featured 31 articles. The selected articles are not confined to digital folders; they are slated for publication in prestigious journals. Specifically, the proceedings will be recommended for publication in Lecture Notes in Mechanical Engineering by Springer and Smart Innovation and System Technologies by Springer. Both of these proceedings are indexed in SCOPUS, further enhancing the visibility and impact of the research presented at the conference.

Furthermore, a noteworthy development is the recommendation for publication of selected articles in the international Journal Energy for a Clean Environment by Begell House. This opportunity expands the reach of the conference contributions and affirms the significance of the research in the broader scientific community. The International Conference on Mechanical and Energy Technology organized by the Department of Mechanical Engineering at Galgotias College of Engineering and Technology was a resounding success. The quality of the selected articles, the diverse technical sessions, and the prestigious publication opportunities contribute to the conference's impact on the advancement of mechanical and energy technology. The event provided a fertile ground for intellectual exchange, fostering collaboration and innovation in these crucial fields.

Faculty Development program on Recent Innovations and Novel Concepts for Sustainable Developments

A one-week faculty development program on “Recent Innovations and Novel Concepts for Sustainable Developments” was held from 15th July 2024 to 22nd July 2024 at Galgotias College of Engineering and Technology, Greater Noida, Uttar Pradesh. This FDP was Jointly organised by the departments of Civil engineering and Applied Sciences and sponsored by Dr Abdul Kalam Technical University, Lucknow, U.P. The FDP was aimed at raising awareness about the modern and innovative measures for the sustainable development of the society.

There were sixty registrations for the event and 12 keynote speakers graced the event. The inauguration of the FDP started with Saraswati Vandana and lamp lighting. The FDP was inaugurated by Dr (Prof.) Rakesh Kumar Khandal, Chancellor, SDGI Global University, Ghaziabad, Former VC, UPTU, Lucknow. In his speech, he acknowledged the need for sustainable development by making responsible use of the resources at hand and attempting to preserve the ecological balance. Dr. Rishav Garg, HOD, Civil, while addressing the gathering emphasized on our commitment for using innovative measures for sustainable development. Dr. Rajesh Tripathi, HOD, Applied Sciences stressed on the implementation of recent innovations and Novel concepts in the day to day life for achieving the goal of sustainable development. Dr. Bipin Kumar Srivastava, DSW, asked the audience to focus on the Novel ways to get the sustainable development. Through the course of five days, 12 keynote speakers from academia and industry discussed about their cutting-edge research programs and exploring its practical applications for Research, business, society and academia. Dr. Harish Sahu, Scientist-E, DRDO, Delhi discussed about the importance of Quantum computing in reaching out for sustainable development. Dr (Prof.) Sanjay Kumar Sharma, GBU, Greater Noida focussed on the Ancient Science and Modern Development in relation to get sustainability. Dr Shailendra S. Gaurav, Professor, CCS University, Meerut discussed how Intellectual Property Rights (IPR) can play an essential role in finding Novel concepts for sustainability. Mr Deepak Kumar Singh, GM, Satcom Monitoring Centre, Department of Telecommunication, Ministry of Communication, Delhi emphasized on the Latest technology and development in Satellite Communication which can be a milestone in having innovations for sustainable development. Dr Ashwani Kumar Tiwari, JNU, Delhi shared insight about Mine Water and Utilisation. Dr Anil Kumar, Asso. Prof, DTU, Delhi discussed about CO2 mitigation potential in cement industry through concentrated solar energy. Col (Dr) Prof Pawan Pandey, IIT Delhi gave insight on Indian construction industry. Mr. Rajneesh Sarin, Program Director, CSE, New Delhi shared his view on Urban discomfort which is largely causing the climate change scenarios of heat and floods. Dr Tokeer Ahmad, Professor, Jamia Millia Islamia, New Delhi discussed about Catalysis for Sustainable Green Energy and Dr Deeksha Dave, IGNOU, Delhi highlighted Eco Innovations for sustainability.

4TH IEEE INTERNATIONAL CONFERENCE ON “ADVANCE COMPUTING AND INNOVATIVE TECHNOLOGIES IN ENGINEERING” ICACITE-2024, MAY 14-15

Department of Electrical & Electronics Engineering of Galgotias College of Engineering & Technology, Greater Noida has hosted its 4th IEEE International Conference on “Advance Computing and Innovative Technologies in Engineering”, ICACITE-2024 During May 14-15.

The auspicious occasion was inaugurated with a lamp lighting ceremony by Hon'ble Chief Guest-Prof. J. Ramkumar, IIT Kanpur, Distinguished National & International Distinguished Speakers & Guests –Dr. Prabhakar Tiwari, Professor, IEEE U.P Section & MMTU, Gorakhpur, Dr. S. Albert Alexander, Dr. Sivakumar Kalimuthu, Dr. Khalid Yahya, Dr. Abhay Bansal, Dr. Avadhesh Kumar, Pro-VC, Galgotias Educational Institution, Greater Noida, Dr. Jay Singh, IEEE Conference Observer, Dr. Asim Qadri, Director, GCET, Dr. Brijesh Singh, Dean GEI, Dr. A. Ambikapathy –Conference Chair and in presence of Delegates & Authors.

Galgotias College of Engineering & Technology is committed to achieving academic excellence and is upbeat to collaborating with industry to achieve excellence in research, consultancy, and entrepreneurship development. This conference has given a consummate platform for open discussion on current challenges in technological advancement. The main objective of ICACITE-2024 was to bring together researchers from R&D institutions, Universities, and Industries to stimulate the fruitful exchange and dissemination of information and ideas in the field of Engineering & Technology. This conference has provided the opportunities for delegates to exchange innovative ideas & application experiences face to face, to establish business or research relations, and to find global partners for future collaboration.

ICACITE-2024 has received 2000 + submitted manuscripts for publication from Technological, Scientific and Medical fields from Research Scholars and Student Community across the globe. Thanks for the overwhelming responses from distinguished authors. Papers are selected after rigorous review process. The visibility of the souvenir exceeded about 10 Countries like the UK, Texas, Malaysia, Nepal, Iraq, Uzbekistan, India, etc, which indicates its quality content and subject matter

GALGOTIAS UNIFEST 2024

'Unifest' Galgotias Educational Institution's youth festival is an annual celebration of talent, creativity and youthful exuberance. Students from various universities showcase their talent in a wide array of fields ranging from music and dance to literature and fine arts.

Whether it is the solo speech "Devils Advocate" Quiz based on Bollywood music and movies, Jazbaat -E -Bayaan, the poetry and ghazal recitation, 'Debate Derby' writing, dance, singing, dramatics or rap competitions, students poured their heart and souls into their performances. The festival showcased the rich tapestry of human expression and self-discovery. The highlight of the festival were soulful performances by the renowned singers, Javed Ali and Akhil Sachdeva who held the audience spellbound.

Team Galgotias cutting-edge entry for The NASA Human Exploration Rover Challenge held at NASA's Marshall Space Flight Center, Huntsville, USA

Advanced trolley with on spot billing developed by Pashupati Nath Mishra, B.Tech. student

Mr. Vivek Singh, B.Tech. student has excelled in the prestigious IES Exam and scored 54th rank.

Mr. Anvesh Pandey, B. Tech(ECE) student received research internship at Institut National des Sciences Appliquées de Lyon (INSA, Lyon), France.

Galgotias student, Mr. Sandeep Kumar Jaiswal was ranked 6th All-India in GATE

Students of EEE department made mobile safety device using IOT technology

Students of CE Deptt. showcased their model in exhibition at "7th India Water Week", the only college whose students presented their model in the exhibition inaugurated by Hon'ble President of India.

Ms. Bhoomika Singh, CSE-AI Runner Up at Virtusa's Global initiative by "Engineering Equity Hackathon".

Asia's fastest solar vehicle designed and built by award winning team Galgotias

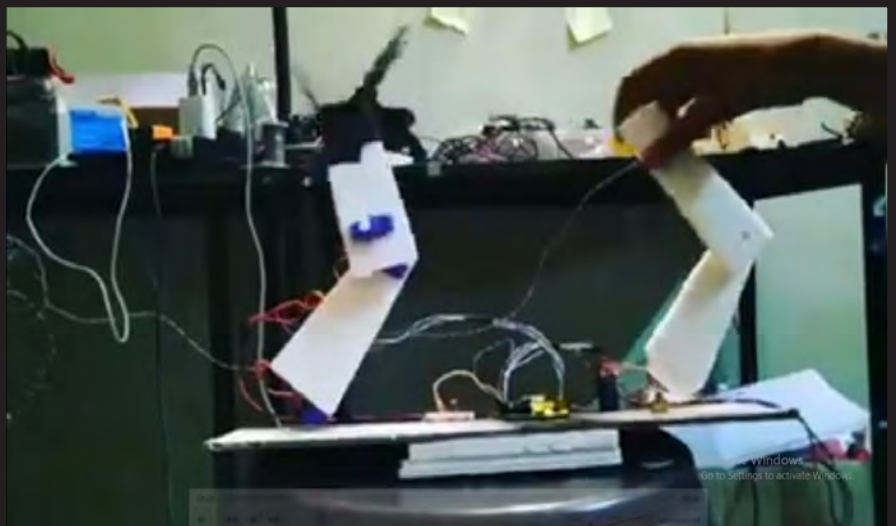

EEE students made receptionist robot which welcomes the guest with Bouquet.

The student of department of EEE made women safety suit which protects women from any danger.

Mr. Amit Ganguli, Galgotias Student, formerly working for Amazon India and now working for Oracle

Robot is made by EEE department students which duplicates the motion created by other robot

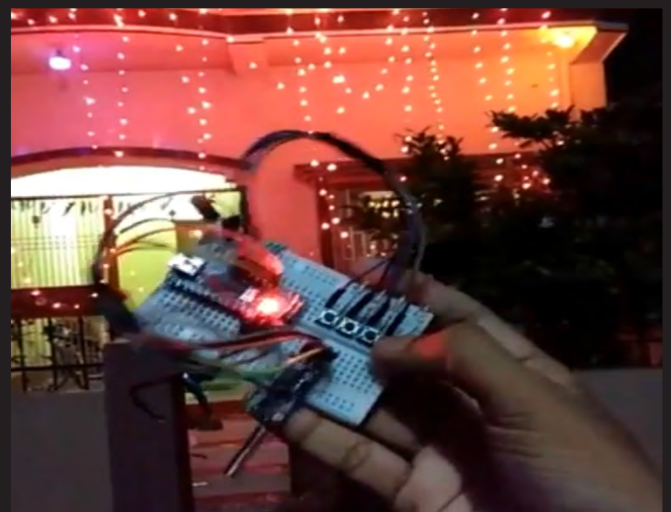

From CSE Department Winner at National Level Hackathon, Organized by Government of India, under the initiative of Honourable Prime Minister Shri Narendra Modi ji.

