## Message from HOD

Dr. Sanjeev Kumar Singh

The goal of the department is to instil high morals, ethics, lifelong learning skills, concern for society and the environment, and core and cutting-edge information technology in students. This will be accomplished by imparting knowledge of information technology and teaching its application through creative methods. To prepare undergrads for the workplace, the department has a 'Centre of excellence' with 'Softpro India Computer Technologies (P) Ltd.'

I want to take a moment to express my deepest gratitude and appreciation to faculty, non-teaching staff and students of IT department for all your hard work, commitment, and unwavering support. As we continue on this journey together, let us remember the power of education to transform lives and make a positive difference in the world. Your contributions, both big and small, are shaping the future and creating opportunities for countless individuals.

Our Honourable HOD, Dr. Sanjeev Kumar Singh feels highly privileged on serving Galtotias group. He focuses on nurturing student's capabilities, transform their lives and find success through high quality teaching and learning. He wishes all the IT students' good luck and hopes for a better future.

## Message from Deputy HOD

Dr. Veena Mittal

Information Technology Department has proven the real meaning of success through its consistent hard work, innovative and techno-oriented events. My heartfelt gratitude to each one behind it. I would also like to thank our department head, Mr. S K. Singh for being our pillar through out and guiding us at every step.

We have tried to incorporate every story behind the success of the department. I truly appreciate all the efforts by our club heads Mirnalini and Vikhyat along with the whole family of Fusion Society who have made this possible. I would also like to thank out faculty members who have worked hard with the students. It wouldn't be possible without you. Lastly I hope this beautiful family of Fusion always sticks together.