As part of its policy to support brilliant student, Galgotias has given Rs. 2 Lacs to Ms. Siffi Singh, Dept. of CSE for her Taiwan visit

Innovation in 3D printer developed by Rahul Agarwal, B.Tech. student at Galgotias

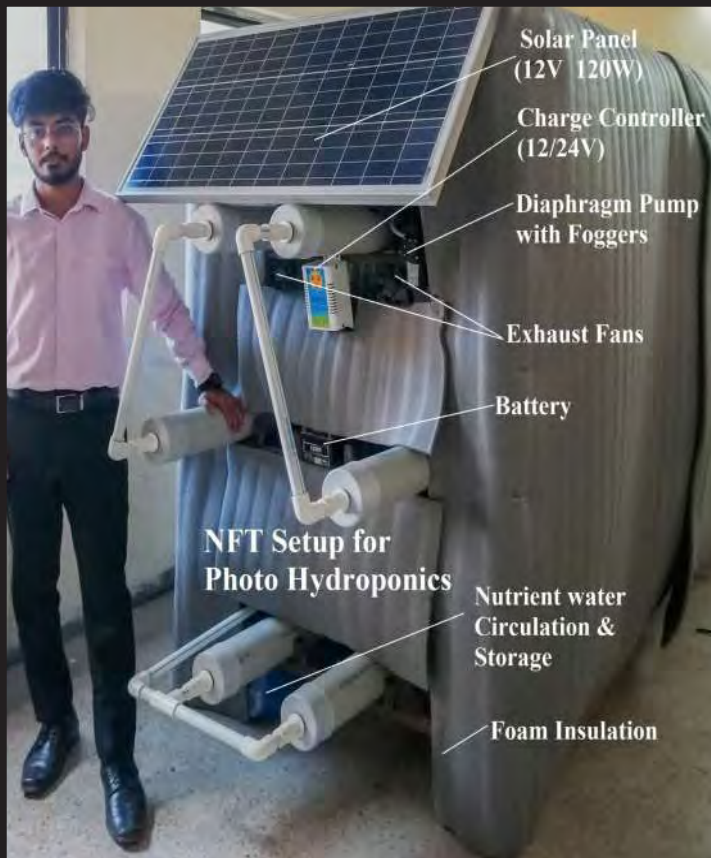

Student of EEE department made Robot which controls the decorative lights of house or shop.

Galgotias student, Ms. Nisha Chaube, Dept. of CSE awarded for her pioneering bag seat for the elderly from former President of India Late Dr. APJ Abdul Kalam

Students of EEE department made remote controlled(RC) Airoplane.

AUTOMATIC PHOTO HYDROPONICS SYSTEM
developed by Kushagra Singh, B.Tech. student of EIE at Galgotias

Kumar Shubham, B.Tech. student designed a SafeUP app which is now associated with UP Govt.'s Dial 100 program

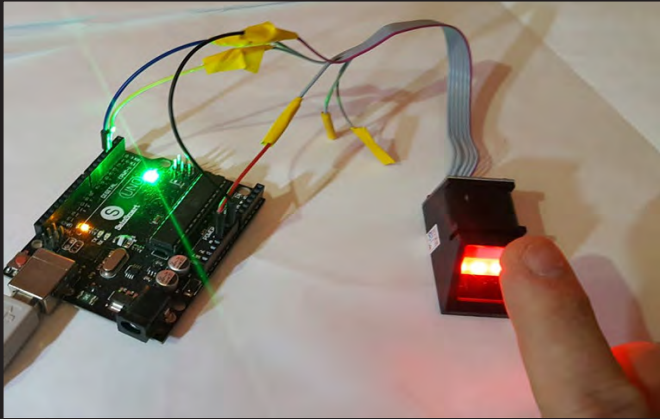

EEE department Students created robot which follows the motion of a objects

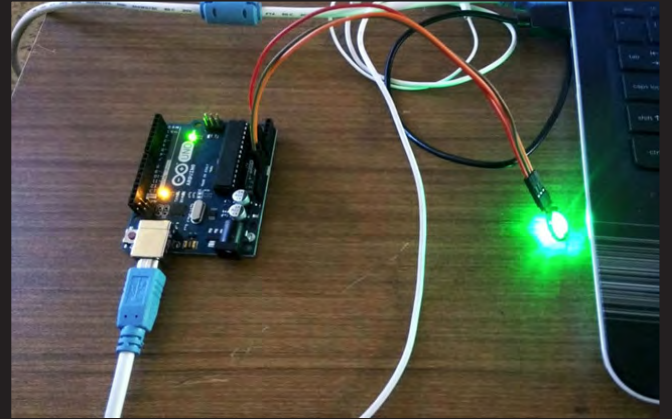

Students from EE Deptt. developed a portable low-cost medical ventilator named "Saviour" equipped with IOT capabilities.

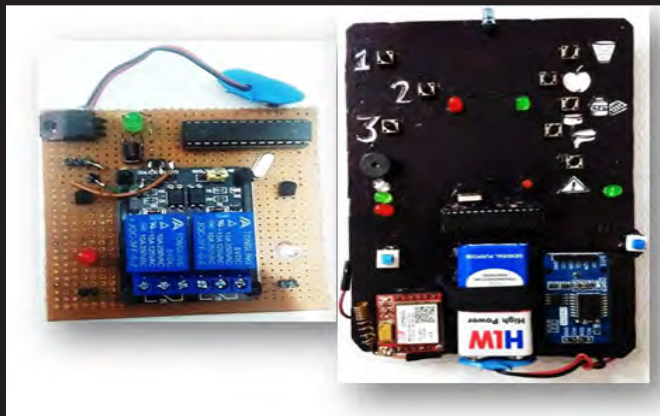

EEE students made project which is controlled by the motion of sensors

Ritik Pratap Singh et.al of BTech ECE designed a Finger Print Based Attendance Monitoring System

BTech ECE, Tapas Gupta et.al designed Heart Rate Monitoring System

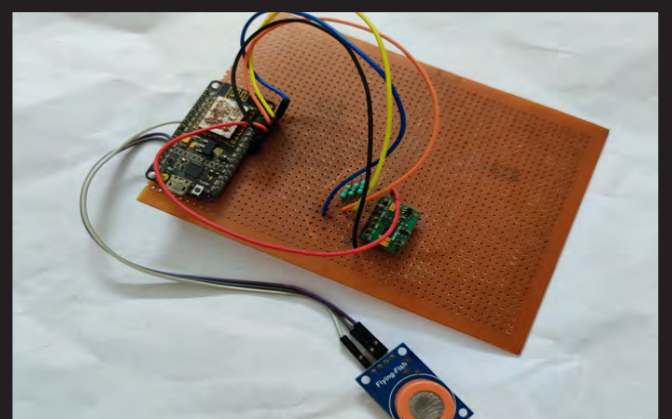

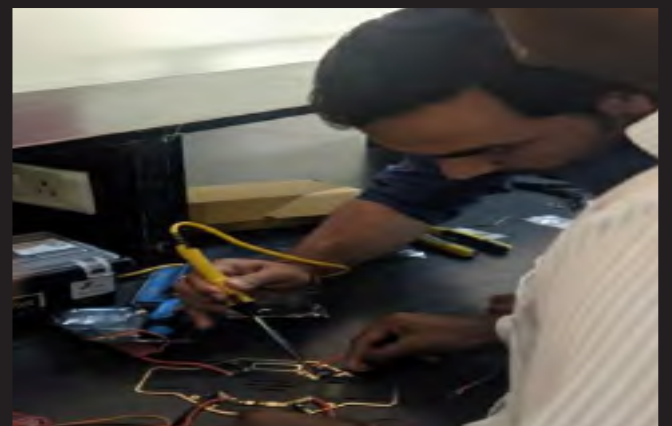

Medical Emergency Device for Assistance and to Alert Caretakers developed by Pawan Kumar Nagvanshi of BTech ECE

"Drone Technology" in the department of ECE.

Kunal Goel et.al of BTech ECE designed Intelligent Car System to protect car from damage due to accident.

Non-Invasive Alcohol Detection for Drunk Driving Prevention designed by Shikhar Shrestha et.al of BTech ECE

Galgotias students emerged as winners in the Abdul Kalam Technical University Zonal Fest

Ms. Shabda Singh, Nursing Student won 2nd prize in debate competition organised by Apollo Hospital.

Mr Ashish Kumar Lath our BBA Semester VI student went for an International Internship to Gdansk, Poland

Galgotias Business School students won first prize in Marketing and General Management category in the seminar at ABES Engg. College Ghaziabad

Eminent Script Writer- Director Madhur Bhandarkar giving award to SMCS Student for creative writing in News 24 media event 'Manthan'

RULES RELATED TO STUDENTS

1. GENERAL RULES

Students of Galgotias College of Engineering & Technology are required to follow the general rules sincerely which are not limited to the following :

1. Classes start from 9.30 a.m. and may continue up to 5.00 p.m. on all the five days of a week (Mon-Fri). Students are advised to come to the Institute by 9:25 a.m. to attend classes. As per AKTU rules 75% attendance is mandatory to appear in sessional and end semester examinations, as well.
2. Use of mobile phone / speakers during class hours/sessions, library, labs, workshop and all academic areas etc. is strictly prohibited.
3. Every student must carry his/her Identity Card while entering the campus and identify him/herself with help of the Identity Card whenever asked for.
4. No guests/visitors shall be allowed with the students in the class/lab/ library.
5. Students must help to keep the institute neat and clean and also preserve and maintain the greeneries. Eatables/beverages are not allowed inside the study areas including labs, library, workshops. Students can have their tiffin inside the canteen or class room.
6. Possession / Smoking and/or chewing of pan masala / tobacco etc. and/or possession / consumption of alcoholic drinks/drugs etc. are prohibited in the premises of the institute.
7. Students must conserve electricity and water. They must switch off lights & fans when they leave the class room, laboratories.
8. Students are advised to keep themselves updated on norms notices etc. and follow them accordingly.
9. All the labs follow certain safety and academic norms for their smooth functioning. Students are required to follow these by keeping themselves updated.
10. Any removable data storage device or hardware attachments for software operations cannot be taken in or out without written approval of the department in charge. A violation of this will be considered as an intention for piracy/theft.
11. While studying at the Institute, students will have to operate machines and tools carefully

and observe all safety regulations and see that no damage is caused to self, others or to the Institute's property, machinery and equipment. In case it is found that they have caused any damage to the Institute's property, they shall be required to reimburse or repair the damage caused. Any decision regarding the extent of their liability on such account shall be at the discretion of the Institute, which shall be final.

12. The nature of learning in any program may require the students to purchase tools, stationary items from time to time. Specific instructions in this regard will be given by the concerned department/faculty at the beginning of various courses.
13. In case of medical emergency in the laboratory, the student must inform the faculty member/ technical assistant without any hesitation.
14. Eatables/beverages are not allowed inside the study areas including labs, library, workshops.
15. Possession / use of Fire crackers / playing with colours / cards etc. is strictly prohibited in hostel and entire institute premises.
16. All the students are required to come to college in decent formal dress that suits to professional dress-code (neither awkward nor religious dresses are permitted).
17. Students shall not indulge in any kind of misdemeanor bringing opprobrium to the institution.
18. All vehicles should be parked in the allotted place. Wearing / Possession of valid identity card is mandatory.

2. INDISCIPLINE

All the students of Galgotias College of Engineering & Technology are required to maintain high degree of decorum and standard of discipline and follow all the rules strictly, laid down by the college authorities. The Proctorial Board/Discipline Committee will deal all the matters of act of indiscipline of students. If any student is found indulging in any act of indiscipline, he/she is liable to be punished as per the decision of the Proctorial Board subsequently approved by the Director. Followings are deemed to be acts of indiscipline:

1. Disregard of Institute Rules/Hostel Rules/

Library Rules, orders and notices etc.

2. Disregard of Orders and Instructions of Staff Members
3. Disruption of, or improper interference with the academic, administrative, sporting, social or other activities of the institute, whether on institute premises or elsewhere
4. Using abusive language and creating nuisance in the premises of this institute, disturbing the peace and independent rights of fellow students and faculty members
5. Ragging of Junior students and indulging in unsocial activities towards juniors
6. Irregular attendance and unauthorized absence from class or hostel individually or in mass.
7. Violent, indecent, disorderly, threatening or offensive behavior or language and action likely to cause injury or impair safety on this premises
8. Use of unfair means in tests and examinations
9. Students found in possession of stolen property
10. Failure to report indiscipline cases to the authority
11. Noisy, boisterous, disorderly and quarrelsome behavior and attitude
12. Use of any kind of weapon for any purpose
13. Use of mobiles having camera is prohibited. Mobiles without camera may be used in the campus only in free time (but not in class room, corridors, labs, tutorial room, seminar room, administrative area etc). Mobiles with camera will be confiscated. Mobiles (if in possession) must be in silent mode inside the campus
14. Fraud, deceit, deception, dishonesty or theft in relation to the institute or its staff, or a person holding any office in GCET or in relation to being a student of this institute
15. Severe action shall be carried out in case of sexual or racial harassment of any student, member of staff or other employee of this institute or any authorized visitor of this institute
16. Damage to, or defacement of GCET property intentionally or recklessly, or misappropriation of such property which includes: damaging library books, resources and furniture like cupboards/ lockers / file cabinets / walls / doors / windows / whiteboard / tables / equipment / chairs etc., by way of writing names/painting/scribbling etc.

17. Misuse or unauthorized use of the institute premises or items of property, including computer misuse

18. Being instrumental directly or indirectly for mass absenteeism or boycott of classes resulting in violating the atmosphere of the Institute, threatening, physically preventing or using any other means from preventing the students from attending classes

19. Consuming drugs, alcohol or any other activity in campus/hostel is construed as a societal offence at large

Other than these, all the students are required to observe all the safety measures and take precautions as indicated. Institute will not be responsible for accidents of any nature in the institute, hostel, workshop, laboratories and play-ground or in the campus etc. Students found to have committed any act of indiscipline inside or outside the premises are liable to punishment as per the decision of Proctorial Board. Also, no one can form any society, association, club, etc., without prior written permission of Director.

3. MEASURES AGAINST INDISCIPLINE

The tools that are used for controlling the students and keeping them disciplined are as follows:

1. Monetary fine
2. Suspension
3. Rustication
4. Deduction of marks.
5. Award of red marks.
6. Withdrawal of internet facility.
7. Withdrawal of library facility.
8. Withdrawal of counsellor facility.
9. Not allowing the students to participate in the field he/she desires or can excel.
10. Calling the parents to the college and talking to them.
11. Extra assignments.
12. Debarred from T&P for any placement assistance.

HOSTEL RULES

CODE OF CONDUCT FOR STUDENTS

1. No student shall indulge in any form of ragging of the fresher students, causing mental or physical agony or inflict monetary loss to them, harass them or indulge in any kind of obscenity, vulgarity or violence with them. Students found involved in any form of ragging are liable to severe disciplinary action, and shall be punishable under the provisions of the Indian Penal Code 1860.
2. Hostel inmates who are out of the campus shall report to college main gates by 6.30 PM and are permitted to remain in the college park up-to 8.30 PM only.
3. The Director reserves the right to permit or deny the admission in hostel to the students. The students can be asked to vacate the room at any time under unavoidable circumstances without giving any reason.
4. A new student, on arrival, will report to the warden who will permit/her to take a room/seat in one of the hostels after the student has paid his dues and got himself/herself registered. He/she must then report to the warden. All students will be required to vacate their rooms as and when required by the Institute/hostel section or before they proceed on vacations.
5. When occupying a room a student should check the room, fixtures, fittings, electrical fittings, the furniture and any other articles issued to him/her. He/She will be required to sign a receipt for these and will be responsible for their proper upkeep during his/her stay. He/She will be required to compensate the shortage found when he/she hands over the charge of the room. He/ She will also be charged for any damage caused to the fittings and the articles issued to him/her.
6. The hostel inmates will refer their difficulties to Warden and invariably report all offences connected with discipline to concern HOD's. Offences of a major nature in hostel will be referred by him/her to the Wardens /Proctorial Board who will take suitable action in the matter.
7. The Warden or a member of institute staff nominated by the Director can inspect the room of any student at any time.
8. Students are requested to avoid singing aloud, shouting or making any types of noises which are likely to distract the attention of those who may be studying in their rooms or hostel libraries.

Boys Hostel

9. Any furniture should not be removed from the rooms and used elsewhere either inside or outside the hostel without the permission of the Warden of concerning hostel block.
10. Except for Computer, AC & cooler (in summer only), electrical appliances like heaters, TV, DVD Player, etc. are not allowed in hostel rooms. Interference with the electric connections and fittings and unauthorized use of electrical appliances will be severely dealt with.
11. Air conditioners, Lights, fans, etc. should be switched on only when needed and must be switched off when not required or when going out of the room. Similarly water taps must be closed promptly after use.
12. Students are cautioned to be very careful about the safety of their belongings. They should close their rooms securely when they leave the room even for short periods or when they are sleeping. Any theft either of a student's personal property or of the Institute property should be reported promptly to the Supervisor/Warden.
13. Students should not keep large sums of money or valuable articles with them or in their rooms. They are advised to open a Savings Bank Account in a Bank/Post Office.
14. Students are not permitted to consume or take alcoholic drinks and harmful drugs like Lysergic acid diethylamide (LSD), Ganja, Charas etc. within the Hostels/college premises. Any infringement of this order or visiting any place declared out

of bounds to students will result in disciplinary action against the students concerned.

15. Powered vehicles are not allowed to be used by the students within the institute campus.
16. Students should not indulge in such acts which may disturb others at study or work in the hostels like loud playing of musical instruments or radios or loud singing or dancing etc. Students are not permitted to keep fire-arms or any lethal weapon with them even if they possess a license for it. Students are advised to keep their mobile phones very carefully and safely. Institute shall not entertain any complaint of loss/theft of mobile phones or any personal belongings of the inmates.
17. Parents, guardians, near-relatives and friends may occasionally visit the students in their hostels. The only ladies permitted in a Boys' hostel are the mother of the student concerned.
18. Students are prohibited from giving shelter to any other student/outsider in their rooms. In case of any unauthorized shelter, the student will be liable to disciplinary action.
19. For the proper management of hostel life, a hostel Committee will be constituted for various hostels with the Warden as the Chairman and members to assist him. The main activities of the hostel Council will be to look after hostel upkeep, the welfare of inmates, recreational, cultural and disciplinary activities shall be entrusted to it.
20. Allotment in the hostel depends on current year behaviour of the student. Students, unless specially permitted, will be allowed to occupy

the rooms allotted to them in their hostel only 03 days prior to commencement of their academic session. Likewise they must vacate their rooms within 05 days of the closure of their academic session.

21. Before proceeding on summer/winter vacation, students must handover the charge of their rooms, furniture and fittings etc. to the hostel Supervisor/ Caretaker / warden and get a receipt from him. If any student fails to do so, the Warden is authorized to break/open a locked room and make an inventory of the articles found therein. The student concerned will be fully responsible for any shortage found in the hostel property handed over to him. No responsibility will be accepted by the Institute for the private belongings of the students found in such rooms.
22. Students are prohibited from screening/ keeping obscene literature/video films in their possession. Any violation in this regard will result in disciplinary action.
23. Students are prohibited from doing any obscene acts in the hostel/departments/institute campus. Any violation in this regard will result in disciplinary action.
24. Students should not fix posters, notices, pictures, or anything that might damage the surface of the walls of the hostel. They should not attempt to make duplicate keys of the hostel rooms or any Hostel property therein.
25. Residents found breaking any Rules & Regulations, Terms & Conditions at any hostel(s) under the purview of this institute are liable for expulsion from the hostel/disciplinary action.

HEALTHCARE

Galgotias College Engineering & Technology (GCET) works with nearby located premier nursing homes which offer medical advice and consultation on health matters, illness and accidents round-the-clock at subsidized charges.

ON-CAMPUS CAFETERIAS

Galgotias College Engineering & Technology (GCET) has a well ventilated, spacious, centrally-located dining hall and cafeteria that provide wholesome fare to all students. The dining hall is managed by professional staff who provide hygienic and fresh vegetarian food. The cafeteria offers a good menu of multi-cuisine delights, amidst a lively, jolly atmosphere. An exclusive coffee corner sponsored by Nestle dispenses hot Nescafe and Nestea alongside a Café Coffee Day outlet.

There are water coolers with Zero-B for safe drinking water on all the floors of every building.

24x7 SECURITY

Galgotia College Engineering & Technology has a unique security system to ensure the safety and security of its students, faculty members and the campus. The campus employs trained and well-supervised security officers to assure the safety and security of the campus. Each academic and hostel block has its individual security system to meet its unique needs. Identity Cards are always to be shown while entering the campus. In addition, key areas are monitored by a CCTV & alarm system. The campus has also taken measures for immediate emergency eviction whenever the fire alarm system is activated. Various measures for campus security promote a safe and welcoming environment.

LIBRARY

At GCET Central library, we are committed to deliver high-quality information services. The library services are provided to students, faculty and staff members for updating their knowledge and supporting the research and teaching / learning activities. Our Library is the center of intellectual life for all users at GCET. We provide all relevant resources and favorable study environment needed for our students and faculty as well. We endeavor to support students in all aspects during their studies. The library has a very rich collection of relevant books, journals, magazines, Newspapers Clippings including digital facilities such as e-books, e-Journals for GCET fraternity.

It gives me great pleasure to welcome you to step into our Library and explore the intellectual resources and give us an opportunity to serve you for academic excellence. Library would like to support you in your studies, and in making good use of your knowledge; we will help you to locate, select and acquire the information you need. The Library continually works to further the development of its services and we aim to provide you with the best possible service.

Resources

Books: The Library has a total collection of about 8845 Titles and 72855 Volumes of Book including Reference and Text books. Text and reference books are arranged on open access shelves for easy search and retrieval purpose.

Reference Collection: Library has also put together an impressive collection of Subject Books, Literature, Fictions, Encyclopedias, Dictionaries, Year Book, Handbook, Directory, Competition books, Personality Development and General books for improving the reading habit of the students.

Print Journals and Magazines: Library has subscription of 139 Print Journals and 16 Magazines.

E- Journals: Library has subscribe IEEE Xplore, IESTC e-journals through DELNET

News Paper Collection: Library subscribes 9 News papers both in English and Hindi languages. Six month old newspaper collection is available in the library.

Services

- Library provides printing, scanning and photocopying services to all the faculty and students.
- Provides network resource sharing facilities through DELNET and Inter Library Loan Services from neighboring Institution libraries.
- NPTEL (IITs and IISc online Lectures)
- Member of Developing Library Network and National Digital Library.
- 30 PCs are available for users to access OPAC, databases, e-books, e-journals, and other e-resources.
- The reading area in the library has been Wi-Fi enabled to provide wireless Internet access. Users are welcome to use their laptops in the library.

Anti Ragging Committee

To prevent ragging inside the college premises, an anti-ragging committee has been formed as per the details mentioned hereunder. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. (Dr.) Vikram Bali	Director
Mr. Manish Kr Verma (DM, G.B. Nagar)	DM
Mr. Vipin Kr. Yadav (Knowledge Park)	SHO
Prof. R.L. Yadava (ECE)	Chief Proctor
Prof. Kakoli Dey (HoD Humanities)	Member/ Proctor (Girls)
Prof. Rajendra Prasad (AS&H)	Member/Dy. Proctor
Prof. Akhil Agnihotri (MBA)	Member/Dy. Proctor
Prof. Anil Kumar Sethi (ME)	Member/ Dean Hostel
Prof. Ranjana Kumari (ECE)(Girls Hostel)	Member/ Dy. Dean
Prof. Ramveer Singh (CSE)	Member
Prof. Neeraj Kaushik (MCA)	Member
Prof. Shahid Eqbal (ECE)	Member
Prof. Preeti Dhiman (EE)	Member
Ms. Archana Das (IT)	Member
Mr. Ashish N Mishra (Admin Officer)	Member
Mr. Suresh Kumar (Boys- Sr. Hostel Warden)	Member
Ms. K Chaudhary (Girls-Hostel Warden)	Member
Ms. Namrata Singh (Girls-Hostel Warden)	Member
Mr. Tanay Agrawal (Student CSD-II Yr)	Member
Mr. Ayush Pandey (Student CS-AI-II Yr)	Member
Ms. Prachi Chaudhary (Student Representative ECE-III Yr)	Member
Ms. Bhumi (Student ECE-III Yr)	Member
Mr. Abhay Singh Rajput (Student Representative (ME-III Yr)	Member
Mr. Wakil Ahmad (Parent Representative)	Member

Proctorial Board

To maintain discipline amongst students of the college, a proctorial board comprising of the following faculty members is hereby constituted. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. R.L. Yadava (ECE)	Chief Proctor
Dr. Kakoli Dey (HoD Humanities)	Member/ Proctor (Girls)
Dr. Rajendra Prasad (AS&H)	Member/ Dy. Proctor
Dr. Akhil Agnihotri (MBA)	Membe / Dy. Proctor
Dr. Pratap Kumar (AS&H)	Member
Dr. Praveen Berwal (CE)	Member
Ms. Preeti Dhiman (EE)	Member
Mr. Sandeep Kr Tripathi (EEE)	Member
Mr. Shivam Gupta (ECE)	Member
Ms. Sonal Shukla (CSE)	Member
Dr. Avinash Kr Yadav (AS&H)	Member
Mr. Neeraj Kaushik (MCA)	Member
Dr. Shahid Eqbal (ECE)	Member
Dr. Pallavi Goel (CSE-AI)	Member
Mr. Anuj Kr Diwedi (CS-AIDS)	Member
Dr. Javed Miya (IT)	Member

Institute Quality Assurance Cell

We are pleased to announce that the Internal Quality Assurance Cell (IQAC) has been established to foster a system of conscious, consistent, and catalytic actions aimed at improving the academic and administrative performance of the institution.

The IQAC will also function as a statutory body to promote initiatives for institutional functioning, ensuring quality enhancement through the internalization of a quality culture and the institutionalization of best practices.

Name of the Member	Membership
Prof. (Dr.) Vikram Bali, Director	Chairperson
Dr. Dhruv Galgotia	CEO
Dr. Rishav Garg, Dean, IQAC	Coordinator
Adv. (Dr.) Albel Bhatti (Advocate and Social Worker)	External Member
Dr. Ankur Choudhary (Alumni)	External Member
Er. Naveen Jain (Delivery Head, TCS)	External Member
Mr. Amandeep Garg (MD, Creative Design Consultants and Engineers Pvt. Ltd)	External Member
Prof. S. K. Singh (HOD-IT)	Member
Prof. Reena Sharma (HOD-EEE)	Member

Dr. Parmod Bhatia, Prof. (ME)	Member
Dr. Richa Sharma, Associate Professor (ECE)	Member
Dr. Leena Singh, Associate Professor (ASH)	Member
Dr. Tanya Chouhan, Assistant Professor (MBA)	Member
Er. Mohit Mittal, Assistant Professor (CSE)	Member
Mr. Ashish Narayan Mishra (Admin. Officer)	Member
Ms. Molisha Agarwal (Student-CSD)	Student Member
Mr. Shubh Choudhary (Student- CE)	Student Member
Dr. Rajendra Prasad, Professor	Parent Member

Grievance Redressal Committee

To maintain the discipline by ensuring strife free atmosphere, a Grievance Redressal Committee has been constituted, as per below mentioned details. All members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. (Dr.) Vikram Bali, Director	Chairperson
Dr. Bipin Kumar Srivastava, DSW	Convener
Prof. Jaspreet Kour (ECE)	Member
Dr. Tanu Shree, Associate Professor (CSE)	Member
Prof. Anoop Kumar (CE)	Member
Prof. Sanjaya Tripathi (MCA)	Member
Mr. Raunak Gupta (IV-Yr, CSE)	Special Invitee

Internal Complaint Committee/ Women Cell

As per All India Council for Technical Education notification F. No. AICTE/WH/2016/01 dated 10-06-2016 and F. No. 37-3/Legal/2012 dated 25-05-2012, GCET is committed to upholding a healthy environment that enables employees and students to study and work without fear of prejudice, gender bias and sexual harassment. A cell of following members will resolve the grievances of students, parents & others and will take all necessary and reasonable steps to assist the affected person in terms of support and preventive action. All members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. Jaspreet Kour	Professor, ECE Deptt
Prof. Priya Srivastava	Professor, ASH
Dr. Yash Veer Singh	Professor, CSE
Dr. Sunil Kumar Chaudhary	Professor, EE
Mr. Vinod Kumar	Registrar
Ms. Dolly Thomas	Receptionist
Ms. Shatakshi Holker	Student 3rd Year, EEE
Ms. Akriti Jha	Student 3rd Year, ECE
Ms. Sneha Gangwar	Student 2nd Year, CSE
Mr. Priyesh Singh	Student 3rd Year, CS (AI)
Ms. Shweta	Student 4th Year, DS
Dr. Seema Shrivastav	Founder – Nisarg Maitri

SC/ST Cell

As per the Scheduled Castes and the Scheduled Tribes (Prevention of Atrocities) Act 1989, No. 33 of 1989, dated 11-09-1989, the SC/ST Cell has been formed to monitor and endeavor to resolve issues/grievances relating to SC/ST students at institute level. The committee comprises of members as mentioned below. All members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. (Dr.) Vikram Bali	Chairman
Mr. Vinod Kumar (Registrar)	Convener
Ms. Pooja Bharti (CS)	Member
Mr. Anoop Kumar (CE)	Member
Ms. Sweeti Singh Gautam (MCA)	Member

Alumni Committee

To coordinate, organize alumni meet and to take feedback from passing out students regarding facilities on campus, a committee of following members has been formed. The details are mentioned hereunder. All members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. Bipin Kr. Srivastava	Head
Mr. Pradeep Bhardwaj	Member
Mr. Alok Kumar	Member
Ms. Preeti Dhiman	Faculty Coordinator-EE
Mr. Neeraj Kaushik	Faculty Coordinator - MCA
Ms. Diptimayee Dash	Faculty Coordinator - EEE
Dr. Meenu Kalra	Faculty Coordinator - CE

Ms. Lucknesh Kumar	Faculty Coordinator - CSE
Mr. Amanpreet S Saini	Faculty Coordinator-ECE
Mr. Vivek Agrawal	Faculty Coordinator - IT
Dr. Anil Kr. Shrivastava	Faculty Coordinator - ME
Ms. Jyoti Yadav	Faculty Coordinator - MBA

Exam Cell

To look after all the affairs/works related to conduct of internal, external and competitive examinations, a Cell has been formed. This Cell comprises of the following members. All members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. Jeetendra Jumar Yadav	CoE
Mr. Atul Kumar	Asstt. CoE
Mr. Rahul Kumar	Asstt. CoE
Dr. Arun Kumar	Member
Mr. Neeraj Kaushik	Member
Mr. Manish Kumar Sharma	Member
Dr. Vinay Kumar Gautam	Member
Dr. Brijesh Kumar Singh	Member
Mr. Rahul Singh Rathor	Member
Dr. Ravendra Singh	Member
Mr. Manoj Kumar Saini	Member
Mr. Kuldeep kulshrestha	Office Executive

Equal Opportunity Facilitation Cell (EOFC)

As per AICTE guidelines, "Equal Opportunity Facilitation Cell (EOFC)" has been established to provide equal opportunity for education for all, irrespective of caste gender and abilities including Persons with Disabilities (PwDs). The introduction of the National Education Policy 2020 has accelerated the need for creation of an 'inclusive education' system that caters to students with both visible and invisible disabilities.

Name of the Member	Membership
Dr. Bipin Kumar Srivastava	Dean Student Welfare
Prof. Jaspreet Kour	Professor, ECE
Mr. Anoop Kumar	Assistant Professor, CE
Dr. Rahul Vivek Purohit	Dean Administration
Mr. Ashish Mishra	Administrative Officer

Library Committee

A Library committee has been constituted which consists the members as per the details mentioned

below. The function of the committee is to help the operations of the library so that it can facilitate the library development plans. The purpose of the library committee is to act as guidance for the holistic development of library and to establish a bridge between the library and the academic fraternity. All members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. (Dr.) Vikram Bali (Director)	Chairperson
Prof. Anuj Kr. Dwivedi (CSE)	Dean Library
Dr. Mamta Rajput	Librarian
Prof. Brijesh Kumar Singh (MBA)	Member
Prof. Ranjana Kumari (ECE)	Member
Prof. Mukesh Kumar (CSE)	Member
Prof. Suresh Kumar (IT)	Member
Prof. Ravindra Kumar (EEE)	Member
Prof. Nagesh Kr. Srivastava (ME)	Member
Prof. Ram N Mahto (Humanities)	Member
Prof. Dushyant Kumar (AS)	Member
Prof. Sanjaya Tripathi (MCA)	Member
Prof. Preeti Dhiman (EE)	Member
Prof. Inderjeet Singh (CE)	Member
Mr. Ashwani Ramraje (Library Section)	Member
Mr. Shrikrishan Thapliyal (Library Section)	Member
Mr. Keshav Ram Verma (Library Section)	Member
Mr. Aditya P Dubey (Student)	Member
Ms. Vaduni Niranjan (Student)	Member

Media Cell

A media cell, comprising the Following, has been constituted to take care of all the works associated with Media (Social media/News/Magazine/Newsletter/ College Website/Print Media etc):

Name of the Member	Membership
Mr. Alok Kumar , ECE Department	Convener
Mr. Mohit Mittal , CSE Department	Member
Dr. Bidyut Mallick, AS Department	Member
Mr. Amit Saini, ECE Department	Member
S Kamran Ahmed, Admin Department	Member

Counsellor / Counselling Cell

To sort out the problems of students, reach appropriate solutions, take responsible decisions, and enable students to become self-actualized

individuals, a Cell has been formed. Following faculty shall be the student counsellor for the Session: 2019-20. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Prof. Priya Srivastava (VE Cell)	Chief Counsellor
Mr. Dalvir Singh (ME)	Chief Mentor
Ms. Lipika Dutta (EE)	Member
Mr. Kanhaiya Kumar (EEE)	Member
Dr. Shimpy Goyal (CSE)	Member
Ms. Anam Khan (IT)	Member
Ms. Diksha Gupta (MBA)	Member
Mr. Vikas Kumar (MCA)	Member
Mr. Amit Gupta (ECE)	Member
Mr. Mohit Aggarwal (CE)	Member

Core Research Committee

With the motive of promoting research and related activities, a Core Research Committee has been constituted. The committee members are as per the details mentioned hereunder. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. Sachin Kumar	Professor, CSE
Dr. Mohammad Amir Khan	Prof., Civil Engineering
Dr. Kavita Sharma	Professor, CSE
Dr. Sachin Kumar Gupta	Associate Prof., ECE
Dr. Bidyut Mahato	Assistant Prof., EEE
Mr. Vineet Kr Chauhan	Assistant Professor, IT
Dr. Ashok Kumar	Assistant Professor, ME
Dr. Rajeev Mishra	Associate Prof., ASH
Dr. Nirpendra Kr Singh	Assistant Prof., MCA
Dr. Mohammad Shahid	Professor, EE
Dr. Muskan Khan	Assistant Prof., MBA

AKTU E-Resource Consortium Committee

A committee to look after all the works related to AKTU e-resource consortium has been constituted. The deputed members are mentioned hereunder. All the members are requested to extend their full cooperation and do all the needful in this respect with full efficiency.

Name of the Member	Membership
Prof. (Dr.) Vikram Bali, Director	Chairman
Dr. Brijesh Singh (Dean Academics)	Convener

Dr. Rishav Garg (Dean IQAC, HoD CE & Head QAC)	Co-Convener
Dr. Narendra Kr. Dean Incubation)	Member
Dr. Sachin Kumar (Dean R&D)	Member
Dr. Richa (Head AET)	Member

MOOCs/ PARAKH Committee

To look after all the affairs/works related to Swayam, Online Courses, MOOCs, a committee has been constituted as per the details mentioned below. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. Kiran Srivastava (EEE)	Professor
Dr. Ajay Kumar (CSE & Allied)	Associate Prof.
Ms. Sonal Shukla (CSE & Allied)	Assistant Prof.
Dr. Monika Bhatnagar (ECE)	Associate Prof.
Mr. Suresh Kumar (IT)	Assistant Prof.
Mr. Manoj Saini (EE)	Assistant Prof.
Dr. Anil Kumar Shrivastava (ME)	Professor
Mr. Niranjana Sahoo (ME)	Assistant Prof.
Dr. Muskan Khan (MBA)	Associate Prof.
Mr. Mohd Shahajad (MCA)	Assistant Prof.
Ms. Neha Verma (First Year)	Assistant Prof.

Academic Excellence Team

To enhancing academic standards and promoting a culture of continuous improvement within the institution Academic Excellence Team has been formed as per the details mentioned below. All the members are requested to extend their full cooperation.

Name of the Member	Membership
Dr. Richa (Associate Prof., ECE)	Convener
Dr. Dushyant Kumar (Associate Professor, Applied Science)	Co-Convener
Mr. Mohit Mittal (Assistant Professor, CSE)	Member
Mr. Akash Bhasney (Assistant Professor, CSE)	Member
Mr. Raj Vikram Singh (Assistant Professor, CE)	Member
Dr. Niranjana Sahoo (Assistant Professor, ME)	Member
Ms. Kanak Tripathi (Assistant Professor, MCA)	Member
Dr. Kalpana Hazarika (Assistant Professor, EEE)	Member
Mr. Alok Kumar (Assistant Professor, ECE)	Member

Dr. Tanya Chauhan (Assistant Professor, MBA)	Member
Mr. Vineet Kumar (Assistant Professor, IT)	Member

Quality Assurance Cell

To enhance the overall quality of education and institutional processes Quality Assurance Cell (QAC) has been established at the institute level. The QAC will monitor and evaluate academic programs, and administrative functions, ensuring that all aspects of the institution align with best practices and standards. The following will be the members of this committee:

Name of the Member	Membership
Dr. Rishav Garg (Dean IQAC & HoD-CE)	Convener
Dr. Pawan KrArora (Professor, ME)	Co-Convener
Dr. Suprakash Biswas (Prof., CE)	Member
Dr. Veena Mittal (Professor, IT)	Member
Dr. Ajay Kumar (Associate Prof., CSE)	Member
Dr. Kapil Deo Bodha (Associate Professor, EEE)	Member
Dr. Nitesh Kumar Singh (Assistant Professor, EE)	Member
Dr. Sadanand (Assistant Professor, Applied Sciences)	Member
Mr. Amit Sharma (Assistant Professor, MCA)	Member
Dr. Sandeep Singh (Assistant Professor, MBA)	Member
Ms. Sakshi Mittal (Assistant Professor, ECE)	Member

Innovation Cell

Galgotias Centre for Experiential learning, Innovation and Incubation (GCELII) has been established with an objective of practicing innovation based on experiential learning to inculcate excellence in Technocrats, Researchers and Inventors (TRI) and to incubate the Multi Business Model (MBM). Following are the members of Innovation Cell:

Name of the Member	Membership
Dr. Narendra Kumar (Professor, CSE)	Dean, GCELII & President IIC.
Dr. Ashish Pandey (Assistant Professor, ECE)	Deputy Dean, GCELII & Vice-President IIC.
Dr. Pankaj Pathania (Associate Professor, AS)	Deputy Dean, GCELII & Convener IIC
Dr. Youddha Beer Singh (Associate Professor, CSE)	Convener IPR Activity & IIC Member

Mr. Kiran Kumar (Assistant Professor, IT)	Convener NISP & IIC Member
Dr. Ashok Kumar Singh (Associate Professor, ME)	Co-Convener IPR Activity & IIC Member
Dr. Pawan Kr. Kushwaha (Assistant Professor, EEE)	Co-Convener NISP, Start-up Activity Coordinator & IIC Member
Mr. Ravindra Kumar (Assistant Professor, CSE)	Start-up Activity Coordinator, Social Media Coordinator & IIC Member
Mr. Rohit Kumar (Assistant Professor, MBA)	Business Model Coordinator & IIC Member
Mr. Vikas Kumar (Assistant Professor, MCA)	Start-up Activity Coordinator & IIC Member

Institution-Industry Cell

To interact between institution and industry, bridge the gap between academia and Industry, enhance skills and to assist the students to get suitable placements at National and International level, a cell has been formed as per the details mentioned below:

Name of the Member	Membership
Dr. Narendra Kumar	Professor, CSE
Dr. Ashish Pandey	Assistant Professor, ECE
Dr. Pankaj Pathania	Associate Professor, AS
Dr. Youddha Beer Singh	Associate Prof., CSE
Mr. Kiran Kumar	Assistant Professor, IT
Dr. Ashok Kumar Singh	Associate Professor, ME
Dr. Pawan Kr. Kushwaha	Assistant Prof., EEE
Mr. Ravindra Kumar	Assistant Professor, CSE
Mr. Rohit Kumar	Assistant Prof, MBA
Mr. Vikas Kumar	Assistant Professor, MCA

Center Support Cell

To streamline the process for addressing IT-related issues center support cell has been constituted as per the details mentioned below.

Name of the Member	Membership
Mr. Lucknesh Kumar	Assistant Professor, CSE
Mr. Shubham Dubey	System Administrator
Mr. Surendra Singh	System Administrator
Mr. Amit Kumar	Network Administrator
Mr. Ashwani Verma	Lab Technician
Mr. Satya Prakash Verma	Lab Technician

COURSES OFFERED

Course Name	Branch Name	Duration	Approved Intake
B.Tech	Artificial Intelligence and Data Science	4 Years	60
B.Tech	Artificial Intelligence and Machine Learning	4 Years	60
B.Tech	Civil Engineering	4 Years	60
B.Tech	Computer Science and Design	4 Years	60
B.Tech	Computer Science and Engineering	4 Years	180
B.Tech	Computer Science and Engineering (Hindi)	4 Years	60
B.Tech	Computer Science and Engineering (Artificial Intelligence)	4 Years	180
B.Tech	Computer Science and Engineering (Artificial Intelligence and Machine Learning)	4 Years	120
B.Tech	Computer Science and Engineering (Data Science)	4 Years	120
B.Tech	Electrical & Electronics Engineering	4 Years	60
B.Tech	Electrical Engineering	4 Years	60
B.Tech	Electronics and Communication Engineering	4 Years	180
B.Tech	Electronics and Communication (Advanced Communication Technology)	4 Years	60
B.Tech	Electronics Engineering (VLSI Design and Technology)	4 Years	60
B.Tech	Information Technology	4 Years	120
B.Tech	Mechanical Engineering	4 Years	60
MBA	MBA	2 Years	180
MBA	MBA (Logistics and Supply Chain Management)	2 Years	60
MCA	MCA	2 Years	180

COMPUTER SCIENCE AND ENGINEERING

B.Tech Computer Science and Engineering

Program Overview : The Department of Computer Science and Engineering provides world-class research and education in modern computer science. The department has a cohesive team of well-experienced faculty members having wide experience in recent technologies like Cloud computing, Grid Computing, High Performance Computing, Multimedia, etc. It has different computer labs like Data Structure lab, Operating System lab, Multimedia lab, Web Technology lab, and Research & Development lab. It also promotes active industry-institute collaboration by identifying areas of interest.

Some of the major research areas that the faculty members and students working on are Computer Networks, Database Systems, Multimedia, Image Processing, Software Engineering, Computer Architecture, Information Systems – Security, and Data Mining.

The department excels in varied focus areas ranging from curriculum as prescribed by AKTU to emerging courses. An extracurricular calendar of events and competitions gives students ample opportunities to work together while gaining real-world experience that prepares them for their future careers. The department has an extensive student engagement framework through regular interactions, annual educational tours, regular feedback mechanisms, professional chapters, and societies. The focus of the department is on state-of-the-art projects to be done by our B.Tech students, excellent teaching-learning process, better alumni relations, good industry-linked program, and outcome-based education.

Galgotias Computer Science graduates are highly sought after by industry-leading companies due to the comprehensive education and numerous certification programs they complete during their studies. These certifications and programs significantly enhance their employability and result in excellent placement opportunities with competitive salary packages. Graduates contribute to the development of cutting-edge technologies, aiming to improve the quality of life for future generations. Here are some key benefits and opportunities available to our students

Duration	Eligibility	Annual Fee
4 Years	B.Tech : 10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

B.Tech Computer Science and Engineering (Data Science)

Program Overview : Tech CSE in Data Science under the Department of Computer Science and Engineering in GCET offers a vital interdisciplinary combination mainly of computer science, mathematics, and business analytics that traces the major areas of the contemporary fields around the world. Every day, 2.5 quintillion bytes of data are generated due to the increase in usage of social media platforms, and demand for data science is growing drastically. This program integrates data science into core computer science. It aims to enable students to excel in specific areas of data science, equipping them with the engineering and scientific principles essential to finding solutions to life's problems in data science. It is intended to allow the use of mathematical models that have Students introduced to the intuitive analysis of data and develop marketable skills that build on the solid foundation of data science. B.Tech CSE, specializing in data science, was launched in 2020. It includes major methods consisting of knowledge extraction to analyze the insights of huge-sized data. It incorporates statistics, machine learning, business analytics, visualization, scientific computing, Big data, and data analytics. The B.Tech in Data Science started with the intention of delivering top-class analytics education under the curriculum of AKTU. Some of the major research areas in which our faculty members are engaged include Machine Learning, Big Data, Data Mining, Business Intelligence, and Analytics. It supports industry collaboration through planned retreats.

The focus of the program is to create industry-ready data science professionals who can handle complex real-world problems effectively and efficiently. The faculty members encourage and facilitate students to do real-world projects by providing an excellent teaching and learning environment, the best industry and academia interfaces,

and outcome-based education for the delivery of knowledge and information to the students. The B. Tech in Data Science under the Department of Computer Science and Engineering in GCET is equipped with a well-managed data science laboratory for conducting experiments and hands-on training in the field of data science.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

B.Tech Computer Science and Engineering (Artificial Intelligence)

Program Overview : The B.Tech CSE in Artificial Intelligence in GCET offers a world-class academic environment for learning AI. The AI is a vital part of many stimulating consumer and business tools such as semantic search, speech recognition recommendation systems, 3D sensing in consumer gaming, and machine translation. The B. Tech in AI brings all of these verticals together and offers a structure for the industry to engage students and faculty efficiently and effectively. The offered program signifies a new era of close involvement with major companies under the curriculum of AKTU. It supports industry collaboration through planned retreats. Some of the major research areas in which our faculty members are engaged include Machine Learning, Deep Learning, Natural Language Processing, Computer Vision, Robotics, Genomics, Healthcare, IoT, and Autonomous Vehicles. The focus of the program is to encourage and facilitate students with the real-world projects to be done by them, to provide excellent teaching and learning environment, best industry and academia interfaces and outcome-based education for delivery of knowledge and information to the students. The B. Tech in Artificial Intelligence under the Department of Computer Science and Engineering in GCET is equipped with well well-managed Artificial Intelligence laboratory for conducting experiments and hands-on training in the stream of Artificial Intelligence.

Duration	Eligibility	Annual Fee
4 Years	B.Tech : 10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

B.Tech Computer Science & Engg. (Artificial Intelligence & Machine Learning)

Program Overview : The B.Tech Computer Science and Engineering in Artificial Intelligence and Machine Learning under the Department of Computer Science and Engineering in GCET offers a world-class academic and integrated environment for learning Artificial Intelligence and Machine learning. AI is a vital part of many stimulating consumer and business tools such as semantic search, speech recognition recommendation systems, 3D sensing in consumer gaming, and machine translation. Machine learning is the science of getting computers to act without being explicitly programmed. In the past decade, machine learning has given us self-driving cars, practical speech recognition, effective web searches, and a vastly improved understanding of the human genome. Machine learning is so pervasive today that you probably use it dozens of times a day without knowing it. The B. Tech., CSE in AI & ML brings all of these verticals together and offers a structure for the industry to engage students and faculty efficiently and effectively. The offered program signifies a new era of close involvement with major companies under the curriculum of AKTU. It supports industry collaboration through planned retreats. Some of the major research areas in which our faculty members are engaged include Machine Learning, Deep Learning, Natural Language Processing, Computer Vision, Robotics, Genomics and Healthcare, IoT, and Autonomous Vehicles. The focus of the program is to encourage and facilitate students with real-world projects based on the AI and ML concepts to be implemented by them, by providing an excellent teaching and learning environment, best industry and academia interfaces, and outcome-based education for delivery of knowledge and information to the students. The B. Tech., CSE in Artificial Intelligence and Machine Learning in GCET is equipped with a well-managed Artificial Intelligence and Machine Learning laboratory for conducting experiments and hands-on training in the stream of Artificial Intelligence.

Duration	Eligibility	Annual Fee
4 Years	B.Tech : 10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

B.Tech Artificial Intelligence and Machine Learning (AI-ML)

Program Overview : The B. Tech in Artificial Intelligence and Machine Learning under the Department of Computer Science and Engineering in GCET offers a world-class academic and integrated environment for learning Artificial Intelligence and Machine learning. AI is a vital part of many stimulating consumer and business tools such as semantic search, speech recognition recommendation systems, 3D sensing in consumer gaming, and machine translation. Machine learning is the science of getting computers to act without being explicitly programmed. In the past decade, machine learning has given us self-driving cars, practical speech recognition, effective web searches, and a vastly improved understanding of the human genome. Machine learning is so pervasive today that you probably use it dozens of times a day without knowing it. The B. Tech. in AI & ML brings all of these verticals together and offers a structure for the industry to engage students and faculty efficiently and effectively. The offered program signifies a new era of close involvement with major companies under the curriculum of AKTU. It supports industry collaboration through planned retreats. Some of the major research areas in which our faculty members are engaged include Machine Learning, Deep Learning, Natural Language Processing, Computer Vision, Robotics, Genomics and Healthcare, IoT, and Autonomous Vehicles. The focus of the program is to encourage and facilitate students with real-world projects based on the AI and ML concepts to be implemented by them, by providing an excellent teaching and learning environment, best industry and academia interfaces, and outcome-based education for the delivery of knowledge and information to the students. The B. Tech. in Artificial Intelligence and Machine Learning in GCET is equipped with well well-managed Artificial Intelligence and Machine Learning laboratory for conducting experiments and hands-on training in the stream of Artificial Intelligence.

Duration	Eligibility	Annual Fee
4 Years	B.Tech : 10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

B.Tech Artificial Intelligence and Data Science

Program Overview : The B.Tech in Artificial Intelligence and Data Science under the Department of Computer Science and Engineering at GCET offers a world-class academic environment for learning AI. Artificial intelligence and data science is a new field of research that addresses scientific methods, processes, and technologies in a variety of disciplines such as statistics, cognitive science, computer science, and information science and extracts knowledge from structured and unstructured data. This knowledge is applied to make various intelligent decisions in business applications. Artificial intelligence and data science focus on data collection, classification, strategy, analysis, and interpretation. This is a specialized department dedicated to the development of data-driven solutions, data visualization tools, and big data analysis technologies. It also includes the concepts of machine learning and the construction of deep learning models to solve various computational and real-world problems. The B. Tech in AI & DS brings all of these verticals together and offers a structure for the industry to engage students and faculty efficiently and effectively. The offered program signifies a new era of close involvement with major companies under the curriculum of AKTU. It supports industry collaboration through planned retreats. This course helps to explore concepts such as AI, Data Analytics, Data visualization, Machine Learning, Deep Learning, semantic web and social network analytics, Blockchain Technologies, and Data Security and Privacy. The focus of the program is to persuade and assist students to produce innovative solutions for real-world projects by providing an excellent teaching and learning environment, best industry and academia interfaces, and outcome-based education for delivery of knowledge and information to the students. The B. Tech in Artificial Intelligence and Data Science under the Department of Computer Science and Engineering in GCET is equipped with well

well-managed Artificial Intelligence and Machine Learning laboratory for conducting experiments and hands-on training in the stream of Artificial Intelligence.

Duration	Eligibility	Annual Fee
4 Years	B.Tech : 10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

B.Tech Computer Science and Design

Program Overview : The B. Tech in Computer Science and Design under the Department of Computer Science and Engineering in GCET offers a vital interdisciplinary combination to design and implement efficient software solutions using suitable algorithms, data structures, and other computing techniques of contemporary fields around the world. The B.Tech. in Computer Science and Design aims to develop graduates who are not only well versed with computing approaches, tools, and technologies but are also experienced with Design approaches and new Media technologies and uses. The program has a set of core courses in Computer Science and Design, and many electives that can be taken from CS as well as Design and Digital Media. This enables the students to build a program most suitable for them. The program will prepare students to work in the IT industry as well as the digital media industry like gaming, animation, virtual/augmented reality, etc. The program also enables students seeking higher research to pursue higher research in computer science/computer science or design. This course provides knowledge in the fields of Computer graphics, Data visualization, Image processing, Spatial computing, Mobile computing, Information retrieval, Computer vision, Machine learning, GPU Computing, Multimedia technologies (including authoring tools), Software engineering, etc. The offered program signifies a new era of close involvement with major companies under the curriculum of AKTU. It supports industry collaboration through planned retreats. The focus of the program is to create industry-ready system design professionals who can handle complex real-world problems effectively and efficiently. The faculty members of the department encourage and facilitate students to do real-world projects, provide an excellent teaching and learning environment, best industry and academia interfaces, and outcome-based education for the delivery of knowledge and information to the students. The B. Tech in Computer Science and Design under the Department of Computer Science and Engineering in GCET is equipped with a well-managed design and multimedia laboratory with all design-oriented tools for conducting experiments and hands-on training in the field of Computer Science and Design.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

ELECTRICAL & ELECTRONICS ENGINEERING

B.Tech Electrical & Electronics Engineering

Program Overview : The Department of Electrical and Electronics Engineering of Galgotias College of Engineering & Technology was established in the year 2007 with the approval of All India Council for Technical Education (AICTE), New Delhi. The department is offering the 4 years B.Tech. (EEE) program that has been accredited by National Board of Accreditation (NBA). Department has well established laboratories with modern infrastructure containing different types of equipment in excellent working condition. The department has well qualified and dedicated faculties from IITs, NITs, and other reputed institutes. The students of the department are regularly exposed to the latest trends in the field of electrical and electronics engineering through regular industrial visits, guest lectures, workshops, seminar, and conference etc. The department successfully conducted IEEE conferences. The department is headed by Dr. Reena Sharma who received Ph.D. from IIT (ISM) Dhanbad after M.Tech. from NIT Kurukshetra. She has been involved in teaching for last 15 years in the prestigious institutions. She has published SCI and Scopus papers in the different International Journals and Conferences.

The department is well equipped with the state-of-the-art laboratories (Microprocessor and Microcontroller, Network Analysis & Synthesis, Electrical Measurements, Control Systems, etc.) and research facilities. During the past years the students of EEE have performed well in their academics and got the selection in PSUs and IES. The students are well placed in Top MNCs like Wipro, IBM, TCS, Infosys, Microsoft, Oracle, HCL etc. and many core companies. The department encourages students and staff to present and publish the papers, research articles in reputed international / national conferences and journals. Apart from this the students of EEE are actively participating and achieving remarkable appreciations & prizes in co-curricular activities like paper presentations, project exhibitions, national level symposiums, internship programs, sports and other cultural activities in various engineering colleges.

Duration	Eligibility	Annual Fee
4 Years	<p>Passed 10+2 examination with Physics, Mathematics as compulsory subject and one subject from Chemistry/ Bio-Technology/ Biology/ Technical Vocational subject, as per latest norms of AICTE/AKTU. Obtained at least 45% marks (40% for SC/ST) in the above subjects taken together.</p> <p>OR</p> <p>Passed 3 years Diploma examination with at least 45% marks (40% for SC/ST) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted. Entrance Exam Portal: https://jeemain.nta.nic.in</p>	Rs. 1,15,603/-

ELECTRICAL ENGINEERING

B.Tech Electrical Engineering (EE)

Program Overview : The Electrical Engineering (EE) is one of the core branches of Galgotias College of Engineering & Technology, which has an excellent infrastructure to promote congenial academic environment to impart quality education. The department of Electrical Engineering has well equipped laboratories and a team of well qualified and dedicated faculty members and technical staff. Currently, the department has an annual intake of 60 students in the B.Tech programmes in Electrical Engineering with 5% Lateral Entry Scheme.

The objective of Electrical Engineering department is to equip the students with technical skills in the field of Electrical Engineering which is concerned with Generation, Transmission, Distribution, Utilization and Control of Electrical Energy. The department is fully committed to provide theoretical and practical knowledge to the students of electrical engineering as per modern industries requirement. The department conducts workshops and guest lectures from reputed industries to enhance practical knowledge of the students. Also, every year the department organizes an industrial tour to give industrial exposure to the students of electrical engineering.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

ELECTRONICS & COMMUNICATION ENGINEERING

B.Tech Electronics and Communication Engineering

Program Overview : The Electronics and Communication Engineering department is headed by Dr. Rahul Vivek Purohit and has 41 faculty members who have received their higher education from top-notch universities. The faculty members of this department are consistently excelling in both teaching and research. The department offers a B.Tech in Electronics and Communication Engineering with an intake of 180 students.

Presently, the B.Tech ECE program is accredited by the National Board of Accreditation. The B.Tech program

attracts the brightest students in the state every year. The department's placement record has always been impressive, with almost 100% of the students securing jobs through campus placement, many of them in core companies. We encourage students to undertake design and research-based projects during their B.Tech degrees.

The department has state-of-the-art laboratories in almost all areas of Electronics and Communication, equipped with the latest simulation tools to cater to various specializations. These facilities are suitable for measurement, characterization, and synthesis of both experimental and theoretical results. The department has organized several guest lectures, short-term training programs, workshops, seminars, symposiums, and conferences in the field of Electronics and Communication.

The department is actively involved in R&D activities and regularly publishes its research in reputed journals and conferences. The research areas include Wireless Communication and Networks, Microwave Engineering, Antenna Design, VLSI Design, Signal and Image Processing, Communication Engineering, and Embedded Systems.

The Department consist of well-equipped labs including:

- Basic Electronics Lab
- Analog Electronics Lab
- Digital Electronics Lab
- Communication Lab
- Microprocessor and Microcontroller Lab
- Microwave and Optical Communication Lab
- Electronic Simulation Lab
- Signal Processing Lab
- Electronics Lab
- Project and Research Lab

The Department holds MoU's with distinguished Organizations and Industries, mentioning a few include Huawei - ICT Academy, 3ST Technologies Pvt. Ltd., Noida, Maven Silicon, Bengaluru, Department of Electronics - Pattern Recognition and Machine Intelligence Group, Shantou University, China. It prides in having students placed in reputed companies with smart package and also focuses on developing and escalating the skill of analysis, designing and problem solving, amongst students required to extend their career growth.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

B.Tech Electronics Engineering (VLSI Design and Technology)

Program Overview : Welcome to the program in Electronics Engineering with a specialization in VLSI (Very Large Scale Integration). The program offers a comprehensive curriculum that combines theoretical knowledge with practical skills in the field of VLSI design. The institute offers B.Tech as well as M.Tech programs in VLSI Design and Technology.

As technology continues to evolve, VLSI plays a crucial role in designing complex integrated circuits and electronic systems. During the program students will gain a deep understanding of VLSI concepts, including digital and analog circuit design, semiconductor devices, computer-aided design (CAD) tools, and system-on-chip (SoC) integration.

Our experienced faculty members guide students through hands-on laboratory sessions and industry-oriented projects. The program also includes workshops, seminars, and industry interactions to provide students with real-world exposure and the latest industry trends.

Upon graduation, our students will be equipped to pursue diverse career opportunities in VLSI design, semiconductor manufacturing, research and development, and related fields. Our program fosters creativity, innovation, and problem-solving skills, enabling students to contribute to the advancement of VLSI technology.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

B.Tech Electronics & Communication(Advanced Communication Technology)

Program Overview : The program in Electronics and Communication, specializing in Advanced Communication Technology, is meticulously designed to provide students with a profound understanding of the technical intricacies and advancements in the field of communication engineering. The institute offers a B.Tech program in Advanced Communication Technology with an intake of 60 students.

Through a comprehensive curriculum, students will explore advanced concepts in wireless communication systems, digital signal processing, data communication networks, optical communication, satellite communication, and advanced modulation techniques. They will achieve hands-on experience in designing and implementing cutting-edge communication systems through practical projects, extensive laboratory sessions, and industry-driven internships.

Our distinguished faculty members, renowned for their expertise in the field, provide expert guidance and mentorship to students. The program emphasizes research and innovation, encouraging students to explore emerging technologies such as 5G, Internet of Things (IoT), and advanced networking protocols.

To enhance industry exposure, we foster collaborations with leading companies and organize guest lectures, workshops, and industrial visits. This allows students to gain real-world insights and stay updated with the latest trends in Advanced Communication Technology. Upon graduation, our students are equipped with the skills and knowledge to excel in careers related to wireless communication, network engineering, telecommunications, and advanced signal processing. They become well-prepared to contribute to the development of innovative communication systems and pave the way for future advancements.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE/AIEEE qualified.	Rs. 1,15,603/-

INFORMATION TECHNOLOGY

B.Tech Information Technology

Program Overview : The department of Information Technology offers engineering programme at the undergraduate as well as at the post graduate levels. The course is designed to provide comprehensive knowledge of information technology with emphasis on applications together with a judicious blend of technical skills. The department emphasis the use of learning tools for the acquisition of knowledge and skills. Role-play, case study, project work, practical exposure, assignments, quiz, seminars, industry visits are some of the methods used for teaching learning process. The curriculum provides not only technical knowledge but also the exposure to recent technologies. To impart good quality engineering education, the department focuses on development of practical and application oriented minds. It is our attempt to make students learn by doing rather than by simply learning of topics and subjects. Currently, the department has an annual intake of 120 students in the B.Tech programmes in Information Technology with 5% Lateral Entry Scheme.

The vibrant faculty members of the department possess demonstrated expertise in many areas of information technology and flair for teaching different courses. The department consists of a medley of faculty members with industrial and academic experience. The department has qualified and experienced faculty in the areas of Artificial Intelligence, Computer Networks, Data Mining, Database Systems, Neural Networks, Web Technology, Wireless and Sensor Networks, and Operating System. There are fully equipped laboratories in department such as: Computer Programming Lab, DBMS Lab, Software Engineering Lab, Networking Lab, Project Lab, R & D Lab. Research in the department focuses on creating and evaluating innovative learning that is inspired by technical progress. The key areas of research of the faculty members include semantic web, data mining, software reliability, wireless sensor networks, network security, big data analytics and cloud computing. The department has organized various national and international conferences.

Our graduates have distinguished themselves in higher studies at the top Universities. They also occupy positions of eminence in the computer industry. Our Alumni remain in constant touch with us and are contributing in the development of the department. Placements for our graduates are the best in the Institute.

The department with the passage of its evolution and growth has succeeded in creating its place of excellence within the Institute as well as among its counterparts in the country. It has been attracting bright students from all parts of the country for quality education in Information Technology. The department of Information Technology is committed to nurture professional manpower, competent and responsive to the challenges of a dynamic and vibrant society.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

MECHANICAL ENGINEERING

B.Tech Mechanical Engineering

Program Overview : Established with a clear and focused vision in the year 2001, the Department of Mechanical Engineering has achieved numerous milestones over the last 24 years. The Department offers a 4-year B.Tech. Program in Mechanical Engineering, with a highly industry-focused curriculum. The Department has built and maintained a high level of intellectual capital over the years. The Department boasts a strong team of 26 highly qualified and experienced faculty members, majority of whom hold Doctoral degrees and rest are pursuing the same from institutions of eminence. The faculty is deeply committed to training and developing students into future-ready professionals competent enough to take on the challenges of the professional world as they embark on chosen career paths. This is a testament to the commitment of the faculty members towards achieving a high degree in academics and research activities.

Students of the department have achieved several milestones in previous years, securing All India Rank - 1 & 20, All India Rank of 8, 36, and 55 in GATE, and All India rank 16, 25, 51 in CSIR besides securing the top ranks in the university merit list. The alumni are leading successful professional lives working with top-notch public and private companies like NTPC, IOCL, ONGC, SAIL, EIL, NALCO, BARC, Indian Railways, L&T, Mahindra & Mahindra, Samsung, LG, EBZ Ltd, etc.

The Department organizes several training/faculty development programs for the faculty, technical staff and students on a periodical basis to help enhance their skills. The Department encourages student participation in various technical and cultural societies, providing them with platforms to showcase their talents and interests. This fosters a vibrant and inclusive learning environment. Students have participated and won prizes in technical events organized by professional societies reflecting their practical skills, knowledge, and competitive spirit.

The laboratories are well-equipped to make possible conduction of specifically designed experiments in addition to the ones prescribed in the university syllabus. The Department has advance Pin-on-disc wear testing machine, Surface Profilometer, 3D printers, CNC milling, and CNC lathe trainers, Servo Control Tensile Testing Machine, Computerized Torsion Testing Machine, Fatigue Testing Machine, advance Brinell and Rockwell Hardness Testers among others to cater to the needs of researchers & students.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics and Maths as compulsory subjects along with one subject Chemistry / Bio-Technology / Computer Science / Biology with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

CIVIL ENGINEERING

B.Tech Civil Engineering

Program Overview : Civil Engineering is one of the oldest branch of Engineering that deals with the planning, construction, and maintenance of Buildings, structures, & public works, which are related to earth, water, civilization and their processes of development. Majority of projects like multi storey buildings, power plants, bridges, roads, railways, Industrial structures, water supply, irrigation, the natural environment, sewer, flood control, transportation and traffic are dealt by Civil Engineering. Currently, the Department has an annual intake of 60 students in the B.Tech. programme in Civil Engineering with 10% Lateral Entry Scheme.

Civil Engineering Department of Galgotias College of Engineering and Technology is involved in education and research programs covering a spectrum of activities related to Civil Engineering. The alumnus of the Civil Engineering department have placed in various reputed Companies like Indian Railways (Through IES), NHAI (Through IES), webcos, NBCC, NPCL, Delhi Metro, MES, Indian Army, Assistant Engineers in Govt departments, PNB Housing etc.

Duration	Eligibility	Annual Fee
4 Years	10 + 2 Examination with Physics, Maths & Chemistry as compulsory subjects with minimum 50% and UPSEE / AIEEE qualified.	Rs. 1,15,603/-

APPLIED SCIENCES

Applied Sciences

The Department of Applied Sciences is a harbor between fundamental Science and Engineering that combines the knowledge of pure science with engineering practices. The department has been established to inculcate and promote an inquisitive thinking towards science and its applicability in various interdisciplinary subjects amongst young minds of today and tomorrow.

The devoted faculty members are core strength of the department providing value education to the students through improved method of teaching. Department imparts excellent quality education in the area of Mathematics, Physics and Chemistry. The department has well equipped laboratories with sufficient instruments to provide practical training to the students in the field of Physics and Chemistry. All academic programs emphasize the integration of theoretical knowledge with practical applications.

Most of the faculty members of the department are doctorate from reputed institutions. The department provides a lively and active research environment which has contributed large number of research articles in national and international journals.

HUMANITIES

Humanities

The Department of Humanities holds a crucial position in educating young undergraduate engineering students. Its primary aim is to provide a solid grasp of fundamental Sciences and humanities, laying the groundwork for practical engineering endeavors. By fostering a deep understanding of core scientific principles and mathematics, the department equips students with the essential building blocks necessary for success in the field of engineering.

As the department serves the gateway to engineering education for first-year students, its significance cannot be

overstated. We are committed to providing personalized support to every student. This individualized approach ensures that students receive the attention and guidance they need to thrive academically. The success of our efforts is evident in the outstanding academic performance of our students.

The Department boasts a team of highly qualified, skilled, and dedicated teaching faculty members, most of whom are doctorates from reputed institutions. The department fosters a vibrant and dynamic research atmosphere, resulting in a significant number of research articles published in both national and international journals. The department boasts well-equipped laboratories designed to offer hands-on training to students in physics and chemistry. Additionally, our language lab aids students in honing their communication skills. These traits make Applied Sciences and Humanities department of Galgotias College of Engineering and Technology the best in Delhi /NCR.

MANAGEMENT STUDIES

MBA Management Studies

Program Overview : The department is dedicated to nurturing students' holistic development, leveraging the wealth of experience within our faculty. Our focus is instilling values that cultivate not only academic prowess but also foster qualities essential for being exemplary human beings. We aim to equip students with diverse skills and knowledge to thrive in a competitive global landscape.

Our faculty comprises experienced professionals from both industry and academia, ensuring a rich learning environment. With an annual intake of 180 students in MBA -Common and 60 students in MBA - Logistics and Supply Chain Management in the Department of Management Studies.

Through a spectrum of conferences, seminars, workshops, guest lectures, alumni talk and industry experts we provide a platform for students to exchange ideas and experiences. These events serve as catalysts, inspiring students to explore various career paths and acquire specialized knowledge. Exposure to experienced professionals from different industries enriches students' understanding of industry-specific terminologies and practices.

Moreover, the department organizes industrial trips and excursions, offering students first hand exposure to production, operations, and supply chain in reputed companies. This hands-on experience bridges the gap between theory and practice, preparing students to navigate real-world business scenarios.

We are committed to delivering modern education and training that aligns with the dynamic demands of the evolving business landscape. With state-of-the-art infrastructure, we strive to empower students to excel in the ever-changing field of Business Administration.

The department offers a two-year MBA program with two options: MBA-Common and MBA-Logistics and Supply Chain Management.

MBA-Common Program:

This program offers a dual specialization, allowing students to choose from the various following areas:

Finance
Human Resource

Marketing
International Business

Operations
Information Technology

MBA-Logistics and Supply Chain Management:

This program focuses specifically on logistics and supply chain management, providing in-depth knowledge and skills in this field.

Students can choose the program that aligns with their career goals and interests, whether they prefer a broader business education with dual specializations or a more focused study in logistics and supply chain management.

Duration	Eligibility	Annual Fee
----------	-------------	------------

2 Years	Bachelor's Degree from recognized university with minimum 50% marks or CAT/MAT qualified	Rs. 1,15,603/-
---------	--	----------------

COMPUTER APPLICATIONS

MCA Computer Applications

Program Overview : The department of Computer Applications was established in the year 2003. The department has highly qualified, committed and research oriented faculty members who share the mission and vision of the institution in imparting high quality education to the students. To enhance the technical skills and awareness, students are also motivated and inspired to participate in seminars and technical festivals etc. The Doctoral programme are centered on Software Engineering, Mobile Computing, Computer Networking and Tele-Communications. Currently, the department has an annual intake of 60 students in the MCA Programme in Computer Applications.

To keep itself abreast with latest developments in Computer Applications, the department makes extensive efforts to develop partnerships with industry. The department enjoys the privilege of having spacious and well-equipped laboratories that provide students, the industrial environment much needed for real life training. The department offers various seminars, workshops, symposia and entrepreneurship development programme for the students to enable them keep pace with the rapid changes in the field of Computer Applications

Apart from syllabus coverage department is committed to provide multiple activities to make the students versatile. To develop interactive learning process students are given ample opportunities to take part in seminars, workshops, conferences and debates etc.

Prof. Gagan Tiwari is currently serving as Head in the Dept. of Computer Applications; he has served in reputed technical institutes of U.P. Technical University, Lucknow since 2001.

The department organized good numbers of national conferences, workshops, guest lectures, students and faculty development program successfully in last ten years. Some of the renowned personalities who graced these occasion with their benign presence are Prof. S. K. Kak, Honorable V.C. – MTU, Noida, Prof., Prof. K. Subramanian, Former IT Adviser to CAG of India, and Founder Director & Professor, Advanced Center for Informatics & Innovative Learning, IGNOU, Dr. B Athiyaman, Scientist-F & Head ,Super Computers Sec., Computer & Networking Division, DST (GOI) alongwith other dignitaries and shared their valuable knowledge and experiences during these events.

Duration	Eligibility	Annual Fee
2 Years	Bachelor's Degree of minimum 3 years duration from a recognized university in any discipline with minimum 50% marks. (Mathematics at 10 + 2 School level or Graduation level is compulsory) or UPSEE qualified. The admissions under management seats/ direct admission for B.Tech., MBA & MCA will be based on directions given by UPSEE.	Rs. 1,15,603/-

PROGRAMS & FEES

Course Name	Branch Name	Fee Amount*
B.Tech	Artificial Intelligence and Data Science	Rs. 1,15,603
B.Tech	Artificial Intelligence and Machine Learning	Rs. 1,15,603
B.Tech	Civil Engineering	Rs. 1,15,603
B.Tech	Computer Science and Design	Rs. 1,15,603
B.Tech	Computer Science and Engineering	Rs. 1,15,603
B.Tech	Computer Science and Engineering (Hindi)	Rs. 1,15,603
B.Tech	Computer Science and Engineering (Artificial Intelligence)	Rs. 1,15,603
B.Tech	Computer Science and Engineering (Artificial Intelligence And Machine Learning)	Rs. 1,15,603
B.Tech	Computer Science and Engineering (Data Science)	Rs. 1,15,603
B.Tech	Electrical & Electronics Engineering	Rs. 1,15,603
B.Tech	Electrical Engineering	Rs. 1,15,603
B.Tech	Electronics and Communication Engineering	Rs. 1,15,603
B.Tech	Electronics and Communication(Advanced Communication Technology)	Rs. 1,15,603
B.Tech	Electronics Engineering (VLSI Design and Technology)	Rs. 1,15,603
B.Tech	Information Technology	Rs. 1,15,603
B.Tech	Mechanical Engineering	Rs. 1,15,603
MBA	MBA	Rs. 1,15,603
MBA	MBA (Logistics and Supply Chain Management)	Rs. 1,15,603
MCA	MCA	Rs. 1,15,603

Annual Fees*

Note- Tuition Fees is always subject to change by any future order/orders of Fee Fixation and Regulation of Admission Committee, Lucknow/ The Appellate Authority, U. P. Private Professional Educational Institutions (Regulation of Admission and Fixation of fees), Lucknow/ Hon'ble High Court/ Hon'ble Supreme Court.

Sr. No.	Course	Duration	Mode of Admission	Minimum Eligibility Criteria
1	B.Tech.	4 years	AKTU Counselling	<p>Passed 10+2 examination with Physics, Mathematics as compulsory subject and one subject from Chemistry/ Bio-Technology/ Biology/ Technical Vocational subject, as per latest norms of AICTE/AKTU.</p> <p>Obtained at least 45% marks (40% for SC/ST) in the above subjects taken together.</p> <p>OR</p> <p>Passed 3 years Diploma examination with at least 45% marks (40% for SC/ST) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.</p> <p>Entrance Exam Portal: https://jeemain.nta.nic.in</p>
2	MBA	2 years	AKTU Counselling (On the basis of CUET Rank)	<p>Passed Bachelor's degree course of minimum three years duration from any recognized University securing minimum 50% marks (45% for SC/ST) in aggregate.</p> <p>Entrance Exam Portal: https://cuet.nta.nic.in/</p>
3	MCA	2 years	AKTU Counselling (On the basis of CUET-PG Rank)	<p>Passed B.C.A/ B.Sc. (Computer Science)/ B.Sc. (IT)/ B.E. (CSE)/ B.Tech. (CSE)/ B.E. (IT)/ B.Tech. (IT) or equivalent Degree.</p> <p>OR</p> <p>Passed any graduation degree (e.g.: B.E. / B. Tech. / B.Sc / B.Com. /B.A./ B. Voc./ etc.,) preferably with Mathematics at 10+2 level or at Graduation level.</p> <p>Obtained at least 50% marks (45% for SC/ST) in the aggregate.</p> <p>Entrance Exam Portal: https://cuet.nta.nic.in/</p>
4	B. Tech. (Lateral Entry to 2nd yr)	3 years	AKTU Counselling (On the basis of CUET-UG Rank)	<p>Passed Minimum THREE years / TWO years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to SC/ST category) in ANY branch of Engineering and Technology (except Agriculture Engg., Pharmacy and Architecture) from the institution recognized by BTE, UP.</p> <p>OR</p> <p>Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to SC/ST category) and passed 10+2 examination with Mathematics as a subject. Will be allotted if seats remain vacant after allotment to Diploma Students.</p> <p>Entrance Exam Portal: https://cuet.samarth.ac.in/</p>
5	B. Tech.	4 years	Mgmt Quota/ Vacant seats	<p>Firstly, by the qualified candidates of JEE(Main), who fulfill the eligibility, their relative merit will be decided on their rank in the entrance examination. Thereafter, by the merit of candidates in qualifying examinations lay down by AICTE for admission to various programmes which are updated from time to time.</p>

6	MBA	2 years	Mgmt Quota/ Vacant seats	Firstly, by the qualified candidates of CUET, who fulfill the eligibility, Thereafter, by the merit of candidates who have passed the qualifying examination securing minimum 50% (45% for SC/ST) in aggregate.
7	MCA	2 years	Mgmt Quota/ Vacant seats	Firstly, by the qualified candidates of CUET, who fulfill the eligibility, Thereafter, by the merit of candidates who have passed the qualifying examination securing minimum 50% (45% for SC/ST) in aggregate.
8	B. Tech. (Lateral Entry to 2nd yr)	3 years	Vacant seats	Firstly, by the qualified candidates of CUET, who fulfill the eligibility, Thereafter, by the merit of candidates who have passed the qualifying examination securing minimum 45% (40% for SC/ST)
9	M. Tech. (Full time)	2 years	Counselling / Vacant Seats	<p>Passed B.E/B.Tech in the relevant field. Obtained at least 50% marks (45% marks for SC/ST) in the qualifying examination.</p> <p>Order of preference for admission:</p> <ul style="list-style-type: none"> • GATE Merit (https://gate.iitk.ac.in/) • CUET (PG) Merit (https://cuet.nta.nic.in/) • On the basis of Institute Exam/Merit in the qualifying Examination
